Shawville carnival February 20-24

This year's carnival in Shawville, organized by the Shawville and District Recreation Association, has been set for Wednesday, Febraury 20 to Sunday, February 24. Activities will include the Carnival Queen pageant on Thursday evening, cross country ski races on Saturday morning and a wind up banquet on Sunday evening.

There will also be a game between the Montreal Canadiens Old Timers and a local Pontiac hockey team on Saturday evening, organized by the Optimist Club.

This year the recreation association is holding a draw for five prizes of one thousand dollars each. One thousand tickets have been printed. They are available for ten dollars each from R.A. members. The draw will be on Sunday evening, after the banquet.

Ski-doo races at Sand Bay

Seventy seven competitors from all over the Ottawa Valley participated in the drag races at Sand Bay this weekend. This was the first event of the year for which points were awarded. Brian McDougall of Kanata was the top driver with wins in super stock and super modified categories.

The meet was originally scheduled to be held in Shawville near Ed and Ellen's Motel but the lack of snow forced the organizers to set up a track on the ice in Sand Bay. EQUITY PHOTO

Administrative manager

Art McIntyre, manager of the Bank of Montreal in Shawville, is pleased to announce the appointment of Mrs Velma Storie to the position of Administration Manager of the Shawville Branch.

Mrs Storie is at present the customers service clerk at the local branch. Originally from the Shawville area, she worked for eight years at the Royal Bank in Ottawa before joining the Bank of Montreal in Shawville in 1968. Mrs Storie is at present the Customers Service Clerk and will be replacing George Bibby who is going to a branch in Mississauga, Ontario. EQUITY PHOTO

POLICE NEWS

From the Department of Transport news has been received that the estimated cost of vandalism to signs along Highway 148 is in the neighbourhood of $3000.00. Twenty four road signs between Campbell's Bay and Fort Coulonge alone were knocked down as well as others all the way west to the Allumette Island Bridge. The signs destroyed were of the no-language sort, with signals for curves and crossroads.

Also being vandalized in the County have been seven cottages at Sand Bay. Most of the damage is to doors and windows, and one cottage received damages estimated at $200.

Probably the mischief was done during the Christmas holidays. Police are seeking help from anyone who might be able to give them information. They are particularly interested in a report of a yellow car in the vicinity. Information to the police can be given confidentially and it is not necessary to become implicated. This invitation to the citizens of the area to get on the side of the law, even anonymously if desired, is working well and has resulted in several solutions to crimes already committed.

Constable Marc Boudreau informs us that a 10 speed CCM Boy's Bicycle was found in Shawville. Nobody in the area seems to know where it came from. The police will keep it until someone claims it. Call them at 648-2141.

Pee Wee All-Stars

On December 12 the Pee Wee All Stars suffered their first loss to the Renfrew team. It was a close game with Renfrew scoring three goals while Shawville only managed two - these scored by Kevin Chevrier and Andy Wiggins with Scott Young assisting both.

In the return game at the Shawville arena Stephen Meisner netting three goals, led the Shawville squad to a 7-1 victory. Ben MacIntosh scored two with Stephen Hamelin and Andy Wiggins each scoring one. Todd Wrinn picked up two assists with Meisner, Campbell, MacIntosh and Hamelin each getting one assist.

The Pee Wee All-Stars participated in the Smiths Falls tournament on December 22. Although the boys played well they were not able to put the puck past the Smiths Fall's goalie in the first game and went down to a 2-0 defeat. This placed them on the consolation side of the tournament and Vanier was the opposition in the second game. The first period went scoreless but Wiggins and MacIntosh, assisted by Young and Hodgins, netted two in the second period to take a 2-1 lead. The Shawville boys took control in the third period scoring 4 goals to Vanier's one for a 6-2 victory. Stephen Hamelin scored two goals with John Campbell and Scott Young each getting one. Two assists went to Meisner and Wrinn with Young, Hodgins and Chevrier picking up one each.

In the third and championship game against Almonte the boys were off to a great start with a 4-0 lead on goals by MacIntosh, Wrinn, Wiggins and Campbell. However, midway through the second period the Almonte team came back to tie the game 4 all. MacIntosh and Wrinn each managed to score one for a 6-4 lead before the second period was over and the third period went scoreless giving the boys another win and the consolation championship. Two assists went to Meisner with Young, Chevrier, and MacIntosh each getting one.

A regular league game was played on Thursday, December 21 against the fast skating, hard hitting Petawawa Squad. The first period was scoreless with three goals being scored within 4 minutes of play in the second period, two by Shawville, and one for their opponents. Early in the third period Petawawa netted two to take a 3-2 lead but Shawville bounced back with two more for a final 4-3 win. Shawville goals were scored by Wiggins, Young, Meisner, and Campbell with three assists going to Chevrier, two to MacIntosh and one to Wrinn.

