SUNDAY, JULY 1 - Canada Day will be celebrated in Shawville.

Calumet Island hosts massed church choirs

The Church choirs from around the Pontiac were brought together Sunday evening for the official opening of the 1979 Pontiac Culture Festival.

Mrs Romain played selections from Handel and Bach, including the ever popular "Jesu Joy of Man's Desiring". The evening was opened by Mr Joseph Taillefer who organized this entire part of the Festival.

Under the direction of Sister Marie-Laure, f.m., the choir of St Peter's in Fort Coulonge were the first singers on the program.

Second chorale to perform was the predominantly young group from St James, Portage du Fort directed by Miss Cathy Dunbar and accompanied by two guitars.

Roland Haley conducted the large choir from St John the Evangelist and Kay McGahren joined the organ in the accompaniments and the choir from the host church, Ste-Anne's, Joseph Taillefer was the conductor.

The closing part of the concert was performed by the choirs together under the direction of Taillefer, and it was here that Mr Marcel Fortin's fine solo voice was featured.

Pembroke paper features Pontiac uranium project

The lead story in the Pembroke Observer one day last week was concerned with a request by the Renfrew County Citizens for Nuclear Responsibility for a public hearing into the safety of Ontario Hydro's reactor in Rolphton.

But following this reactor safety story, the Observer carried a news item reporting that the Copco Mines Ltd. plans to spend \$400,000 on exploration and development of an uranium project in Huddersfield.

The company has, according to the Observer story, been carrying out preliminary exploration in the Huddersfield region for some months and phase one of the recommended program for the uranium development includes bulldozing, trenching and radon survey detail work to be followed by approximately 7,000 feet of diamond drilling.

The company is said to have found surface grab samples on this new showing assayed from 2.4 pounds per ton to 7.0 pounds per ton of U308.

Pontiac architecture at Archives

The National Architectural Archives of the Public Archives of Canada will have the Architectural Heritage of the Pontiac exhibition on show starting Wednesday, May 16th.

A Canada Works Project, this travelling exhibition has already been seen in several towns of the Ottawa Valley including Shawville, Fort Coulonge, Hull, Aylmer and Arnprior.

Campbell's Bay Community Center official opening

The Campbell's Bay Recreation Centre was officially opened at a special ribbon cutting ceremony during a well attended dance Saturday night.

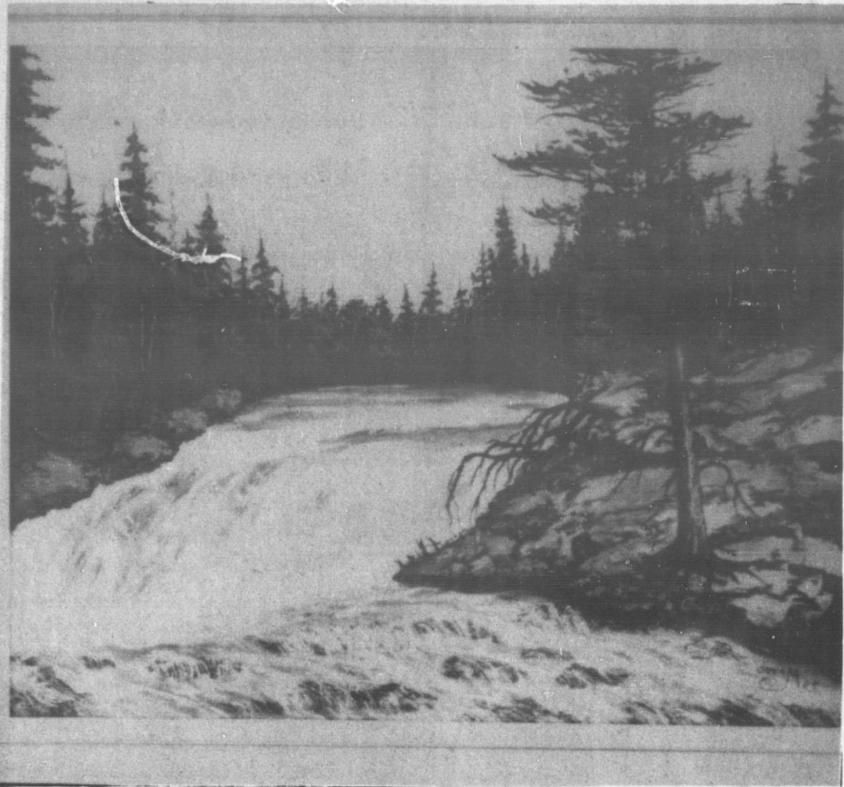

MacKechnie warns Orangemen civil liberties are threatened

The guest speaker at the Grand Lodge session in Shawville last weekend was Pontiac County's best known author and lecturer, S. Wyman MacKechnie.

MacKechnie said that as descendants of the early settlers of the Ottawa Valley our most valuable possessions are our traditions, including the speaking of our language.

The speech was well received by an auspicious audience which included James E Langabeer, Grand Master of Ontario East, Nelson E. Davis, Past Grand Master Ontario East, W.C. Tenney, Grand Chaplain, John Birch, Past County Master,

Kenneth Leacock and M. Frost, also Past County Masters. The Grand Lodge Officers elected for 1979 are Grand Master William J Johnstone, Deputy Grand Master, John Burke, Junior Deputy Grand Master Everett Arthurs, Grand Secretary William Cumin, Grand Chaplain Mirl Young, Grand Treasurer David T. Morrison, Grand Marshal Myriand Sparling, Grand Lecturer Ronald Jamieson, Deputy Grand Lecturer John Dagg, Grand Organizer A. Roderick Brown.

Art show in Shawville open until Wednesday

Three of the artists exhibiting in the Pontiac Culture Festival Art Show were photographed Monday evening. The complete show will be on view in the Shawville Community Center, upstairs, until ten p.m. Wednesday. René Latreille, who himself is one of the County's artists, has organized this part of the Culture Festival and accomplished a three-fold mission. First he has provided a showcase for twenty two painters whose work has never before been brought together. Second he has given an important role to Shawville as participants in the County-wide Culture Festival, with the assistance of the membership of the Shawville Rotary Club. Third Mr Latreille has provided proof that in Shawville there is a facility which can be used to display graphic arts and will be available for any future exhibits of artists which can be persuaded to travel this far from the large populated areas of Hull and Ottawa. The special stands for the art show were planned and constructed by the Rotarians and will be kept in storage to be used whenever another art show comes to town. Taking part in the show are the following artists: Nora Aspery, Orla Mee, Gertrude Boucher, Marg Michaud, Fred Bailey, Regina Leveris, Doris Barr, Diane Elder, Marie Paule Côté, Alice Ryan, Lorne McLean, Jean Cuthbertson, Sandra Lemaire, Shirley Murphy, Valerie Henderson, Mel Kehoe, Josie Tipping, Elke Wills, John Langford, Lu McDowell, J. René Latreille, Lucille Howard, Cecil Walls and Muriel Bronson.

Student services program

Starting on May 3, 1979, the Canada Employment Center will offer a complete student services program. The project officer will be Michel Paquette and he may be reached by dialing 648-5812

United-Anglican vacation bible school

On April 30, 1979 a meeting was held in the Shawville United Church with Rev Ed McCaig and members of the Anglican and United Churches to plan the 1979 Vacation Bible School.

The Bible School welcomes all children 4 years and up and will be held August 20 to the 24th from 1 - 4 each afternoon in the United Church.

Next meeting will be Monday, May 14th at 7:30 pm in the United Church Hall. We invite anyone interested in helping at the 1979 Vacation Bible School to please attend this meeting.

Otter Lake

by Mrs Augusta Krutz

The Zion Ladies Aid held their May fourth meeting at the home of Mr and Mrs Fred Stienkie.

Treasurer, Mrs Paul Bretzlaff gave her report which was also approved by Mrs W Yach.

The President- Mrs Walter Yach had a warm welcome to all and thanked Mrs Stienkie for having the meeting at her home.

Rev Kappas opened the meeting with a prayer. Psalm 95 was read by all. The Lord's prayer was said responsively. Two hymns were sung.

The President, Mrs Yach proceeded with the business meeting. Nine members were present and some visitors.

The Secretary, Mrs Minnie Shrankler read the minutes. They were approved as read by Mrs Martha Schwartz, seconded by Mrs Gustave Yach.

The meeting was adjourned by Mrs Charlie Schroeder. The highlight of the evening was the showing of slides by Rev Kappas and also celebrating Mrs Adolph Schwartz' 80th birthday. She received many lovely gifts. A lovely birthday cake decorated with candles was baked by Mrs Minnie Chrankler. Everyone sang Happy Birthday. Mrs Schwartz thanked everyone for the lovely gifts. A delicious lunch was served by the hostesses Mrs Fred Steinkie and Mrs Myrtle Richard.

