Quick Council action and co-operation from Aylmer gets safety signs replaced here

Mayor Allan Black called an emergency meeting of Shawville Municipal Council at noon Wednesday at which a resolution was drawn up regarding those traffic signs in Shawville. He then phoned the Transport office in Aylmer and dispatched Bob Campbell, Streets Committee Chairman, to carry the resolution to Aylmer. The first thing the next morning the streets of Shawville were safe again.

It was just in the nick of time for the heavy Shawville Fair traffic which was already making its way through the village.

The emergency occurred last week after the Department had sent an order from Hull for the removal of the no parking signs on the two main thoroughfares in Shawville as well as the stop signs at the four way stop.

The Mayor had been in telephone communication with Aylmer and Hull ever since the incident, and also with the Quebec Police Force Campbell's Bay Detachment. The special call after the Council Meeting was to alert Aylmer that the resolution was on its way. At the same time that Councillor Campbell was driving towards Aylmer with the resolution, the Aylmer staff was readying their truck to come back to Shawville and erect no parking signs wherever they had been removed the previous day.

No reason has as yet been given by the Department in Quebec for the original order to remove the signs. Some believe it is because the Government of Quebec thinks that Main Street and Centre Street in Shawville belong to them and want no signs but their own to appear. Others believe it was because the no parking signs were bilingual and had to replaced with English-less signs. They managed to bring back language-less signs, except for the stop signs. Stop, it seems, can't be said in sign language. Some think that it behooves the Government of Quebec to notify the Municipality of Shawville of its reasons for having removed the signs; in fact that this should have been done before the removal.

But everyone is thankful that the Aylmer office of the Department understands the meaning of public service and did indeed come to the service of the public as fast as it was humanly possible within the regulations under which it must work.

Daniel Chartrand, employee of the Department of Transports, replaces the no parking signs along Main Street and Centre Street, Shawville, with the modern version. EQUITY PHOTO

WRONG — WRONG — WRONG

It seems wrong to us for the Government of Quebec to be subsidizing a second weekly newspaper in Mont-Laurier.

The organizers of the second paper want better coverage, more information, honest and non-partisan reporting and their new paper intends not to take sides in conflicts and to carry on without any particular ideology.

The total amount of money already spent in first developing the project, the feasibility studies and surveys, the committee meetings and official and non-official mileage, the use of public servants and public expense to get the new paper to the stage of actual existence, must be monumental. The expenditure of public money to keep such a paper going will continue. No subsidized "make-work" newspaper will ever be run economically. The drain will go on and on and it is the taxpayer of the Province of Quebec who pays for this drain. That's you and me and the people who have been providing Mont-Laurier with a newspaper before the government supported people stepped in, and who will be harder pressed than ever now with this unfair competition.

Supposing there are ways that the service of the previous paper could be improved. Suppose the owners find that after meeting their payroll, their plant expenses, their suppliers' bills, their postage and many other costs, and their federal and provincial taxes, they can't afford to put out a paper which suits everyone. Well suppose, instead of spending a mint in trying to duplicate the efforts of the existing publisher they would support him so he could provide what they felt was essential.

They could buy quite a few pages of advertising with the money they spent just identifing their need. If they are honest in their belief that people need more information it would be far better use of public funds to get that information to the people through the pages of the existing local weekly paper.

We don't know the editor of the Mont-Laurier weekly paper but we sure do feel a great deal of sympathy for him now that he has a government subsidized group competing with him.

Fire threatens

An early Sunday morning fire in the eaves over the doorway of the old agricultural hall in Shawville brought out the Shawville Volunteer Fire Department. The damage to the building was contained to the small area above the front round window where a flood light had been installed. Everyone spent the next day wondering in awe what might have happened if the flames had got out of hand. In the upstairs exhibit room soot and sparks damaged a number of the items on display, particularly the Womens Institute exhibit from Fort Coulonge which happened to be placed directly below the place where the fire occurred. Fortunately the priceless quilt exhibit in the center of the rotunda was very little affected. This photo shows the small black mark left by the threatening blaze. EQUITY PHOTO

Letters from our readers

The Caldwell Clarion
THE EQUITY

DEAR MRS SHARPE—

As we read the Equity each week we keep informed of the happenings around our old neighborhood. And we always like to go through your column as it is so newsy and full of interesting items. Keep up the good work!