After a week's holiday the Pee Wee team travelled to Beachburg to play their first game of the New Year against the Muskrat team. The boys were off to a good start as Chevrier, Meisner, and Campbell scored three unanswered goals in the first period. Each team scored a single in the second period, Shawville's by Ben MacIntosh, to end the period 4-1 in favour of Shawville. Stephen Meisner opened the scoring in the third period but the Muskrat team came back to net three making it an exciting 5-4 finish in Shawville's favour. Andy Wiggins assisted three goals while Chevrier, Hodgins and Campbell each assisted one.

The first place Arnprior Packers were defeated by the Shawville Pee Wee All-Stars Sunday afternoon in a thrilling 3-2 match. Arnprior scored the only first period goal. Late in the second period Ben MacIntosh assisted by Andy Wiggins tied the game but before the period was over Arnprior scored again to take a 2-1 lead. Once again the Shawville squad rallied late in the third period to score two goals, the first by John Campbell assisted by Andy Wiggins and the second by Ben MacIntosh unassisted, for a thrilling 3-2 victory.

Mrs Joan Rusenstrom proudly displays the chair she upholstered in the Adult Education Upholstery class held in Pontiac High School, taught by Mr John Marykuca. Another upholstery class will be offered in January.

Shawville recreation hockey standings

December 27th Q.F.M.P.A. tied Finnigans 4-4. Wally Barber, Bernie McDonnell, Michel Viens, and Dave Rusenstrom scored for Q.F.M.P.A. and Philippe Lasalle, John Atkinson, and Bill McCleary for Finnigans. The same night Sheppards defeated Stedman's 4-3. Sheppards scorers were Stuart MacFarlane, Barney Richardson, John Petty and Terry McDougall. Richard Meisner and André Paul scored for Stedmans.

To begin the new year Q.F.M.P.A. defeated Sheppards 6-1 and Finnigans defeated Stedmans 7-3.

The game standings are as follows:

First place Finnigans 24 points, second place QFMPA 24 points, third place Stedmans 15 points and fourth place Sheppards 13 points.

The ten top scorers to date are:

Bill McCleary 29 points, Marc Latreille 28 points, Dave Rusenstrom 22 points, Ted Lance 22 points, Ron Lance 20 points, John Atkinson 20 points, André Paul 19 points, Phillipe Lasalle 19 points, Rick Richardson 18 points and Alain Bergeron 18 points.

As you can see the standings are very close, so come and join in on the fun and help these teams battle it out.

TUNE UP WITH TUNA

As a complete protein food, canned tuna is lower in calories than lean beef of the same edible weight. It gives you vitality and a feeling of satisfaction when you're on a weight-loss diet. And tuna's versatility means that as regular fare on a reducing regime it won't wear out its welcome.

You can trim up and tune up with tuna—without tiring of it.

Strange rock examined by N.R.C. scientists

Brent Mayhew thought he might have found a meteor on his tree farm in Clarendon so he brought it into THE EQUITY office last week. He had found the particularly dense stone lying in a field of sand surrounded by a clump of stunted trees. This coupled with his father's observation of a meteor fall several years ago made him suspicious.

When we checked with meteoric scientist Ian Halliday of the National Research Council in Ottawa, the rock proved to be of terrestrial origin, a form of igneous basalt, possibly carried here by glaciers thousands of years ago. Dr Halliday said he was always interested in hearing from people who think they have found a meteor, even though most eventually turn out to be your garden variety of rock. EQUITY PHOTO

RADIO VOLUNTEERS SOUGHT

Remember Radio Pontiac! For the past three years people have been working away towards the realization of a community radio station in the County. Well folks, we're still waiting; now for a reply from the C.R.T.C. which we of course expect to be favorable. As soon as the license to operate is granted, Radio Pontiac will become active.

Meantime they are busy transforming two empty school rooms at St Pierre's school, Fort Coulonge, into offices, record library, production studio and broadcasting station. Money is also being raised to comply with the promise to the CRTC that sufficient interest in the station exists within the County to warrant the large government grants being received.

Another development is the possibility of local courses to train interested people in radio techniques. At the same time there is a need immediately for volunteers. A community radio depends on professionals for necessary tasks but also relies on volunteers wherever possible.

Anyone who wants to help in the preparation of programs which will be used as soon as the license is received and the station is on the air, should send their names to Radio Pontiac, Box 807, Fort Coulonge. French or English or both, no matter. Anyone who would like to try announcing, writing, producing, operating equipment, looking after records, phone answering, or whatever - on a voluntary basis - should send along their names and phone numbers and a bit of information about what they would like to do for Radio Pontiac. If you have any experience that would be good to know too.

Very soon, in fact the minute the go-ahead is received from the CRTC, nine program committees will be organized, one in each of nine zones of the County, to participate in the final, programming for the station. The volunteers will have found their respective niches in the operation and a staff of permanent personnel will be recruited. Then Radio Pontiac will be ready to go on the air.