Waltham Review
Mrs. Arthur Labelle

George Campbell, Toronto spent the weekend with his parents George and Marie Campbell.

Mr and Mrs John Bastien, Noranda, are visiting Mrs Cora Laundry and other relatives here.

About thirty-five CWL MEMBERS ATTENDED THE ANNUAL CWL banquet at the Waltham Hotel on Tuesday evening following celebration of the Eucharist at Our Lady of Perpetual Help Church by Rev Peter Proulx. The new executive held the May meeting in the Church Hall following the banquet, after which an evening of card playing and other games was enjoyed by all. This social hour was convened by Mrs Lola Boisvert, Membership Convenor.

The Misses Mary Lou and Darlene Durocher of Ottawa spent some time with their mother Mrs Helena Durocher.

Mr and Mrs Len Dupuis motored to Richmond on Tuesday to attend the Confirmation services at St Philip's Church under His Excellency Bishop Plourde. They were sponsors for their grand daughter Lorelei Denault, daughter of Mr and Mrs Ken Denault.

Charteris Chronicle Mrs. Norval McNeil

Get well wishes to Mrs Reuben Harris, who is confined to hospital with a heart attack. We all join in wishing you a speedy recovery Velma.

Belated anniversary wishes to Rev and Mrs Harry Bowkett- wishing you many more years of health and happiness.

Sorry to hear Mr Mosie Murphy is back in the Civic Hospital again. We wish you all the best.

Sympathy to the Turcotte family in the death of the late Mr James Turcotte who passed away last week.

Mr and Mrs Myrland Sparling of Brockville spent the weekend with Mr and Mrs Chas E Smith and Mrs Sparling visited her sister Velma Harris who is in Pontiac Community Hospital.

Get well wishes to Mr Jacques Vilon who was in the Civic Hospital and had surgery.

Birthday wishes goes out to Mrs Eileen Smith, Miss Murce Cluff, Norval McNeill, Phyllis Stafford, Mabel Lance, Mrs Nathan Dagg and Willie Lang, all who have birthdays in the next two weeks.

Marlee DeLombardy, Eric Campbell's Bay visited Saturday with Cora and Phyl Gabriel of Norval McNeill.

Remember her this Mother's Day

GOD BLESS YOUR HOME
and
SAVE IT WITH A SMOKE DETECTOR

This is not a paid commercial for smoke detectors. In fact we don't even sell smoke detectors but they can be bought at a number of stores in Shawville and in towns through the County. All we have to say here is that several of the recent bad fires in this area could have been completely avoided with the use of a smoke detector.

When there is smoke, from burning food on the stove, or an overheated iron, or a cigarette dropped, or an article of clothing or curtain touching a light bulb, or whatever, the smoke causes the smoke detector to sound an alarm. The alarm is usually in the form of a loud and unusual buzz which is so demanding it must be noticed. You have to clear the smoke so the buzzer will stop shouting at you. When the source of the smoke is found, and the problem is corrected, then you just reset the smoke detector to save you another time.

Nobody in his right mind would rather suffer a ten or twenty thousand dollar fire than spend ten or twenty dollars on smoke detectors. You might think that it is only other people whose places go up in flames, never yours. Well you might be surprised, as everyone always is when it's their turn to wake up in the middle of the night to the sound of crackling flames.

At best the loss in the case of a fire is only one of material possessions. The worst that could happen is the loss of a life, or of several lives. But even in the case of property loss, it takes so long to replace what is lost, and in the case of special things, heirlooms, personal treasures, these are never replaced. It also costs a lot to get the fire department out to fight these fires.

This is the week of the Shawville Volunteer Firemen's Annual Ball and this year they have Mac Beattie lined up for the music so the McDowell School gym will be a lively place Saturday night. Buying a ticket for the Ball is one way to say thank you to the firemen.

But the best present you could possibly give the firemen would be to prevent those fires in the first place with the use of a smoke detector. It can be very depressing for these men to fight a stubborn fire and finally discover that thousands of dollars of property have been ruined by a fire which could have been detected and put out by the owner within minutes, if they had only had a smoke detector on the premises.

God may well Bless your Home, but there are times when only a Smoke Detector can Save it!

This isn't new but it's pertinent

The following ideas have been put forward and mailed to THE EQUITY by a person who wishes to remain anonymous but who is interested in increasing attendance at the various churches. The suggestions are for any church whose attendance is falling off.

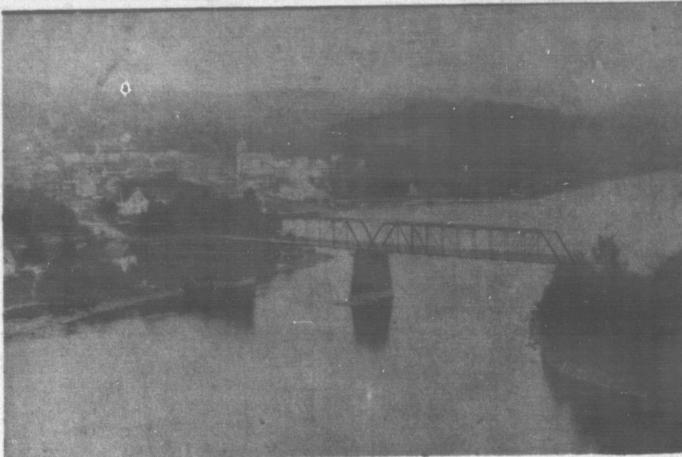

Provide cots for people who like to sleep in on Sundays.
Pass around eye drops for people whose eyes are still sore from late Saturday TV.
Give hard hats to people who say "the roof will fall in if I ever go to church."

Have blankets and fans for people who think the church is too cold or too hot; and hearing aids and ear plugs for people who think the preacher speaks too softly or too loud.
Put pencils and pads in each pew for people who want to take notes on who's there, what they're wearing, who isn't there, which ones are hypocrites, etc...

Remove a section of the roof for people who like to spend Sunday outdoors.
Decorate with poinsettias and Easter lilies for those who have never seen the church without them.

Hand out TV dinners as the congregation leaves for people who can't organize a meal and go to Church on the same day.

(THE EQUITY welcomes further suggestions, which do not necessarily have to be comical but could also be serious. The large number of people who do attend church for positive reasons are invited to submit some of these reasons and we'll publish them for the benefit of all.)

Mr Bill McTiernan of Campbell's Bay is one of those fortunate people who has kept photographic records of early days in the County. To him we are indebted for this selection from his valuable collection.

The old bridge between Bryson and Calumet Island.

Uranium: its risks are great . . . leave it in the ground!

When plans were uncovered to operate an open-pit uranium mine at Clearwater, on the North Thompson River in British Columbia, some facts were published in the Vancouver Sun which seem pertinent at this moment in Pontiac County.

The mine, they said, would provide work for about 80 men for five years after which radon-222 would continue to be produced from the uranium tailings for more than a million years, with its consequent health effects on living creatures.

A study of uranium miners in Germany and Czechoslovakia in the 30's showed that 65 percent of the miners, who numbered about 5,000, were dying of lung cancer.

A later study showed that half of the miners' deaths between 1935 and 1939 were from lung cancer and 80 per cent of the remainder were from lung diseases such as tuberculosis, silicosis, emphysema and chronic bronchitis.

In the 50's and 60's the scene was re-enacted in the Colorado mines of the U.S. In a speech in Washington in 1967, atomic consultant Leo Goodman stated that more than ten thousand miners had been exposed to sufficient radiation to give a statistical chance of 60 per cent of developing cancer following the latent period of seven to 27 years.

Over the years the mills had sold or given away their radioactive wastes for use as landfill beneath schools, stores and houses. These wastes, known as tailings, emit the same radon gas that causes the high lung cancer rate among miners.

Because the radon gas seeps up through the building foundations, the inhabitants were breathing indoor radon.

When the scandal broke into headlines, the U.S. Federal Radiation Council pointed out that there is risk in everything and that mines were important to the economy, to national defence which needed uranium for bombs, and that the country needed atomic electricity. These were the benefits. The risk was the death of the miners.

According to the Vancouver Sun article, Canada has learned nothing from all this except to hide the hazards from the miners.

In the operation of an open-pit mine, both the silica and radiation will be accessible to the lungs of the miners and also in dry weather the dust will blow over the adjacent landscape and its inhabitants, and when it rains it will be washed into rivers and their food chains.

Letters from our readers

Dear Editor -
Regarding the debate between Mr Sant Singh, candidate for the Progressive Conservative Party and the Liberal candidate and the candidates of other parties, it is TRUE that we requested a debate in Fort Coulonge at a time and date to be negotiated by the candidates.