Of further value in years to come is the references to births, deaths, marriages and people moving away and new families settling down. Such personal notices are priceless to those tracing their family history in the future. I have been going through old newspapers in the Hastings County area and have found mention of my parents and grandparents and other relatives. This data could not be found anywhere else in my research.

I am helping with the Scobie Family at present. This family were Scottish settlers on 6th Con. Bristol in early times. Andrew and Mary Scobie had a large family. His son Thomas born about 1824 had a son John. Has any of Clarions' readers any genealogical records of the Scobie Family?

Best regards to Neil and family, and the rest of your folks.

Sincerely yours,
Gordon Crouse

Grist and miscellaneous items

Loren Hodgins spent a while in hospital during the Fair last week after being knocked out by a blow on the head. The freak accident should be a lesson to all fence post drivers. Loren was holding the post below while the other fellow was driving it down with a sledge from above. You guessed it ... the head came off the sledge and landed on Loren who fell flat. A hard hat would have helped and a sledge in good repair would have avoided the accident altogether; but that's easy for us to say after the fact. If we could only think of all these things beforehand!

Among those who helped the Shawville Striders to make such a great success of the First Shawville Road Race were also Erfle's Bus lines who provided busses, Les Musgrove and Brian Judd who drove the busses, Davis Grocery for the soft drinks and J.L. Hodgins for the Shawville Striders Uniforms.

Susan Dowle is nine years old, a grandchild of Mr and Mrs Peden Wilson of Shawville, and lives in Toronto but come to the Shawville Fair and other various visits here. This year Susan dug up a few potatoes in her grandfather's vegetable garden. The one she brought in to THE EQUITY office looked mighty like a duck. If our cameras hadn't all been over at the Fair we'd have taken a photo of Susan and her ducky potatoe. But at least we have mentioned it and that should encourage all other duck-potatoe discoverers to entertain us with their amusing finds.

Senior Citizen Club of Quyon is opening its season beginning September 14 at 8 p.m. with its first card party of the year. Door prozes at card parties are two return tickets to Ottawa compliments of McGahern Bus Lines and two return tickets to Montreal compliments of Voyageur Colonial. Card parties are every Thursday throughout the season.

Sisters of St. Josephs celebrate 575 years

Saturday, August 26th was Jubilee Day for the Sisters of St Joseph, Pembroke. Visiting Religions, Clergy, families and friends of the Jubilarians assembled to offer thanksgiving to God for the gift of Vocation to these Sisters and to praise God for the service they have offered to Him and His people for a total of 575 years.

Fifty years ago, many young women, from various parts of the Diocese of Pembroke and adjoining areas, chose to enter the seven-year-old Community at St Joseph's-on-the-Lake, Pembroke, to respond to God's call and to offer their unique gifts to His service. Eleven members of this pioneering group are now celebrating the golden anniversary of their response, in love, as first-class risk takers.

The Motherhouse of St Joseph's-on-the-Lake, Pembroke, founded from Peterborough in 1921 at the request of Bishop Ryan and Father Dowdall, welcomed these generous newcomers as they saw themselves thus enriched by persons truly in love with God and His people, and therefore better equipped to meet the needs of the Diocese, especially in teaching and parish service.