Radio Pontiac will be one of the very few enterprises which will involve the entire community of the County of Pontiac. It could be a sort of proving ground to discover what we as a community can accomplish. Everyone who has always been wishing they had a radio station at their disposal can now come forth and do their thing. As soon as they get involved they'll discover that radio production takes time, and wish they had got started earlier.

So if you want to be in on this project, send in your name and what you want to do. Box 807, Fort Coulonge. That's all you have to remember.

MUNICIPAL TAXES

There have been pages and pages in French distributed among the municipalities explaining the fiscal reform bill which has finally been passed in the National Assembly. The Provincial Government has even provided a sample of a schedule to be sent to all tax payers to help them figure out their last year taxes and compare them with their 1980 taxes.

It doesn't seem all that complicated until you start to read the explanatory notes.

Simply put, all you have to do is add your 1979 municipal taxes to your 1979 school taxes to find out what you paid last year. Then you add your 1980 municipal taxes to your 1980 school taxes and you have your 1980 total.

If there has to be confusion, it could be found in the school taxes but even that isn't very complicated. Just because the school taxes are paid for a year starting in July and going to the following June, you have to figure your tax for the year 1979 by taking half of the tax levied in 1978 and half of the tax levied in 1979. In the same way, when you figure your school tax for 1980 you have to take half the tax in 1979 and add it to half the tax in 1980.

You will find that the school tax will go down considerably because it will only be needed for supplementary expenses which are not supplied by the Provincial Government. Quebec calls these items "inadmissibles". When you receive your bill from the school boards you will of course want to know what these so-called inadmissible items are.

Likely they will turn out to be items which have been deemed necessary in the local school system.

The municipal tax will undoubtedly increase because of the rise in the cost of all goods and services. Also there will be increases wherever a municipality wishes to increase its services to the ratepayer within its municipality. Here again, you will want to know what these increased services are.

In every case the information can be found by going to the office of the school board or municipality and asking to see the budget for the coming year. With an extension on the deadline for municipal budgets, these will not be available until April but any municipal officer would be glad to hear from the citizens if they have any suggestions for improved services.

To any careful observer it seems obvious that if the school taxes and the municipal taxes all worked on the same fiscal year, i.e. Janury 1 to December 31, considerable confusion would be avoided. By the same token, it seems logical that members of the school boards and of the municipal councils should all be elected at one election.

Logic is not likely to prevail so don't count on this obvious improvement. Meanwhile you can't get away from the taxes, but you can find out for yourself if your total tax is going up and, if so, why so.

Letters from our readers

Editor, THE EQUITY
Dear Sir,

The following is my response to Mr. Clare Strutt's letter published in the January 3rd edition.

I should like Mr. Strutt to know that my heart just bleeds for all the hazards, temperatures etc. that he is subjected to as a "linesman" with Quebec Hydro.

I live alone in a cottage at Noreway Bay and was without power for 53 consecutive hours which involved no furnace, no water and no lights in sub-zero temperatures. I was reasonably fortunate in having a wood stove which maintained the temperature at 55 degrees F. Sleep was out of the question as the stove needed constant attention.

I did not seek shelter elsewhere as I was endeavouring to keep my pump and water pipes from freezing. Alas they did freeze.

At this point I am extremely bitter and say "shame" to the "strikers" for subjecting the Sr. Citizens and many others to such inhumane treatment.

Sincerely, Ms. Barbara Smith

Dear Editor,

On January 2 I overheard a mother of three young children say "Whew! How did ever get through it" of course she was refering to the Year of the Child.

I have some questions in my mind - was it a success? have people changed their attitude towards children? - if so was it for the better? Was the year of the child necessary? -was it a scheme planned by academics to make a name for themselves, their organization or money for their pockets?

Milton said: Children shows the man as morning shows the day.

Dichens said: I love these little people, and it is not a light thing, when they, who are so fresh from God, love us.

Cicero said: What gift has providence bestowed on man that is so dear to him as his children.

An Unknown Said: I think saving a wee child and feeding, teaching, clothing, protecting, and trimming it just right is a derned sight better than roaming through life with no goals.

Novalis: Where children are, there is a golden age.

Beautiful all and wise too — I guess most will agree and most people let vanity take over when discussing their children or grandchildren, that is nice, but after all these platitudes there are some things adults will have to do to control and cope with the average healthy, energetic and growing child no matter what era you are talking about.

How do you always know you're being fair when sometimes as they are acting like little saints - you are being conned and being cornered in their minds - if you get rough at this point you will be ostracized by their friends, their parents and maybe by your neighbors.

Get into an argument with a four year old and in no time flat you are acting like a four year old. You may sound like one too. Let's build a hypothetical scene and follow the dialogue between a four year old who is upstairs and the mother who is in the kitchen. The mother hears a big bang — mother shouts "In the name of heaven what was that?" reply "what?" - "that big bang" - "What big bang" - you didn't hear the big bang" - "no did you" - "of course I did - I just asked you" -"what did it sould like" -"never mind what it sounds like - just stop it" - "stop what" - "whatever you are making noise with and doing"- "I'm not doing nothing" - "well stop anyway" - "I'm washing behind my ears" - and on and on it goes without end and obviously getting nowhere.