The liberal candidate accepted without hesitation but ON CONDITIONS that the debates will take place in Ferme-Neuve, Gracefield and Vinton or Bryson, at the particular time and dates fixed by him and ON THE CONDITION that we reply within 24 hours.

He did not want to accept any compromise or change in the choice of time and place, knowing very well that it would be almost impossible for Mr Singh (and for the other candidates) to be available for each of those specific dates. After all Mr Singh also had a busy schedule to meet and previous commitments.

Mr Singh had told us that he was available for two dates within the time frame given by the liberal candidate, i.e. May the 3rd and May the 13th.

To say that we did not agree that the debates should be held in all three sectors of the constituency is totally WRONG.

But from the dates chosen by the liberal candidate and those suitable to Mr Singh, two dates were in accordance. We suggested one debate on the 3rd of May in Maniwaki and the other on May 13 at Fort Coulonge. But the liberal candidate did not want to have anything to do with two debates. We also suggested that a third debate may be held in Mont-Laurier.

The liberal candidate responded that he did not want to have anything to do with any of our suggestions or ideas and again repeated his instructions that he wanted the reply to his proposal of May 2 or 5 - Ferme Neuve, May 7 or 8 Gracefield, May 14 or 15 - Vinton or Bryson, before Saturday noon April 28th.

It is quite obvious that the liberal candidate refused to negotiate or cooperate on the subject of debates between candidates. We, undersigned, John Lafrenière, Jean-Paul Laporte, James Newberry and Gérard Romain, are members of the committee, chosen by the people of Fort Coulonge, for the election of a Progressive Conservative Candidate in Fort Coulonge.

Fort Coulonge, May 5th, 1979

"Biomass" a term with a future

The term biomass has crept into our energy vocabulary in recent times and if current interest is any indication it will find a permanent home in the dictionaries of the future. Energy derived from wood or other forms of biomass offer a significant alternative to traditional fuels as resources diminish. It is estimated, for example, that some 200,000 Canadian homes now use wood as their primary heat source. That does not include the use of fireplaces, which are highly inefficient.

But what is included in the term biomass? It is chemical energy derived from the sun and stored in plants and animals. It can be converted into useable fuels, electricity or heat. It is the wastes from crops, livestock, municipalities and forests. Or it need not be waste at all. Crops of trees, kelp, algae or corn can be grown specifically for the purpose of providing energy.

The main attraction of such energy forms is that they are renewable, unlike petroleum, coal, gas and uranium which face eventual depletion.

The importance of this partially tapped energy resource is reflected in the federal government's recent announcement of development funding for biomass technology. Over the next seven years a total of \$333 million will be made available to help develop the new technology. This will consist of \$143 million to assist the forest industry in the purchase of new equipment to make fuller use of wood waste; loan guarantees in the amount of \$150 million to broaden the

use of biomass in electrical generation; and, approximately \$40 million in expanded research and development and the demonstration of innovative techniques.

Canada's vast forest areas have always been an economic mainstay. Now, as attention is focussed on biomass energy, a return to wood as a fuel promises to benefit the forest industry to an even greater extent if the technology is developed soon. Despite the fact that the forest industry wastes one third of the wood it cuts, it still produces 3.5

per cent of the country's primary energy by burning waste. This is more than is generated by nuclear reactors. Scientists at the Department of Energy, Mines and Resources forecast a doubling of the woodfuelled energy. This would make the industry, now the country's biggest single consumer of petroleum products, more than self-sufficient in energy by 1985. It could build a new sideline for certain companies in supplying electricity and heat to nearby communities.

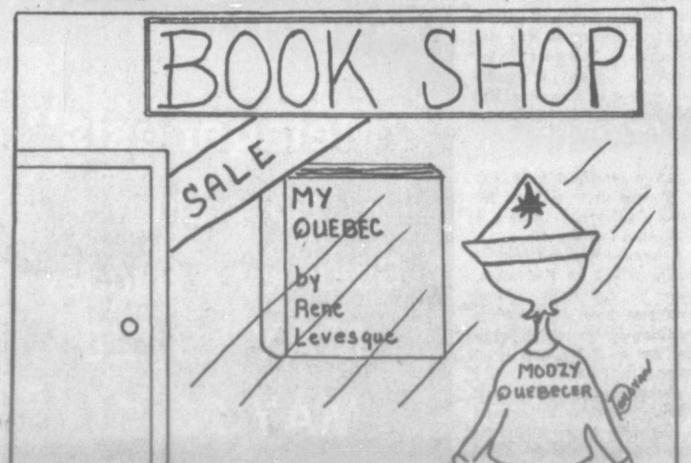

The demand of this huge industry for energy coupled with a response to the challenge to increase the use of wood fuel is expected to breed an advanced technology which will put Canada in the forefront of biomass technology.

The federal government is working with the provinces to encourage and refine the technology and is funding research and development which will speed the switch to increased wood-fuelled processing operations. A second phase of the program will tackle the current waste and encourage use of the whole tree - limbs, leaves and all.

This material could find its way into a revived chemical industry with interesting long-range energy features.

As the world nervously enters the twilight of the petroleum age, it is perhaps ironic that lumbering, which spurred Canada's growth during the last century is being called upon once more to lead us into the next.

Waltham Knox family anniversary

Review

Mrs. Arthur Labelle

Congratulations to Stanley and Lydia Marion and Margaret and Mike Heas, Oakville, Ont. for their new grand daughter, born to Loyola (Moose) and Anne Marion, Ear Falls, Ont., a sister for Louisa. Her name is Eileen Mary. Her dad works at Firestone Tire and Griffith Mine. They all hope to visit their Waltham relatives in the near future.

A baby shower was held at the home of Janice Williams on April 23rd, hosted by Janice and Carol Bolduc. The new baby received many lovely gifts for which appreciation was expressed by the mother. Games and a lovely lunch were enjoyed.

Mrs. Cecile Gagnon spent a week at her son's home, Valmore Gagnon in Montreal recently. She also visited in Aylmer with her son Déha.

Caldwell Clarion

Mrs. Manson Sharpe

About this time last year preparations were being made for the celebration in Montrose of the 100th anniversary of the arrival of the Robert Knox family from Canada. Since a number of the Knox clan remained in and around this area the celebration was of considerable interest here, as reported by Mrs. Sharpe in her regular column from Caldwell. This photograph of some of the participants of that great reunion was taken at the time and finally, almost one year later, has found its way into THE EQUITY.

Ladies broomball

McKale's B.P. received a trophy for winning the ladies championship for 1979 in the Ottawa City Broomball league. They met the Pontiac Raiders another team from the Valley. In their first meeting the Raiders were blanked 9-0 and in their return match the B.P.'s came out on top again by a score of 5-1. The Raiders again have to look forward to next year before they can attempt to dethrone McKale's B.P.

(Lora Lee Sloan)

Waltham Review

Mrs. Arthur Labelle

Reverend Gerard M. Ginnis Waubashene, Ont. visited the Art Labelle's recently.

At the Mass in honor of Our Lady of Good Counsel on Thursday, April 26 the new executive of the Catholic Women's League were installed in their different positions by Reverend Peter Proulx Director.

Mosquito All Stars finalists at Aylmer

April 28th and 29th the Mosquito All Stars played their final games of the season. On April 28th they met the Aylmer Lions and were victorious by a 5 to 1 score. Goalgetters were Craig Hamelin with two assisted by Mike Smart on his first and Danny Desabrais on the second. Mike Smart potted two with assists from Craig Hamelin and Richard Francoeur scored unassisted. Craig Hamelin was voted offensive player of the game for Shawville and Corey MacIntyre the defensive player of the game. Danny Egan and Chris Angus shared goaltending duties in the victory.

On Sunday, April 29th they met North Gloucester in a hard fought battle which ended in a one all tie after regulation time.

Mike Smart getting Shawville's lone marker assisted by Danny Desabrais. Penalty shots were to decide the victorious team. After four shots by each squad Shawville came out on top with a 3 to 2 advantage. Scoring for Shawville were Mike Smart, Richard Francoeur, and Danny Desabrais. Corey MacIntyre hit the post on his attempt. Chris Angus stopped two of four efforts against him. Danny Desabrais was voted M.V.P. of this contest. The boys were now in the "A" Final and the opposition was the Aylmer "A" team. The Aylmer squad gaining revenge by a 4-0 count. The All-Stars had defeated Aylmer in the "B" final at the Shawville tournament in February. Shawville carried the play to Aylmer for most of the first two stanzas, however, were unable to get the puck past a hot Aylmer goalie and were down 2-0 at the end of two.