After a half century as zealous Sisters of St Joseph, Jubilee Day found each one joyous, vibrant and very much "on active service". The Golden Jubilarians are Sister Mary Ann Conway (Barry's Bay), Sisters Anna Cybulski and Leona Harrington (Killaloe), Sisters Regina Nephin, Gertrude Poirier and Anna Burke (Chapeau), Sister Bertille Hunt (Mount St. Patrick), Sister Mary Comerford (Brudenell), Sisters Lillian Cunningham and Teresa Hayes (Arnprior) and Sister Cleland (Osgoode).

Celebrating along with the Golden Jubilarians is Sister Elizabeth Berrigan (Sheenboro), marking her Silver anniversary.

Following a Community Mass, a Prayer Service and Dinner for the Sisters of the Congregation at the Motherhouse, a concelebrated Mass of Thanksgiving was offered at Holy Name Church, Pembroke, by the Pastor, Reverend D.J. Harrington, Reverend Thomas Hunt (brother of Sister Bertillo) and Reverend Terence Conway, O.M.I. (nephew of Sisters Mary Ann Conway and Leona Harrington). During Mass, commemoration was made of the deceased members of the class of Golden Jubilarians: Sisters Gerard Hunt, St. Leonard McManus, Geraldine Coyne, Anicetus Sullivan and St Bernard Bulger.

The Homilist, Reverend Howard Chabot, spoke of the example of the fidelity and perseverance of the Jubilarians: as a saving gift for society.

Honouring the Sisters by their presence at the Mass were their Exellencies Bishops Windle and Smith, many clergy of Pembroke Diocese and Reverend Aelred Daly of Ottawa.

Sister visitors attended from Peterborough, North Bay and Watertown.

The Jubilarians received their friends and relatives at the Motherhouse, following the Mass at Holy Name Church.

Front row left to right are Francine Lachapelle, Shane Peck mascot, Irma Peck, Heather Rogan and Michelle Bertrand. Missing in this photo are team members Heather Wilson, Diane Stevenson and Marjorie Gibson.

Central Gatineau Ladies Fastball

Another season of fastball has been safely tucked under our belts - where the extra pounds were last May.

The league consisted of five teams, representing Wakefield, Brennans Hill, Low, Venosta and Danford. Interest in that old ball game was keen this year, as the girls, coaches, umpires and spectators had to get out Saturday and again Sunday morning. When the regular schedule was completed Danford held up first place with 24 points, second place was held by Low with 16 points, Venosta was third with 14 points, Wakefield fourth with 6 followed by the Brennans Hill gals who displayed great spirit through the summer.

Semi-finals saw Wakefield defeat Low in two games straight, while Danford defeated Venosta in two out of three.

The finals saw Danford and Wakefield swing the bats against eachother. When the second game was completed the Danford Outcasts were the vistors and the first place and finals cups were presented to them.

The Danford gals celebrated their win with a party at Warren Wilson's cottage, where guitar pickers, singers and plenty of food was in abundant supply, so abundant that the festivities started at 1 p.m. and continued until 3 a.m. the next morning.

Hockey School still registering

The Pontiac Hockey School is still accepting applications for the upcoming program which starts September 28th.

Registration in the younger age group has been very good in the first week but it is hoped that more players will sign up, especially in the two older age groups.

The purpose of the school is to offer a concentrated program of skating and hockey skills so that the area's young players can upgrade their level of play and possibly enjoy the game more.

Most young players in large centers have greater opportunities in hockey so it is hoped that this school can help fill this gap and offer good instruction and ice time at a reasonable cost.

The main stress of the program will be skating and individual skill improvement although teaching will include team systems as well.

Bryan Murray, Bill Murray and Randy Burman local hockey men with a variety of hockey experience will be the main instructors along with out of towners Darrell Galley and Graydon Scott co directors of the CFB Petawawa Hockey School. Guest instructors will be present on various occasions.

The cost of the school is twenty-five dollars for one week or forty dollars for the two weeks. First week September 28 - October 3. 2nd Week October 5 - October 10. Each participants gets 1½ hours per week day and 2½ hours on Saturday and Sundays.