I asked a woman, who did have or seems to control these kind of situations, what her secret was - she said she used the shock system on her children. If she hears a crash or other annoying sounds she tests the child, if a misleading answer is put out, by changing the subject - like shouting back "well now pick up your pants or Jane put a plaster on the black mark behind your ear etc.

I think then as we leave 1979 behind the message which will give the child and the parent fortitude and confidence would be something like the following - We must mix gentleness and love with firmness- Don't give them their own way always or put blocks against all their escapades - Do not yield rational authority or you will not regain it. Don't stop them from coming - who will take the responsibility of not raising an Einstien, Bacon, Shaw, Milton, Bell or a C.D. Howe even if they may put the baby sitter in the pantry, get their father out at 5 am for hockey practice or get fun "putting their mother on the ceiling".

In essence during the Year of the Child everyone has tried to break the generation gap and appreciate better the childs world in these difficult and changing times.

Yours truly,
E.W. Mulligan

Ladysmith Update

Mrs. Verner Thrun

Most unusual weather was enjoyed during the holiday season. Only patches of snow, sunny days, and not too cold.

Recent visitors with the Thrun's were Mr and Mrs Peter Bowman, Mr and Mrs Fred Mielke, Mr and Mrs Rodger Laframboise, Mr and Mrs Moe Chartrand from Ottawa.

A Christmas card was received from the Witt family from Hamburg, Germany. They receive THE EQUITY and enjoy the notes and weather reports from the Ladysmith district where they spend summer holidays in their lovely country home.

A phone call from Mr Leonard Mielke from Los Angeles was received. He send greetings to all his friends in Canada.

When the CFRA staffer was in Russia last week the last thing in the world he expected to see was a car with a CFRA windsticker driving down the main street of Moscow. But sure enough, there she was, Sharon Davies, formerly of Clarendon but now working for the Canadian government. They'll send her the prizes for having the sticker on her car, if they can get them through customs.

Shawville Council

Shawville Council met on December 18, at the usual hour and place, with Mayor Black and Councillors Arthurs, Campbell, Dickson and Armstrong in attendance at the opening of the meeting.

The minutes of the previous meeting, as circulated, were approved on a motion by Robert Campbell and Everett Arthurs.

Three transfers of property were noted and duly recorded.

Tenders for gas were read.

Clrs Steeves and Richardson took their seats at this time.

Moved by Rosaleen Dickson and seconded by Royce Richardson that the lowest tender be accepted.

Mr Donald Dods visited the meeting concerning Lot Number 137-58. A letter, concerning this property, from Mr Raymond Rowat was read. Following lengthy discussion it was moved by Royce Richardson and seconded by Rosaleen Dickson that the following be written to Mr Rowat:-

"Whereas the house on Lot 137-58 was built five and one half inches closer to the west property line than is permitted by the building by-law and

Whereas the intended purchaser was in no way responsible for this infringement:

This Council does not intend to take action against Mr Art MacIntyre with respect to any infringement of the by-law. This engages only the Council of the Municipality but does not prevent any taxpayer from taking action now or in the future.

We strongly suggest that the purchaser take whatever steps are necessary to acquire the amount of land needed to conform with the by-law within the shortest possible delay."

A proposed by-law concerning business license was held over for another meeting.

Recommendations for zoning changes in agricultural land were read. Resolution moved by Robert Campbell and seconded by Albert Armstrong that these recommendations be submitted to the Commission for the Protection of Agricultural Territory.

The Canada Works Program has been approved for the amount of $40,000, work to begin January 7, 1980.

The office of the French Language has transferred our objection to the lable "Pontissois" to the Commission of Toponomy.

Letter of information read from Mrs Roxanne Bretzlaff about the project she is planning to undertake.

Moved by Albert Armstrong and seconded by Robert Campbell that properties, on which taxes remain unpaid for three years, as of January 31, 1980, be submitted to the County Sale.

Water, sewerage and garbage service rates were studied in detail. A by-law to set new rates will be introduced at a future meeting.

Accounts in the amount of 7470.48 were approved for payment on a motion by Robert Campbell and Creighton Steeves.

The new valuation for Shawville is $29,279,900.00 as compared to the previous roll - $10,337,340.00.

Letter read from Mr William McTernan who complains about poor service by the local pharmacy.

It was suggested by Everett Arthurs that inquiry be made about the possibility of obtaining natural gas for heating by way of Renfrew.

Motion by Albert Armstrong and Everett Arthurs that a letter be written to Mr Raymond Rowat concerning his claim that more serious infringements of the building by-law have occurred in previous cases.