Craig Hamelin received the M.V.P. award of this game for Shawville. The boys participated in five tournaments this year winning two "B" Finals, losing in two "A" Finals and a "B" final. They made the finals on each effort and are to be commended for their fine play and good sportsmanship throughout the year.

Claire Lunam demonstrates our new Xerox copier

We have a new photocopier at the Printshop. It copies onto regular bond paper. On both sides of the sheet. It can do other things too like make size reductions of 38% and print on sheets as large as 14 x 18. Our new machine prints at a rate of about one every three seconds, so for most work we can make your copies while you wait.

Our Xerox 3107 is great for duplicating financial statements, reports, briefs, submissions, theses, church calendars and almost anything else you can think of.

Try our bond-copy service for yourself. Single regular-size copies are still 25 cents each, with lesser costs per copy for larger quantities.

Pontiac W.I. annual

The annual convention of the Pontiac Co. W.I. was held at Beech Grove April 28, 1979.

Mrs Poole, Co. President, opened the meeting by welcoming the members and guests followed by repeating the Collect and singing O Canada and God Save the Queen with Miss Ellen Bronson at the organ.

A minute of silence was held in memory of deceased members followed by prayer.

The roll call was that each Branch stand to be counted. Approximately fifty ladies in all.

The minutes of the semi-annual convention were read by Mrs Duff and stood approved.

A card of thanks was read from Mrs E Findlay on receiving an Abbie Pritchard Throw.

The treasurer's book was audited by Mrs Rena Graham and Mrs P Carmichael and found to be correct showing bank balance of \$186.

The reports of the County Convenors were most interesting and proved our ladies have been active in working for Home and Country. Pennies for Friendship have been collected.

Ditty bags and knitting to Save the Children Fund. Large amounts of money was donated to the hospital and home on the hill. Gifts given to shut-ins, bibs for the Ade Home, and toys to the Hospital for children's ward and many other things too numerous to mention.

Mrs Poole thanked the convenors for all the good reports and hoped that we would pursue the good work another year.

It was moved by Mrs Bronson and Mrs A Tracey that Mrs Kilgour's nomination as Prov. President and Mrs N Rabb's nominations as Provincial Health and Welfare be forwarded to the Provincial nominating committee to be accepted.

A letter of thanks was read from Save The Children's Fund. Letters of importance were read from Mrs Kilgour, Provincial President, and Mrs Poole asked Mrs Kilgour to elaborate on some of the facts. Branches are asked to send money to the Adelaide Hoodless Fund. Make book marks for gifts and have two articles for sale at F.W.I.C. which is being held this year in Saskatoon, June 20-29 to which a few of our members will be attending.

Money for land rover and service fund also required. Branches are asked to read their handbooks and send names of new members to Mrs Kilgour.

Mrs H Routliffe brought up a discussion concerning J & P Coats Exhibits but as no change could be made this year discussion closed.

Mrs C Knox, President of Clarendon W.I. presented a gavel and inscribed stand to Mrs Poole, County President in memory of Mrs Harold Hodgins who had been a very active member in W.I. work and held various offices during her life time. Mrs Bob Hodgins and Mrs Sterling Hodgins were there for the presentation and pictures.

It was moved by Mrs H Routliffe and seconded by Mrs I Graham that the Institute hosting the Convention meeting provide the meal for the guest speaker.

The Beech Grove W.I. ladies served a delicious dinner so a special thanks to them.

The afternoon session began at 1:30 pm by singing the Ode in unison.

Mrs Hudson of the Quyon W.I. introduced the guest speaker, Miss Joan Gavan, R.N. Superintendent at the Pontiac Community Hospital, who gave an interesting talk on The International Year of the Child followed by a film showing how Children's Hospitals are preparing children for operations. The idea is to off-set the drastic fear children have of hospitals, doctors and nurses. The family is also taken into this preparation to make it easier for them to cope with the after-math.

Miss Gavan issued an invitation to any one interested in Child's Welfare to attend a meeting May 8 at 2 p.m. in the Anglican Church Hall. There will be a guest speaker from the Ontario Children's Hospital.

Mrs Norma Graham judged the J & P Coats articles to be sent to Macdonald. There were two quilt tops, two tote bags and one bib apron.

Mrs June Emerson, chairman of the nominating committee, read the slate of county officers for the year 1979-80 as follows:

Past President Mrs H Rabb, Fort Coulonge, President Mrs V Poole, Beech Grove, 1st Vice Mrs R Hudson, Quyon, 2nd Vice Mrs P Komm, Quyon, Secretary Mrs D Duff, Bristol, Treasurer Mrs H Elliott, Shawville. Convenors- Agriculture Mrs Garth Graham, Quyon, Education- Mrs G Colton, Fort Coulonge, Home Econoimes- Mrs P Carmichael, Bristol, Health

Vanning Vacation

Carpet squares make it easy to install luxurious carpeting and installing wood paneling doesn't require a pro.

You can make your van as convenient as you want, thanks to the specially designed stoves, refrigerators, toilets and seats that convert into beds, available at van accessory stores.

If you're planning to go vanning this summer, now's the time to customize your vehicle into a real home-away-from-home.

There are so many exciting ways to convert vans that there's no need to "rough it" any more when you take to the open road.

& Welfare- Mrs Elwyn Lang, Shawville, Citizenship- Mrs C Knox, Shawville, Publicity- Mrs Roland Graham, Bristol.

Mrs Kilgour installed this slate of officers for 1979-80. Motion by Mrs Clark and Mrs C Wilson that the Institutes get programs printed for 1979-80. Mrs Duff to look after same.

Moved by Mrs Hudson and seconded by Mrs I Graham that Mrs C Knox arrange for a bus to Macdonald for the 65th Institute Convention on May 30. Members are invited to attend.

The County Home Economics and Agriculture convenors are to obtain a hostess for Shawville Fair.

The Bristol W.I. will host the semi-annual meeting to be held October 17 at 8 p.m. The meeting will be held in the Bristol Memorial Church.

Meeting adjourned after an enjoyable day.

Ten ways to kill an Institute:

ELLISON'S GREEN HOUSES

- SPEAKERS -

SANT SINGH, P.C. Candidate

HON. RAY JOHNSTON

MEETING at

St. Paul's Anglican Church Hall

Shawville, Que.

Monday, May 14th

at 8:30 p.m.

Sant Singh, Progressive Conservative Candidate will be present to meet you, to discuss policies and answer your questions.

Published by John Bennett, Official Agent, Wolf Lake, Que.

KNOW YOUR CANDIDATE

I am married to the former Micheline Barbeau and we live with our two sons, Eric and Alec, on a small farm in Ste. Cecile de Masham, La Peche, in this constituency.

After graduating from McGill's School of Economics, and Political Science of Montreal with a Master's Degree, I became an aide to former Prime Minister John Diefenbaker.

For more than 10 years, I have been an economist with Health and Welfare Canada, where I have conducted research in the field of health services in Canada.

My keen interest and initiative in farming in the region have been demonstrated: last year I conducted an experiment in developing new cash crops by growing mustard seed under contract on 12 acres on my farm. The experiment attracted the attention of many farmers from miles around.

My years on parliament Hill and in the Canadian public service have provided me with the broad experience necessary for your next Member of Parliament finally to accomplish some results for our community both through Parliament and the federal bureaucracy.

For too long, the people of this constituency have been treated like inhabitants of some remote, unimportant frontier land, instead of the constituency next to Parliament. The Liberal Member for this riding has actually said in the House of Commons: "The problems these people (of the Yukon and the North West Territories) are facing are almost of the same nature as those of my electors..."

As your Member of Parliament, I will be available and at your service, to help improve your way of life. Using all the resources available from governments, I will promote tourism, seek industry, and help increase jobs in Pontiac, Gatineau and Labelle.

My commitment to the people of Pontiac, Gatineau and Labelle has led to a successful defence of the rights of the individual.

In 1974, I was the Progressive Conservative candidate for Member of Parliament for this constituency. After the election, I returned to my position as an economist in the public service.

Without going into lengthy details of a four-year struggle for citizens' rights, these newspaper headlines from across the country tell the story briefly:

- "Politics cost promotion" - Toronto Globe & Mail
- "Health Department Blasted on Denial of Employee Rights" - Ottawa Citizen
- "(Sant Singh) wins Public Service Appeal" - Ottawa Journal
- "The Government is ... the villain ..." editorial, Ottawa Citizen
- "How Ottawa punishes an employee" - Toronto Sun
- "Ottawa seating over public service politics case" - Edmonton Journal
- "Civil servant wasn't treated fairly -- Federal Court" - Toronto Globe & Mail
- "Sant Singh ... is a fighter" - Frank Howard, Ottawa Citizen

May 22nd is your opportunity to vote for member of Parliament who will fight for your rights!