SENIOR SECTION

Ice time is available with limited instruction for all players that play in the various town leagues. The cost is $10 for 6 hours of ice time which will include some conditioning and scrummage games.

Interested players at all levels can apply by filling out the application in THE EQUITY and returning it to Bryan Murray, Box 188, Shawville or by dropping into Murray's Sports Shop in Shawville. Further information can be obtained by calling 647-2550 during the day or 647-2787 evenings.

Some free T-shirts are still available.

Ice time rentals are also available by contacting the above numbers.

Andy Lusk awarded for long service for RCMP

Andy Lusk, left, popular country singer who goes by the name of "The Pontiac Prowler", has been honored by the Royal Canadian Mounted Police for whom he works as a public servant. Andy was awarded the Force's Long Service Award Plaque at a recent ceremony in Ottawa. The presentation was made by Commissioner R. H. Simmonds, and is in recognition of 25 years of service with good conduct. Andy took part in the musical entertainment at the Shawville Fair this year and we are also watching for his new album which will probably be called "Hook, Line and Lusk" and will include many tall tales of the Pontiac, set to music.

Un poste de représentant des groupes socio-économiques vacant

Le Conseil de la santé et des services sociaux de l'Outaouais (CSSSO) invite les groupes socio-économiques du territoire du DLSC de Fort-Coulonge à présenter avant le 15 septembre prochain, des candidats pour fin de nomination par le lieutenant-gouverneur en conseil. Tout individu résidant sur le territoire du CLSC peut également proposer des candidats ou se proposer lui-même.

Cette invitation est faite en raison d'une vacance au sein du conseil d'administration du CLSC de Fort-Coulonge.

Le candidat proposé et consentant s'engage s'il est nommé par le lieutenant-gouverneur en conseil à participer pleinement aux activités du conseil d'administration du CLSC pour la prochaine année, son mandat se terminant en mai 1979.

Toutes mises en nomination et candidature doivent être accompagnées du consentement écrit du candidat et d'un questionnaire dûment rempli. Ces documents sont disponibles sur demande au CSSSO ou au CLSC de Fort-Coulonge et doivent être retournés au CSSSO avant le 15 septembre 1978.

Pour plus d'information: Claudette Gatien, Agent de communication CSSSO, 4, rue Georges Bilodeau, Hull. (770-7747)

Tirage pour terrains

Pour une seconde fois cette année dans le cadre de sa nouvelle politique d'accessibilité des terres publiques, l'administration régionale du ministère des Terres et Forêts de l'Outaouais offre à la population la possibilité de louer à long terme, 17 emplacements à des fins de villégiature résidentielle.

En effet, le MTF procèdera, le 12 octobre prochain à Québec, au tirage au sort de 400 lots de villégiature dont neuf sont situés au Lac Vert, dans la municipalité des Cantons Unis de Waltham et Bryson. Le développement du Lac Verte a la particularité de n'être accessible que par voie d'eau; il présente de nombreux attraits pour ceux qui désiraient un site vraiment retiré.

Les formules d'inscription sont disponibles dès maintenant au bureau régional du Ministère des Terres et Forêts de Hull ou dans le bureau à Fort-Coulonge.

Les personnes que la chance aura favorisées seront avisées par courrier recommandé et pourront dès lors choisir l'emplacement qui les intéresse. Un délai de trois semaines est alors prévu pour permettre de visiter le site, compléter la formule "Demande de concession de terrain", verser une preuve de paiement de $25 et indiquer le terrain qu'elles désirent louer. Il est à remarquer que les terrains sont accordés selon l'ordre d'entrées des formules.

Dans le cas d'un désistement, le bureau régional communique avec les participants inscrits sur la liste de substituts.

En vertu de la nouvelle réglementation du MTF, les personnes éligibles à la location bénéficient de baux dont la durée sera de 30 ans, renouvelables, et dont le doût annuel de location variera de $66 à $150 l'an. Le montant de location sera revisé à tous les cinq ans et payable avant l'émission du bail.