Clr Dickson congratulated Mayor Black on being appointed to the Administrative Committee of County Council.

Adjournment was moved by Bob Campbell at 1:30 a.m.

Zion Lutheran Ladies Aid

By Mrs. Augusta Krutz

The Lutheran Ladies Aid held the January New Year meeting at the lovely home of Mrs. Minnie Shrankler and her son Ernest. A delicious buffet supper was served by the hostess, Mrs. Shrankler. The president, Mrs. Walter Yach, gave a kind and warm welcome to all members and visitors and thanked Mrs. Shrankler and her son for their hospitality.

Ten members were present. Rev. Kappas opened the meeting with a prayer, the secretary, Mrs. Shrankler, read the minutes which were approved on a motion of Mrs. Krutz, seconded by Mrs. Gustave Yach. The treasurer Mrs. P. Bretzlaff gave her report and also the yearly report which was approved as read. An election of officers was held and the president Mrs. Yach, the vice president Mrs. Emma King, the secretary Mrs. Shrankler and the treasurer Mrs. Bretzlaff were all returned to their same positions by acclamation. The meeting was then adjourned by Mrs. Martha Schwartz and a delicious lunch of cookies, Christmas cakes, coffee and tea was served by the hostess.

LIVESTOCK SALES

To sell or not to sell? What do my cattle weigh? Could I get more dollars by shipping them to an auction market? Most cattle no matter how they are sold eventually go through an auction sale before they go to slaughter. Statistics has proven that auction selling of livestock brings the highest price from overall sales.

At the high market of cattle today no one can afford to ship cattle any great distance before selling on any kind of market as each lb. of shrink is WORTH MORE THAN it was this time last year.

Sell where several buyers are bidding on them to get you the most dollars that you can take home for each animal.

A la suite des précisions qu'avaient apportées le gouvernement lui-même, le chef du gouvernement et le Parti québécois quant à la nature du choix qui serait proposé aux citoyens du Québec lors du référendum, l'on était fondé de s'attendre à un projet de question reflétant fidèlement les intentions annoncées par les porte-parole ministériels au cours des derniers mois.

Pour justifier les attentes que l'on nourrissait, nouw nous appuierons uniquement sur des sources sûres, officielles, et donc aussi fiables qu'elles peuvent l'être quand elles émanent du gouvernement actuel.

Il y eut d'abord, le 10 octobre 1978, une importante déclaration du premier ministre à l'Assemblée nationale. Comme il arrive souvent à la suite de propos tenus par le premier ministre, les paroles qu'il laissa tomber ce jour-là engendrèrent une grande confusion, non seulement dans le grand public mais même et peut-être surtout dans les milieux péquistes. La déclaration du premier ministre fut suivie, vers la fin d'octobre 1978, d'une important lettre du premier ministre aux militants et responsables du Parti québécois; dans cette lettre, M. René Lévesque disait des choses très intéressantes que l'on ne retrouve guère dans sa déclaration du 20 décembre 1979.

Le 21 juin dernier, le premier ministre faisait une autre déclaration à l'Assemblée nationale au sujet du référendum. Il annonçait notamment la publication du Livre blanc du gouvernement sur l'enjeu du Référendum. Il annonçait aussi que la question référendaire serait connue vers la fin de l'année 1979. Il prédisait enfin que le gouvernement entendait tenir le référendum sur l'avenir constitutionnel vers le printemps de 1980.

Le 1er novembre 1979, le gouvernement déposait a l'Assemblée nationale le livre blanc intitulé "La nouvelle entente Québec-Canada". Cette entente définissait le projet gouvernemental relatif à la souveraineté-association. Il contenait aussi des précisions importantes sur l'enjeu du référendum et la question qui serait éventuellement soumise aux électeurs. A ces sources gouvernementales, il faut enfin ajouter deux documents émanent du Parti québécois, mais dont l'importance saute aux yeux pour comprendre la pensée complète du gouvernement. Il s'agit de la brochure "D'égale à égal", publiée par le Parti québécois pendant le printemps de 1979, laquelle servit de document de base pour la préparation du congrès général du Parti québécois tenu en juin 1979.

A la lumière de ces divers documents, nous étions justifiés d'attendre tout d'abord une question claire et précise.

Le 10 décembre 1978, M. René Lévesque déclairait ceci: "Il va de soi que cette question sera claire et précise . . . " Le 21 juin 1979, le premier ministre ajoutait ces mots: ". . . c'est important que les mots soient aussi précis, aussi clairement disposés sur le bulletin de vote qu'il sera humainement possible de le faire". Le livre blanc ajoutait enfin ces mots: "Cette question sera claire, et on pourra y répondre par un OUI ou par un NON, comme le gouvernement s'y est engagé."