Sant Singh

LEADER OF THE OPPOSITION - CHEF DE L'OPPOSITION

April 28, 1979

Mr. Sant Singh
R.R. 2
Ste. Cecile de Machan, P.Q.

Dear Mr. Singh:

I would have liked to come to your constituency to speak on your behalf, however, this has proved impossible during the campaign.

I was told that there were about five hundred people at your nomination meeting and this is indeed an indication that the people of Pontiac-Gatineau-Labelle are tired of eleven years of Pierre Trudeau.

I truly believe that if elected on May 22, you will serve your constituents well and effectively.

With best wishes to you and your workers.

Yours sincerely,

Joe Clark

HOUSE OF COMMONS CANADA

THE RT. HON. JOHN G. DIEFENBAKER, C.H. Q.C. M.P.

April 30, 1979

Dear Sant:

I should like to congratulate you on winning the P.C. nomination in the constituency of Pontiac Gatineau Labelle. Your experience within the Government of Canada as an economist and in my office on Parliament Hill prior to that will enable you to serve your constituents most effectively. It is my hope that you will be given that opportunity.

With every good wish for success in the coming election, I am

Yours sincerely,

John G. Diefenbaker

Mr. Sant Singh,
R.R. #2,

A LA PAGE

Nos lecteurs nous écrivent

Fort-Coulonge, 5 mai 1979.

En ce qui concerne le débat entre Mr Sant Singh candidat du parti Progressiste Conservateur, et le candidat libéral et les candidats des autres partis c'est VRAI que nous avons demandé la tenue d'un débat à Fort Coulonge à une date et à une heure à être fixées entre les candidats.

Le candidat libéral a accepté sans hésitation MAIS A CONDITION QUE les débats aient lieu à Ferme-Neuve, Gracefield et Vinton ou Bryson, aux dates et aux endroits précis qu'il avait lui-même fixés et A LA CONDITION QU' une réponse lui soit donnée dans les 24 heures.

Il n's pas voulu faire aucun compromis ou changement quant aux choix des dates et des endroits sachant très bien qu'il serait presque impossible que M. Singh (et les candidats) puissent être disponibles pour chacune de ces dates spécifiques. Car tout de même, M. Singh aussi a un horaire très chargé et des obligations à rencontrer.

M. Singh nous a dit que parmi les dates qu'il avait de disponibles deux de ces dates coïncidaient avec celles données par le candidat libéral, soit le 3 mai et le 13 mai.

Dire que nous n'étions pas d'accord à ce que les débats devraient avoir lieu dans les trois secteurs du comté est totalement FAUX. Mais selon les dates choisies par le candidat libéral et les dates disponibles de Mons. Singh seulement deux dates correspondaient. Nous avons donc suggéré un débat le 3 mai à Maniwaki et l'autre le 13 mai à Fort Coulonge. Mais le candidat libéral ne voulait pas participer à deux débats seulement. Nous avons aussi suggéré qu'un troisième débat pourrait avoir lieu à Mont-Laurier. Le candidat libéral a répondu qu'il ne pouvait pas prendre en considération aucune de nos suggestions ou nos idées et a répété ses instructions à l'effet qu'il voulait une réponse à sa proposition de: 2 ou 5 mai - Ferme-Neuve, 7 ou 8 mai - Gracefield, 14 ou 15 mai - Vinton ou Bryson d'ici le samedi 28 avril.

Il est évident que le candidat libéral a refusé de négocier ou de coopérer au sujet de l'organisation de débats entre les candidats.

Nous soussignés, John Lafrenière, Jean-Paul Laporte, James Newberry et Gérard Romain, membre du comité local, choisis par les gens de Fort Coulonge, pour l'élection du candidat Progressiste Conservateur dans Fort-Coulonge.

Concours d'oeuvres d'art

Hull, le 4 mai 1979 - La Société d'aménagement de l'Outaouais annonce qu'elle lance à compter d'aujourd'hui un concours d'oeuvres d'art pour l'intérieur de l'Aérogare de Gatineau.

Le concours est ouvert à tous les artistes ou artisans domiciliés dans l'Outaouais. Toutes les disciplines, toutes les techniques et tous les matériaux sont acceptés (sculpture, peinture, gravure, murale de verre, photographie, émaillerie, céramique, tapisserie, etc.).

Le budget global pourra être alloué à un ou plusieurs artistes ou à un ou plusieurs projets.

Toute personne intéressée au concours doit présenter sa ou ses propositions sous forme de maquette ou d'esquisse au plus tard lundi le 28 mai 1979 à 14 h, au siège social de la S.A.O., 768 boulevard St-Joseph à Hull.

On peut obtenir plus de renseignements concernant le concours d'oeuvres d'art ainsi qu'un exemplaire des documents de participation en communiquant avec monsieur André Desmarais à la Société d'aménagement de l'Outaouais, 770-1500 poste 241.

Où se procurer le permis de chasse à l'ours

Les chasseurs d'ours noir désirant obtenir immédiatement un permis de chasse pour la présente saison, devront s'adresser à un agent de conservation de la faune. Afin d'éviter les déplacements inutiles, on leur

suggère de communiquer au préalable, avec le bureau de la Conservation de la faune le plus rapproché de leur domicile. Pour obtenir le numéro de téléphone, il suffit de consulter l'annuaire téléphonique sous la rubrique Gouvernement du Québec,

Tourisme, Chasse et Pêche, Conservation ou Protection de la faune.

Toutefois, le permis de chasse à l'ours noir sera disponible à compter du 1er juin 1979 chez les dépositaires habituels de permis de chasse. Le nouveau permis de chasse est émis au coût de \$5.25 pour les résidents et de \$25.50 pour les non-résidents.

O M 9

LAFLEUR - A la douce mémoire d'une mère, Emilia, décédée le 10 mai 1978. Une année a passé depuis ton départ. Sache, chère maman, que ta bonté et la sagesse que nous laissons percevoir ton visage et ton cœur, n'ont pu que laisser un grand vide autour de nous. Vous, qui ne connaissait point d'ennemis, l'amour et la tendresse que vous nous avez si bien enseignés, nous rendent heureux à la pensée. Pour nous tous, vous êtes toujours présente dans nos cœurs. Charitable et adorable, toujours prête à aider, sachez que nos pensées et nos idées se reflètent au travers de la grande femme que vous étiez. Nous ne vous oublierons jamais. Une messe anniversaire sera célébrée le 10 mai 1979, à 9:00 am à Bryson.

Théo, Denise et famille 33588M9

Inauguration de la bibliothèque municipale de Campbell's Bay

Vendredi le 20 avril, eut lieu l'inauguration de la "nouvelle" bibliothèque municipale de Campbell's Bay. On dit "nouvelle" parce que notre bibliothèque municipale a fait peau neuve. Nous avons décidés, nous les responsables de la bibliothèque, de rénover cette dernière. C'est pour cette raison que les abonnés, ont du être privés du service de prêt de volumes pendant plus de trois semaines. Mais maintenant la bibliothèque municipale de Campbell's Bay est ouverte aux citoyens de Campbell's Bay et Litchfield, et les heures d'ouverture demeurent les mêmes qu'avant, c'est à dire le mercredi de 16:30 heures à 18:00 heures et le vendredi de 19:00 heures à 21:00.

Bibliothécaire Jean-Pierre Landry avec une petite liseuse, Mile Sally Crawford. Photo Studio Andree.

Présents à l'inauguration, il y avait M. Cecil Vibert, Maire de la municipalité de Campbell's Bay et sa femme, M. André Bellerose et Mme Francis Senior, conseillers de la mairie, M. et Mme Ernest Dagg, qui sont les fondateurs de la Bibliothèque Municipale de Campbell's Bay et qui ont été les responsables de celle-ci pendant plus de 10 ans et finalement, les parents de responsables de la bibliothèque. Tous ont pu déguster un vin et fromages tout en admirant les travaux de rénovations qui ont été faits. Plus tard sont venues d'ajouter à la fête, des membres de la bibliothèque, de même que d'autres membres de la mairie.

Service étudiant

A compter du 3 mai 1979, le Centre d'Emploi du Canada débutera son service étudiant.

L'agent de projet sera Michel Paquette et il offrira tous les services de la Commission d'Emploi et de l'Immigration à la population étudiante.

En signalant 648-5812, vous pourrez le contacter.

Nous sommes fiers de notre nouvelle bibliothèque municipale, et nous invitons le grand public à devenir membre de cette dernière. C'est très simple et c'est absolument gratuit. Vous n'avez qu'à vous présenter aux heures d'ouvertures et de nous dire que vous aimeriez devenir membre de la bibliothèque. Nous avons une grande sélection de romans, de documentaires et de livres d'enfants de même que nous avons de jouets, des disques et des oeuvres d'art à vous prêter. Donc venez en grand nombre à la Bibliothèque Municipale de Campbell's Bay qui est située dans le centre des services sociaux, l'édifice du Conseil de Planification Social, en arrière du bureau de poste.