Le locataire s'engagera de plus à construire, au cours des deux premières années, un chalet d'une valeur d'au moins $6,000, à améliorer le site pour un montant minimum de $500 et à défrayer les coûts d'arpentage de son terrain ($280). Il va sans dire que le locataire devra aussi respecter les normes d'aménagement relatives au déboisement, à la construction du chalet, ainsi que les lois et règlements fédéraux, provinciaux et municipaux et ce, dans tous les domaines.

Vivre sa grossess?

Aujourd'hui, presque partout au Québec, la femme enceinte ou celle qui vient d'accoucher n'est plus considérée comme une "malade". Elle demeure active et "participe" à son accouchement.

De plus en plus d'ailleurs, avoir un enfant est un choix comme aussi la façon de le "porter" de l'accuillir, de le nourrir. Et qui dit choix, did connaissance.

Dans cette perspective, le Centre Local de Services Communautaires de Chapeau, Fort-Coulonge et Bryson reprend cet automne ses rencontres prénatales: la nutrition, l'allaitement au sein, le travail et la délivrance, les exercices et les techniques de respiration et de relaxation, tels sont, parmi de nombreux autres les sujets traités, tantôt sous forme de rencontre, tantôt par films.

C'es un service gratuit et pour participer aux rencontres, il suffit de s'inscrire au C.L.S.C. à Chapeau (689-5080) avant le 7 septembre, à Fort-Coulonge (683-3000) avant le 15 septembre, à Bryson (649-2193) avant le 1e octobre.

Vivre sa grossesse et préparer son accouchement, c'est une expérience fort enrichissante que nous aimerions partager avec vous! Venez ou téléphonez-nous. Nous vous attendons.

La Radio du Pontiac

Procès-verbal de la réunion du comité provisoire de La radio du Pontiac tenue le 16 août 1978 à la Polyvalente Sieur de Coulonge à m19h.

Après discussion entre Mme Rosaleen Dickson du journal THE EQUITY et le comité provisoire de La radio du Pontiac Inc., trois possibilitiées pour diffuser l'information relative à l'étude de viabilité sont retenues:

Que La radio du Pontiac débourse la somme de $273.00 par page pour la parution intégrale de la synthèse de l'étude.

Qu'une synthèse de l'étude de viabilité soit soumise au journal comme un article et que cet article soit présenté sous forme de suivi. Pour compléter l'article il faudrait au moins trois éditions.

Que La radio du Pontiac Inc produise un feuillet d'information qui serait inséré comme supplément à l'intérieur du journal au coût de .5c la copie pour payer des frais postaux supplémentaires.

Programme d'aide aux media communautaires:

Guy Bergeron du ministère des communications nous annonce que le jury a déposé son rapport au ministère.

Dans une hypothèse optimiste nous serions en mesure d'avoir les résultats au mois de septembre toutefois nous sommes assurés d'une réponse officielle au mois d'octobre.

Au sujet des revenus provenant de l'état on nous informe que le gouvernement n'investit pas d'argent sans garanties de rentabilité de la part du requerrant qui doit prouver son auto suffisance à moyen et à long terme.

Etude de viabilite.

M Bergeron du ministère québécois des communications nous fait part de ses commentaires face à l'étude de viabilité.

Le ministère qui a procédé à une vérification de l'étude de viabilité a qualifié cette dernière d'excellente.

M Bergeron souligne que l'étude de viabilité identifie des intentions et non des comportements. Il fait aussi remarquer que le comité devra se doter de données concrètes pour la présentation de la demande de permis au C.R.T.C. surtout en ce qui a trait au financement.

M Bergeron suggère au comité d'organiser un évènement de consultation populaire.

M Bergeron émet des réserves quant à la échéancier du 21 septembre fixé par le comité pour la présentation de la demande de permis au C.R.T.C., cette date lui paraissant prématurée.