On était aussi justifié de s'attendre à une question portant quant à sa substance sur le projet péquiste de souveraineté-association. Il ne devait pas s'agir d'une pure question de forme ou de procédure, mais d'une question embrassant le fond du projet péquiste. Un grand débat s'était élevé parmi les militants péquistes et les citoyens du Québec en général sur la question de savoir si le gouvernement, à l'occasion du référendum, demanderait simplement un mandat de n?gotiation. A la fin d'octobre 1978, dans une lettre adressée aux responsables de son parti, M. René Lévesque écrivait ceci:

"Un OUI au référendum nous donnera donc le mandat de réaliser la souveraineté et l'association. Cette approche, que le gouvernement a choisie après moult consultations, signifie donc que le référendum devrait porter sur le contenu de la souveraineté et de l'offre d'association, sans dissocier ces deux parties qui, à notre avis, sont et devraient demeurer complémentaires dans l'intérêt des uns et des autres. En disant OUI, les Qubécois auront exprimé clairement leur volonté d'accéder au régime que nous proposons. Ils indiqueront donc nettement qu'ils donnent instruction à leur gouvernement d'entreprendre avec le reste du Canada les discussions qui s'imposent suite à cette décision collective."

De même, dnas le Livre blanc intitulé "La nouvelle entente Québec-Canada", le gouvernement disait clairement qu'un vote affirmatif des Québécois au référendum serait "dans les faits, un mandat confié au gouvernement de **réaliser**, par le moyen de négociation, cette nouvelle entente."

On ne saurait douter, à la lecture des nombreuses déclarations faites à ce sujet par M. Lévesque et le gouvernement, que le gouvernement envisageait clairement de soumettre un projet de question devant porter sur la substance du projet péquiste de souveraineté association, et non pas simplement sur un mandat de négocier.

A la lumière des promesses gouvernementales, on était également justifié de s'attendre à une question embrassant à la fois l'objectif fondamental du gouvernement, c'est-à-dire la souveraineté-association ou, si l'on préfère, une nouvelle entente fondée sur la souveraineté-association, et sur le moyen d'atteindre cet objectif, c'est-à-dire sur la négotiation avec le reste du Canada.

Le Livre blanc s'exprime ainsi à ce sujet: Aussi la question référendaire doit-elle toucher à la fois l'objectif ultime (une nouvelle entente) et le moyen d'y arriver (la négociation)". En outre, on avait compris, à la suite de soi-disant précisions apportées par le premier ministre, que le gouvernement soumettrait au peuple québécois une question dont il envisageait, dans l'hypothèse d'une réponse affirmative du peuple québécois, de dégager deux éléments essentiels.

1. Un OUI au référendum devait constituer, suivant l'optique décrite par Mr. René Lévesque, une approbation de l'option péquiste de la souveraineté-association et le mandat de réaliser la souveraineté-association. La lettre que M. Lévesque adressait aux responsables de son parti à la fin d'octobre 1978 ainsi que les résolutions du congrès péquiste de juin 1979 illustrent clairement det aspect de l'opération. En outre, le premier ministre, dans une conférence de presse donnée le 1er novembre 1979 peu de temps après le dépôt du Livre blanc à l'Assemblée nationale, fournissait les précisions suivantes au sujet du mandat que chercherait à obtenir le gouvernement:

"It is a mandate to negotiate on something which we would be in a sense not just allowed but may I put it this way, ordered by a majority of Quebec citizens to realize." (Il s'agit d'un mandat de négocier à propos de quelque chose au sujet de quoi une majorité des citoyens du Québec ne nous aurait pas seulement permis de procéder, mais nous aurait enjoint de le réaliser).

2. Le gouvernement envisageait aussi de solliciter aussi un mandat lui enjoignant de recourir à la négociation pour réaliser la souveraineté-association. Dans la poursuite des négociations, le gouvernement devait toutefois se souvenir que les deux éléments de l'option péquiste, soit l'indépendance et l'association économique, ne sauraient être d'égale importance. Le gouvernement voulait bien les faire paraître comme inséparables et indissociables, mais dans d'autres publications, le Parti québécois et des porte-parole gouvernementaux ne se gênaient pas pour affirmer que l'indépendance est première, fondamentale, essentielle, indispensable, tandis que l'association économique est souhaitable et désirable mais pas du tout indispensable. A cela, le premier ministre Lévesque avait ajouté, ces derniers mois, que l'essentiel de l'option péquiste, c'est-à-dire la souveraineté politique, n'est pas et ne sera jamais négociable. Il avait également précisé que dans l'hypothèse d'un OUI au référendum, l'acceptation de la souveraineté serait tenue pour acquise. Les passages suivants de la lettre de M. Lévesque aux responsables de son parti (fin octobre 1978) sont très éloquents à ce sujet: "D'où il s'en suit que les deux objectifs sont bel et bien décrits comme complémentaires et que logiquement, dans la perspective du référendum, ils doivent être liés. Cela siginifie-t-il qu'on négocie la souveraineté? Non. Lorsque par référendum, les Québécois auront exprimé leur volonté d'accéder à la souveraineté politique, ils auront au même moment et dans l'optique que nous avons adoptée, approuvé l'idée de l'association . . . Bref il s'agira de réaliser nos objectifs, mais par voie de négociation. Là-dessus, certains prétendent qu'une telle perspective dimunie la portée du référendum au point même de laisser entendre que dans l'association, on se résignerait à renoncer à la souveraineté. Il n'en est pas, n'en a jamais été et ne saurait en être question. Aujourd'hui, comme au début, il y a onze ans, la souveraineté politique apparaît comme l'aboutissement nécessaire de l'évolution du Québec".