Ken Hobbs graduates

Ken Hobbs graduated from R.C.M.P. Academy in Regina, Sask. on April 23, 1979. He is the son of Gerald and Doris Hobbs of Aylmer and the grandson of Mr and Mrs Eric Sullivan of Campbell's Bay.

Quyon notes

A great loss was suffered by the Hugh Hammond family Wednesday morning. They lost their barn plus calves and some cows, feed and I am sure a lot of other valuable articles, by fire. A passerby noticed the fire and alerted them, otherwise they might have lost their entire herd.

Congratulations to Tommy and Laurentia Fraser on the birth of their baby. Mr and Mrs Cal Cummings Sr attended the First Communion service of their grandson Keith, Sunday, May 6. Keith is the son of Garry and Shirley Cummings of Bryson, Quebec.

Beware of friendly foxes they are probably rabid. One called on Tommy and Katie Dolan but ran off when Katie went outside to get the dog, another one trotted down the road beside Francis Daley near his home. He said it was very scruffy looking but didn't try to bite him.

Happy birthday to Mrs Frank Roy who will be 82 on May 12 from her family.

The water has receded quite a bit in Quyon, but it will take some time before it is all dried up and people can get back to normal. Some had to move out on account of the dampness and cold.

Bob Haskins a one time resident of Quyon visited Bernard and Agnes O'Hara on Saturday evening.

Get well wishes to Mrs Bertha Daley a patient in the Civic Hospital. Mrs Daley was a one time resident of Quyon. She is the mother of Bob Daley and step mother of Francis Daley.

Get well wishes to Vibert Martineau who was injured in a car accident Friday morning.

A number of friends and relatives visited Mrs Nellie Daley Friday evening May 4th to help celebrate her eighty sixth birthday. We wish her many more Happy Birthdays.

Two Pontiac Protestant High School buses left Shawville Monday morning April 30th at 6:30 am loaded with students bound for Quebec City. Evidently they had a good time from the reports received. They visited the Chateau Frontenac, had a picnic lunch on the Plains of Abraham. They visited the Parliament buildings, enjoyed a ride on the Ferry Boat and toured old Quebec in a horse drawn buggy. They returned home Tuesday evening at 11 pm tired, but a happy lot. Students from the Quyon area were Rhonda Cummings, Kirk Armitage, Peggy Ramsay, Ann Meredith, Mark Trudeau, Charlie Huckabone, Wendy Bronson, Shelly Campbell, Joanne Draper, Christine Roffey, Stella Wiggins and Sheila Mohr.

Sunday, May 6th the infant son of James and Patricia Meek was baptized at Dunbarton-Fairport United Church, Pickering, Ontario, by Rev Robert Ramont. God parents were Ronnie and Martha Ross and Paul and Sue Locke. After the baptism a social gathering was enjoyed by about 35 guests at the home of Mr and Mrs Meek. Mrs Kay Ross of Shawville attended baptism. This is the second grandson for Harvey and Kay Ross.

Bryson News

Mrs. Donald Ostrom

Recent visitors with Mr and Mrs Delore Desabrais were their son Mr and Mrs Kenneth Desabrais and girls of Bancroft also Mr and Mrs Ray Hortin and boys of Coehill, Ont.

Visiting with Mr and Mrs Garry Romain and girls last weekend were Mr and Mrs Bert Lafont and family of Douglas, Mr and Mrs Thomas Powers and family of Eganville.

Visiting with Mr and Mrs Wilfred Riebertz over the weekend were their son, Mr and Mrs Wayne Riebertz, Susan, Cathy and Wayne Jr of Gananoque.

Visiting Mr and Mrs Rheel Sicard and family over the weekend were their daughter Miss Bernadette Sicard of Ottawa and son Jerome and friend of Ottawa.

Get well wishes to Mrs Garry Romain who is a patient at the Grace Hospital in Ottawa.

Mrs Ed Shalla of Copper Cliff is spending sometime visiting with her parents Mrs Clarence Wall who is a patient at Ottawa Civic Hospital and her father Clarence Wall who is a resident at the Home on the Hill in Shawville.

The water is still high and several families are still living with friends until they can return to their homes, hopefully it won't be much longer, as the water has caused a great deal of damage and work.

Mrs James Ostrom spent a

few days recently visiting with her daughters Mr and Mrs Curry Oates, Donna and Donald, Mr and Mrs Norman Wallace, Eleanor and Dougie, all of Renfrew.

Recent visitors with Mrs Margaret Wall were her sister Mrs John Draper of Surrey, B.C., her brother Mr and Mrs Royce Hodgins, Heather and Rhonda, of Shawville, Mr and Mrs Milton Wall and Linda of Toronto.

Miss Janice Riebertz has finished her course, at St Lawrence College in Brockville and is presently employed in Ottawa.

Recent visitors with Mr and Mrs Donald Ostrom were Mr

Ladysmith Update

Mrs. Verner Thrun

Deepest sympathy to the family and friends of Mr James Turcotte who passed away rather suddenly in Ottawa Hospital.

Guests at the home of Mr and Mrs Eric Pasch last Tuesday evening were Mr and Mrs Gustave Yach. Mr and Mrs Walter Yach, Mr and Mrs Paul Bretzlaff, Mr and Mrs Ernest Bretzlaff, Mrs Minnie Schrankler, Mr and Mrs Verner Thrun. This special

event was the celebration of Mrs Pasch's birthday who received many beautiful gifts and money. Delicious refreshments were served including a beautifully decorated birthday cake baked by Mrs Gustave Yach. Again we all join in wishing Hilda "Happy Birthday."

The big grey geese are again flying north and most summer birds have returned but the Eastern bluebird has not been seen here. Their home of many summers is empty.

New rules make voting easier

New voting rules will make it easier for all qualified electors to cast ballots in the 31st Federal Election on May 22nd.

Changes in the rules covering proxy voting and advance polling are among those designed to make voting possible and more practical for many of Canada's estimated 14.9 million eligible electors in this election.

"The ill, handicapped and aged, certain students and workers away from home, and voters unable to vote because of temporary absence are among those who will benefit," says Jean-Marc Hamel, Canada's Chief Electoral Officer.

The changes were made in amendments to the Canada Elections Act and were passed by Parliament in December, 1977.

Some of the important changes are:

At least one advance poll with "level access" for the handicapped must be set up in each urban area of an electoral district. An elector entitled to vote at an advance poll may, if the poll doesn't have level access, obtain a transfer certificate from his or her Returning Officer and vote at another poll that does offer level access. A notice of an advance poll must state if level access is available and explain to voters that transfer certificates may be obtained.

Voting at advance polls - for those unable to vote on election day - formerly was possible on two days only. Under the new provisions, advance polling will be spread over three days - between noon and 8 p.m. on Saturday, May 12th, Monday, May 14th and Tuesday, May 15th. To vote at an advance poll, you have only to sign your name - not take an affidavit as in the past.

In a general election, voters who are unable to vote on election day or at the advance polls, may now vote in the office of the Returning Officer. Such voting will be done noon to 6 p.m. and 7 p.m. to 9 p.m. on any day beginning Monday, May 7th and ending on May 18th, excluding Sundays and any advance polling day.

Proxy voting is extended to members of air crews, forestry crews and topographical survey crews, and to trappers. Such electors, along with fishermen, mariners, prospectors, who are ill or physically disabled, and students away from home during academic terms, may now arrange to vote by proxy.

In proxy voting, an elector who cannot cast a ballot in person on election day or at any other of specified times, may appoint another elector to vote in his or her place.

If you wish to vote by proxy, then either you or your proxy must apply in person to the Returning Officer for a proxy certificate.

If you are applying for proxy voting because of illness or physical incapacity, you must present a certificate from a legally qualified medical practitioner. If you are a student, absent from your polling division during an academic term, you can apply to vote by proxy but must have a statement from the registrar of your college or school.

A qualified elector whose name is not on the preliminary list of voters may now more easily get on the revised list. This can be done by contacting the Returning Officer prior to May 4th.

Special provisions for temporary workers away from home have been extended to include students who are gainfully employed between their academic terms. In the past, such students couldn't vote if they were away from their ordinary places of residence. Now, they can vote in the electoral district where they are working if they have arrived in the electoral district by May 1st and take action to have their names placed on the voters list during the period of revision May 2nd to May 4th.

Several other rule changes will apply to this election as a result of amendments to the law.

Electors will no longer be required to show their occupation on election documents.

Ordinary polls on election day will be open 9 a.m. to 8 p.m., local time. Previously, they opened at 8 a.m. and closed at 7 p.m., standard time. All references to times in the new law mean "local time".

An elector whose right to vote is challenged at a poll - because his or her identity is questioned - may now produce documents to prove identity. An oath is no longer automatically required.

Employers and employees, under new rules, may jointly agree to waive the provision giving employees four consecutive hours time off with pay to vote. Another rule change brings hourly-paid workers under the time-off-work provisions. Still another broadens the time-off provision to include all transportation companies, not just railways and their employees, as was the case in previous elections.

Waltham Review

Mrs. Arthur Labelle

CWL Meeting

Mrs Shirley Lacroix President chaired the May meeting of the Waltham CWL Council on Tuesday, May 1st with twenty-eight members and Father Proulx Director answering the roll call.

A letter of appreciation was received for donation for the John Powell S.J. series of talks on TV. The rosary will be recited at the Church each evening in May led by members of the CWL. Flowers will be placed by the President, Mrs Lacroix at Our Lady's picture on Mother's Day.

Four children will be making their first communion on that day and will receive gifts from the CWL.

Mrs Lyzanne Béchamp and Mrs Micheline Labelle will work together on the Church Life Convener'ship assisting also will be Mrs Laurena Dempsey.

Mrs Lauretta Durocher and Mrs Nicole Pilon teachers at Our Lady of Perpetual Help School will be dinner guests of the CWL at a time of their choice.

A bake sale will take place Saturday evening after Mass. Meeting closed with prayer, followed by card playing and other games.

Several residents had to leave their homes due to flooding of the Ottawa River during the past week.

Mr and Mrs Rex Rehel and family motored to Toronto on Friday to attend the wedding of Floyd Rehel.

Mr and Mrs Gordon Popkey spent Monday in Ottawa.

Grist and miscellaneous items

Please remember that 5 pm, Monday is the deadline for getting classified ads into THE EQUITY. Ads phoned in or brought in after 5 pm Monday are entered into the paper for the following week.

Attributed to Henry Ward Beecher are the following sentiments:

"We never know the love of the parent until we become parents ourselves. When we first bend over the cradle or our own child, God throws back the temple door and reveals to us the sacredness and mystery of our parents' love for ourselves."

Haven't heard much about those social numbers lately. Hopefully their extended uses will be abandoned quietly. These numbers, nicknamed SIN were assigned to identify people in social security benefits, but their use beyond their original jurisdiction has been a point of contention to the point where they are even used for registering hockey players, obtaining hunting licenses and other unrelated things. When the numbers were initiated they were not supposed to become national identity cards.

The Shawville Brownie and Guide Tea and Bake Sale is coming on Saturday, a good chance to buy a Mother's Day goody and help this good youth group at the same time.

Speaking of numbers, there is one you could use to identify your property if you want to protect it against theft. That's your drivers license number. Then if your camera, or rifle, or outboard motor, or cottage TV set or whatever, is found in the possession of someone else, the police will be able to return to you. To engrave the numbers on your valuables there is an electric engraver. You can borrow one from the Police or buy your own at the Printshop. Clubs, municipalities and other organizations have been buying them for the use of members.

From the standpoint of selling manufactured goods, Quebec is at least four times more dependent on the other nine Canadian provinces than they are on Quebec. This fact is part of a study entitled "Trade Realities in Canada and the Issue of Sovereignty-Association". Other information in this show that the present tariff structure in Canada is of greater benefit to Quebec than to any other province, Quebec benefits from imposition of quotas on imports of clothing and footwear, the importance of foreign markets has increased for all regions except Quebec, and if Quebec were to become independent, the other nine provinces could move to reduce consumer prices by allowing in less expensive imported goods, and could act to diversify their own industrial base. If you want the whole report, write to Marie-André Bastien, c-o Minister of State for Federal-Provincial Relations, Ottawa.

Two or three things happened at the same time last week. First, the tulips in front of the Printshop came into bloom and then within the hour the latest Printshop baby was born at the Pontiac Community Hospital, a first daughter for Ross and Heather and a sixth grandchild for David and Rosaleen. And while all this was going on we were supposed to be making a decision about the Mother's Day poetry contest but just couldn't all get together to do the choosing, but we'll get around to that soon, and there'll be one more mother amongst us to help.

There will be a meeting of the Shawville and district recreation association with ball players from the area on Monday May 14 at 8:00 pm in the Town Hall basement. Due to the apparent lack of interest in minor and recreational softball the recreation association is reluctant to spend money on lighting the field for the summer. If any people are interested in using the field this year they should attend this meeting.

Mike Leroy is the secretary of the Pontiac Fish and Game Protective Association, not of the Alliance of Six as we had it in last week's EQUITY.

Mrs Clifford Horner of Shawville has reason to be proud of two grandsons, Steven and Eldon Horner, sons of Mr and Mrs Wilmont Horner who now live in Brinston, Ontario. Steven won a plaque for his first place speech at the Zone G-3 finals at Manotick and went on to take third place in the Ottawa contest. And Eldon Horner was chosen top junior public speaker in Dundas County at a competition in Morrisburg and won the Morewood Volunteer Firefighter's trophy for the second year in a row. The boys are students in the Dixon's Corners Public School.

Dastous-Walsh

On March 30, 1979, Sharon Doreen, daughter of Mr and Mrs Lennis Walsh of Shawville and Robert Edwin, son of Mr and Mrs Roger Dastous of Hamilton, were joined together in holy matrimony in a double ring ceremony. Their attendants were the bride's sister and brother-in-law, Mr and Mrs Philip Lemenchick. Later a small reception was held at the home of the bride's sister. The bride was happy to have her grandmother, Mrs Maye Walsh, who is now 85 years old in attendance. The young couple are now residing in Ottawa.

Photo by Wolf Professional Photo Services

Fort Coulonge

The flood waters of the Coulonge and Ottawa rivers are slowly receding. Flood victims are anxiously looking to move back into their homes and also to face the clean up that always follows such a disaster.

There has been a lot of damage and it will be awhile yet before the water goes down to assess the damage to the Red Bridge. Government divers are expected here any time now to go down and make an examination of the piers and report their findings. People in the air-port area of Davidson are still isolated and can only reach the mainland by boat.

The 'strike' at Davidson Mill is still on with no sign of settlement yet and with the flood dominating all other news, other happenings and events tended to be overlooked.

The community was saddened with the sudden passing of Jean Herault, age 66. Jean was a familiar figure on the annual log drive down the Coulonge River. He was the cook and had a lot of hungry men to feed.

Notes

Another young man to pass on was Denzil McLean in his 51st year. He is survived by his mother who is a resident of the Manoir in Campbell's Bay.

The C.S.R.O. held its April monthly meeting at the Polyvalente School in Mansfield.

These meetings are usually held in Hull, but as a courtesy gesture the parent organization moves the meetings around from place to place during the finer weather months.

The C.S.R.O. is the parent organization of the Pontiac School Board and the P.S.B. in turn represents all of the Catholic schools in the Pontiac.

It was hoped that on this occasion some definite announcements would be forth coming concerning the English schools for Campbell's Bay and Chapeau, however, President Marie Gibault did say that verbal assurances had been received.

KELLY FUNERAL HOMES APPOINTMENT

Mr. John Laframboise

John Laframboise, native of Shawville, graduate of Pontiac High School, Honours Graduate in Funeral Service Education, Humber College, Toronto, Ontario, has recently been promoted to the position of Assistant General Manager of the Kelly Funeral Homes. Mr. Laframboise will assist Manager Patrick Larkin by taking responsibility for all purchasing, employee-employer relations and the co-ordination of services to all areas served by the Kelly Funeral Homes. Mr. Laframboise is married to the former Candice Taylor B.S.P.. They have a daughter, Jennifer. He is the son of Mr. and Mrs. Joe Laframboise of Shawville.

James Philip Turcotte

James Philip Turcotte died on Monday, April 30, 1979, in Ottawa Hospital in his 92nd year. He was born in Ladysmith February 24, 1888, the son of the late William Turcotte and Amanda Martin.

He leaves to mourn his four children- Ebert of Ladysmith, Neta of Ottawa, Philip of Ottawa, Bernice of Ladysmith, three brothers - John, Joseph and Edmond, grand children, great grand children and one great great grandchild, nieces and nephews.

A life long resident of Ladysmith was a member of St George's Anglican Church.

Honourary Member of Lodges Black Knights 696, LOL 1516, OYB 318.

Funeral services were held from W.J. Hayes and Sons, Shawville, to St George's Anglican Church, Thorne Centre, on Thursday, May 3rd, conducted by Rev Hilton and the Lodges of Black Knights and the Orange and Young Britons.