Que conclure de tout cela, si ce n'est que le gouvernement laissait entrevoir une question dont la portée serait la suivante:

A. Un OUI au référendum aurait signifié l'approbation du projet péquiste de souveraineté-association;

B. Un OUI au référendum aurait également signifié que le gouvernement était mandaté pour négocier la manière dont devraient être rapatriés les pouvoirs législatifs et fiscaux indispensables à la réalisation de l'indépendance, ainsi que les modalités et le contenu d'une éventualle association économique avec le reste du Canada.

Voilà ce à quoi l'on pouvait et devait s'attendre si l'on voulait ajouter foi aux propos tenus par le premier ministre et le gouvernement au cours des derniers mois.

Nouveaux taux des allocations familiales

Le Gouvernement Fédéral a rendu public, aujourd'hui, l'échelle des allocations familiales fédérales qui seront versées versées aux résidants du Québec en 1980.

Ces allocations mensuelles se répartiront ainsi:

Premier enfant $13.08 moins de 12 ans, 12 ans et plus $18.53.
Deuxième enfant $19.62 moins de 12 ans, 12 ans et plus $25.07.
Troisième enfant $40.28 moins de 12 ans, 12 ans et plus $45.73,
chaque enfant additionnel $50.19 moins de 12 ans, 12 ans et plus $55.64.

Ceci fait suite à l'annonce récente que le montant national des allocations familiales pour l'année 1980 sera de $21.80 par mois et par enfant de moins de 18 ans. De plus, le crédit d'impôt-enfant remboursable, basé sur le revenu familial, procurera un montant allant jusqu'à $218, par enfant, par année.

En vertu d'une disposition de la Loi sur les allocations familiales, un gouvernement provincial peut demander au gouvernement fédéral de varier le taux des versements dans cette province, selon l'âge et (ou) le nombre d'enfants dans une famille pourvu que les paiements conservent une moyenne de $21.80. Le Québec et l'Alberta ont opté pour ce mode de paiement en 1980.

En 1979, le gouvernement fédéral aura versé plus de $36 millions mensuellement en allocations familiales à quelque 969,000 familles du Québec, soit presque 2 millions d'enfants.

L'assemblée de nomination

L'assemblée de nomination en vue du choix du candidat libéral pour le comté de Pontiac-Gatineau-Labelle aura lieu le dimanche 13 janvier, 1980, à 13 hres, à l'école élémentaire-secondaire de Gracefield.

C'est ce qui ressort d'une rencontre des membres de l'exécutif de l'Association Libérale fédérale du comté de Pontiac-Gatineau-Labelle, qui a eu lieu à Ottawa, lundi le 17 décembre dernier.

Tout en rappelant que plusieurs centaines de personnes sont attendues à l'assemblée de nomination du 13 janvier prochain, et que rien ne sera ménagé afin de conserver le comté aux libéraux, les membres de l'exécutif de l'Association ont souligné qu'ils ont profité de la réunion de lundi pour manifester unanimement leur appui au député sortant, M. Thomas H Lefebvre, lequel a été élu pour la première fois à la Chambre des communes en 1965. Il a par la suite été réélu en 1968, 1972, 1974 et 1979.

Tout en se disant très heureux de l'appui massif lui a été manifesté par les membres de l'exécutif, le député sortant a profité de l'occasion pour annoncer officiellement qu'il posera sa candidature pour une sixième fois consécutive lors de l'assemblée du 13 janvier prochain.

Shawville Atom All-Stars sweep tournament

On January 5, 1980 Shawville Atom All Stars hosted their tournament and walked away with the Championship.

The first game saw Shawville trounce North Bay 9 to 0. Marcel Berard, Cory Smart and Tony Newberry scored two goals each. Chris Wrinn, Stuart Graham and Shaun Armitage added singles.

Renfrew defeated Muskrat 5 to 1 in the second game. Scoring for Renfrew were Troy Dubeau, Scott Hewitt, Tommy Gibbons, Matt Ferguson and Perry Crozier, Chris Baron scored the lone Muskrat goal.

The third game saw Canterbury win a close game on a goal by Bob Reynolds in overtime. Final score was Canterbury 3; Petawawa 2. Dave Walker and Joey Moore scored the other goals for Canterbury, Scott Coulas scored both Petawawa goals.