Shawville Council

Shawville Council met on May 1, 1979, with Mayor Allan Black and Councillors Dickson, Campbell, Smith, Armstrong, Arthurs and Richardson present.

The minutes of the previous meeting were adopted as written on a motion by Albert Armstrong, seconded by Rosaleen Dickson.

Eight transfers of property were noted and duly recorded.

Tenders for employment were read and discussed.

Three of these applicants are to be interviewed on Wednesday, evening, May 2.

Mr Everett McDowell notifies us that there is a page in the Shawville Fair Prize List reserved for the Municipality of Shawville.

Letter from the Agricultural Society soliciting assistance, from this and other municipalities, to pay the insurance required for the Community Centre. Moved by Royce Richardson and seconded by Bob Smith that we pay a portion of this insurance, with confidence that other municipalities, who use these recreation facilities, will do likewise.

New fiscal reform was discussed.

Accounts in the amount of 10,324.57 were approved for payment on a motion by Royce Richardson and Rosaleen Dickson.

Bob Campbell reported on the meeting of the street committee with the hospital and home representatives. It was moved by Rosaleen Dickson and seconded by Bob Campbell that the Municipality of Shawville pay one third of the cost of surveying land for a street between the Home and the Hospital.

There was some discussion of entries submitted for a design for a town crest.

There was discussion about painting and alterations at the Town Hall.

Resolution of Clarendon Council concerning the cost of alterations at the Fire Hall was read and recorded.

There will be Extra Garbage pickup on Thursday and Friday, May 11 and May 12.

Repairs and painting at the Community Centre were discussed. A student is to be hired to assist with the painting.

Adjournment was moved by Bob Campbell at 11:45 p.m.

E.F. Dale, Sec-treas.

Fitzpatrick anniversary

Mr and Mrs Howard Fitzpatrick of Low celebrated their 19th wedding anniversary with their children Billy and Ann, David and Della at their home in Low on Wednesday, May 2, 1979.

TWINKLE, TWINKLE LITTLE CAR

How would you like your car to look like new always? Tidy Car will keep it looking that way for you - inside out.

Inside

Tidy Car will shampoo everything inside your car from the floor mats up. And we can give the seats and carpets a special treatment to stainproof them.

Outside

Tidy Car's exclusive formula Preserve-A-Shine gives your car a showroom shine that preserves it for the life of the car. Because Preserve-A-Shine's protective glass-like shine blocks out the harmful effects of oxidation, salt and sun. You need never wax your car again.

Tops

If your vinyl roof is dingy, we'll restore its lustre with a special dressing that seals and protects the vinyl. Call Tidy Car for a quote, and we'll be right over to give your car a Twinkle.

IN MEMORY

BOISVERT - In memory of Mrs Jeanette Boisvert, a dear cousin, who passed away May 4, 1978.
Just a thought of sweet remembrance
Just a memory sad and true
Just the love and sweet devotion
Of one who thinks of you.
Ever remembered and sadly missed - Elaine.
1693X1M9

BOISVERT - In memory of a dear sister and aunt who passed away May 4, 1978.
What will we give if we could say Hello, dear Janet
In the same old fashioned way?
To hear your voice and see you smile
To sit with you and chat awhile.
So you who have your loved ones
Cherish them with care
For you never know the heartache
Until you see the vacant chair.
Sadly missed and ever remembered by Roy, Fran and family.
3364981M9

HUDSON - In sad and loving memory of a dear wife and mother, Betsy Hudson, who passed away May 3, 1975.
Many a day her name is spoken,
And many an hour she is, in our thoughts,
A link in our family chain is broken,
She has gone from our home but not from our hearts,
Some day we hope to meet her,
Some day we know not when,
But we shall meet in a better land,
Never to part again.
Always remembered and sadly missed. William Hudson and family.
335798M9

LAFLEUR - In loving memory of a dear mother, Emilia Lafleur, who passed away May 10, 1978.
God saw that you were suffering,
He did what he thought best,
He put His arms around you,
And whispered "Come to rest".
The golden Gates were opened,
One year ago today.
With goodbyes left unspoken
You gently slipped away.
Always remembered by Anita.
3364581M9

LAFLEUR - In loving memory of a dear mother, Emilia, who passed away May 10, 1978.
Past her suffering, past her pain,
Cease to weep for tears are vain,
She who suffered is at rest,
Gone to heaven with the best.
Ever remembered by son Peter, Barbara and family.
1438XM9

FINDLAY - In loving memory of Allan Findlay who passed away May 24, 1976.
We cannot Lord thy purpose see
But all is well that is done by thee.
Remembrance - Hazel Marshall
335748M9

MIELKE - In loving memory of a dear father, William Mielke, who died July 2, 1931 and a dear mother, Mathilda who died May 17, 1973.
Their presence is ever near us
Their love remains with us yet
They were the kind of a father and mother
Their loved ones would never forget.
The Mielke family
1694X1M9

MILJOUR - In memory of Mrs Moise Miljour, who died May 2, 1969, Kazabazua, Quebec
God knew that she was suffering,
That the hills were hard to climb,
So He closed her weary eyelids
And whispered "Peace Be Thine".
Away in the beautiful hills of God,
By the valley of rest so fair,
Some time, some day, we know not when,
We will meet our beloved there.
From daughter and son in law Mr and Mrs Gedeon Dubeau and grand children.
3361781M9

MOORE - In loving memory of a dear husband Freeman who passed away May 11, 1967, son David May 20, 1957, brother Thomas Moorehead, May 15, 1971.
You left us suddenly
Your thoughts unknown
But left us memories
We are proud to own.
Lovingly remembered by Laura and family.
1659XM9

TELFORD - In loving memory of Wesley Telford who passed away May 1, 1976.
His memory is as dear today
As in the hour he passed away.
Sadly missed by Bro Marshall and Hayel.
335748M9

IN MEMORY

RICHARDSON - In loving memory of our Dad, Perley, who passed away May 8, 1972.
It was in the beautiful spring time
We stood by an open grave
To watch them lower a loved one
We would have given our lives to save
God knew he was suffering
And he felt it was unfair
So be bowed down and said Perley,
Take me by the hand and come on upstairs.
Still loved and missed by his children.
11684X1M9

MOORHEAD - In loving memory of a dear brother Thomas Moorhead who passed away May 15, 1971.
We often think of days gone by,
When we are all together,
A shadow o'er our lives has cast
Our loved one's gone forever.
Sadly missed, sister Harriette.
1658XM9

SMITH - In loving memory of a dear sister, Bernice Smith, who passed away May 1978.
God knew that she was suffering,
That the hills were hard to climb,
So he closed her weary eyelids
And whispered "Peace be thine"
Away in the beautiful hills of God
By the valley of rest so fair,
Sometimes, someday, we know not when,
We will meet our loved ones there.
Sadly missed by brother Mervin, Ethel and Perry, Yach.
3364881M9

SMITH - In fond and loving memory of my dear wife Bernice Smith, who passed away May 6, 1978.
A light is from our household gone,
A voice we loved is stilled,
A place is vacant in our home,
Which never can be filled.
Some may think you as forgotten
Though on earth you are no more;
But in memory you are with us,
As you always were before.
Sadly missed by husband Vertal.
1681XM9

IN MEMORY

SMITH - In fond and loving memory of my parents Walter and Annie Smith
When days are dark and friends are few
Dear Mom and Dad, how we often think of you
Friends are friends, if they are true
I lost my best friends when I lost you.
Sadly missed by son Vertal
1681XM9

SMITH - In fond and loving memory of a cousin and Godmother, Bernice Smith who passed away May 6, 1978.
God knew that she was suffering
That the hills were hard to climb
So he closed her weary eyelids
And whispered "Peace be thine".
Away in the beautiful hills of God
By the valley of rest so fair
Sometimes, some day, we know not when
We will meet our beloved there.
Sadly missed by Dalton, Sharon, James and Todd.
1681XM9

THANKS

TURCOTTE - Our thanks to everyone for their kindness to our father, the late James Turcotte, the people of the community for the lunch served at the TCRA, the Lodges of the Black Knight's 696, LOL 1516, OYB 318, for their beautiful services; to Dr Potvin and Dr Scobie, Rev Hilton, Martha Bretzloff and Louis Sparling, the W.J. Hayes & Sons for their kindness, for the many floral tributes and donations in his memory.
Our thanks, The Turcotte family.

THANK YOU

We would like to take this opportunity to express our appreciation to those whose friendship and pleasant relations we have enjoyed during the past seven years of business.
It is our sincere wish that your continued support be given to the new owner.

Many thanks
Bob and Grace Dale, Pontiac Trading Post.

Thank You

The 1979 Graduating Class of Pontiac High School would like to thank the many local businesses for their financial support which made our fund raising smorgasbord supper a great success.