The final game in the first round saw Kirkland win over Deep River 4 to 1. David Boone, Marc Banning, Trevor Beggs and Chris Steward scored for the winners. Paul Jennings scored for Deep River.

North Bay shut-out Muskrat 4 to 0 to advance to the Consolation finals. Marc St Jules, Brian Freschette, Mike Levesque and Greg McCienaghan scored for North Bay.

Shawville advanced to the finals with a decisive 7 to 0 win over Renfrew. Cory Smart led the scoring with 3 goals, Shaun Armitage, Chris Wrinn, Jason Toole and Tony Hodgins added singles.

Deep River beat Petawawa 5 to 3 to take the other berth in the Consolation finals. Charles Sims led Deep River scoring with 2 goals. Tim Walker, Jeff Carriere and Paul Jennings added singles. Sean Whyte scored twice for Petawawa and Carman Cox added the third goal.

Kirkland squeeked past Canterbury in overtime. David Boone scored the only goal of the game to advance Kirkland to the finals.

Consolation final game saw Deep River victorious over North Bay 6 to 1. Jeff Carriere scored twice for Deep River with Charles Sims, Shawn Tallon, Paul Jennings and David Miller adding singles. Michael Ouellette scored North Bay's only goal.

In the Championship game Shawville defeated Kirkland 9 to 1. Shaun Armitage led the scoring with 3 goals. Cory Smart and Tony Hodgins counted each. Stuart Graham and Chris Wrinn added singles.

A most valuable player was chosen from each team for the tournament. Todd Bulmer was chosen from Muskrat, Troy Dubeau from Renfrew, Sean Whyte from Petawawa, Chris Corrigan from Canterbury, David Boone from Kirkland and Marcel Berard from Shawville.

We would also like to thank the Doctors and Nursing staff at both Ottawa Civic Hospital and Pontiac Community Hospital, for all their efforts.

To all clergymen who visited and offered prayers, we are thankful and especially to Reverend Jim Stevenson who was a constant support to us all.

And finally, there are not enough words to express our appreciation to old friends and neighbours who provided food and warm understanding and solace in the loss of our dear one.

Clarence Wall and all the family. 3983X1J9

IN MEMORY

ELLIOTT - In loving memory of my dear wife Elva who passed away January 13, 1976.
Peacefully sleeping resting at last
The world's weary troubles and trials are past
In silence she suffered
In patience she bore
Till God called her home to suffer no more
Missed by husband Hawley 3929XJN9

HOWARD - Cherished memories of our dear, Mother, Lila Howard who passed away January 22, 1976.
While you, dear Mother, rest and sleep,
Your loving memory we will always keep.
Lovingly remembered,
The Family 39193B1J16

KENNEDY- In loving memory of of a dear wife, mother and grandmother, Dorothy Kennedy, who passed away January 13, 1971.
No length of time will take away,
Our thoughts of you from day to day,
You live with us in memory still
Not just today, but always will.
Joe and family 39197B1J9

IN MEMORY

KEARNS- In loving memory of a dear husband, father and grandfather, Lorne Joseph, who passed away so suddenly January 6, 1979.
The time has passed and for 35 years
I lived my life with you
Though good and bad and even sad
We always saw it through
You left that day and even though
You never uttered a sound
I know, you're here to help me dear
I can feel you all around.
The things I miss are the simple things
Like missing your face and your smile
But I know some day you'll come my way
To walk me down God's aisle.
Wife Evangeline 3954XJ9

KEARNS- In loving memory of dear father, and grandfather, Lorne, who passed away suddenly January 6, 1979.
In a quiet country graveyard
Two loving hands are still
The one who did so much for us
Is resting at God's will
It's so lonely here without you dad
And sadness has been the way
For life is not the same for us
Since God called you away.
So many times we've missed you Dad
So many times we've cried
If love could have saved you
You never would have died.
Children and grandchildren 3954XJ9

MILJOUR - In loving memory of my father Maise Miljour who passed away January 2, 1979.
God looked around his garden,
And found an empty space,
He then looked down upon the earth,
And saw your tired face,
He put his arms around you,
He lifted you to rest.
God's garden must be beautiful,
For He takes only the best.
God knew that you were suffering,
He knew that you were in pain,
He knew that you would never get well
In this world again.
He saw the road was getting rough,
The hills were hard to climb,
So he closed your weary eye lids,
And he whispered "Peace be Thine"
It broke our hearts to lose you,
But you did not go alone,
For part of us went with you,
The day God called you home.
Sadly missed by
daughter Mrs Gedeon Dubeau, and son in law Gedeon Dubeau and grandchildren. 39174B1J9

MURPHY- In loving memory of dear daughter and sister, Barbara Anne, who passed away January 11, 1972.
Please God forgive a silent tear,
A constant wish that she were here.
Others were taken, yes, we know,
But she was ours and we loved her so.
Mom, Dad, Ron and Elaine 39173B1J9