Devis Technique

M Bergeron informe le comite que, dans la mesure du possible, le ministère respectera la date du 21 septembre pour le dépôt du devis technique achevé: des délais peuvent être occasionnés par la firme d'inginierie attachés à plusieurs contrats et le ministère ne possède aucun recours à ce niveau.

Varia.

C.A.R.O.

Suite à une recommandation de la Caro une demande de l'ordre de $218,000.00 est acheminée au Conseil du Trésor sous forme de C.T. afin de défayer les coûts d'immobilisations.

Cependant une partie de ces coûts devra êtra assumée par le milieu afin de démontrer l'intérêt de la population.

M Hector Soucie propose. Que La radio du Pontiac Inc., assume un maximum de 15% des coûts d'immobilisations.

Appuyé par M Gilles Girard.

Accepté à l'unanimité.

Information aux deputes du comte.

M Serge Cardin propose: Que les décisions du comité provisoire au sujet des orientations futures du projet soient envoyées à m Thomas H Lefèbvre, député fédéral du comté en réponse à la lettre du 27 janvier 1978, qu'il faisait parvenir à Communications-Pontiac.

Appuyé par m André Bellerose.

Accepté à l'unanimite.

Salute to our over 90's
William Lamothe

Mr. William Lamothe of Campbell's Bay was born on Calumet Island on September 8, 1887. He was married to Lizzie Harkness. She passed away thirteen years ago. They had six children. He has a wonderful memory and takes a daily walk down to the Post Office. He also drove his half ton truck up to two years ago. He enjoys reading books. We all wish you many more years of health and happiness.

Flank Steak, Tender Way

Flank steak is a delicious cut of beef, and when you prepare it in an interesting fashion, using just a touch of tenderizer magic, you're bound to serve a scrumptious meal. Now the basis of that magic lies in the juice of the succulent papaya melon. Papaya is what Natural Meat Tenderizer is all about. And in its crystallized form, the papain acts to gently break down the tougher meat fibers and to lock in all the meat's flavor and juiciness.

Stuffed Flank Steak

1-1/2—2 pounds flank steak
Meat Tenderizer, Steak Sauce flavor
2 tablespoons butter or margarine
1 medium onion, minced
2 medium apples, peeled, cored and chopped
8 ounces cornbread stuffing prepared according to package directions
1 egg, beaten
2 tablespoons vegetable oil
1 cup beef broth or red wine

Moisten meat on all sides with water. Sprinkle tenderizer evenly over entire meat surface; do not use salt. Pierce meat deeply with fork at 1/2-inch intervals. Sauté onion and apples in butter until soft. Add to prepared stuffing along with egg. Spread evenly over steak. Roll and secure with string or wooden picks. Brown meat in hot oil. Add broth or wine and simmer for 1-1/2 hours. Slice thickly and serve with pan juices. Yield: 6 servings.

Thompson-Bronson marriage at Quyon

On Saturday, July 29th, at 3 p.m. Deborah Jean Bronson and Donald Weldon Thompson exchanged marriage vows in a double ring ceremony officiated by Rev John Hilton in St John's Anglican Church, Quyon, Quebec.

The bride is the daughter of Mr and Mrs Garry Bronson of Quyon, Que., and the groom is the son of Mr and Mrs Ray Thompson of Shawville, Quebec.

Given in marriage by her father, the bride was radiant in a floor length gown of sheer organza over polyester satin with bishop sleeves and chapel train. French lace and flower appliqués adorned the dress, sleeves and flounced hemline. Her elbow length veil was held in place by a Juliette cap headpiece. She wore a rhinestone necklace which had belonged to her great grandmother. Her bouquet consisted of a cascade of red roses, ivy, and babys breath.

The brides attendants, friend of the bride and groom, Kathy Davis as maid of honour, and sisters of the bride, Esther Sheppard and Wendy Bronson as bridesmaids wore peach crépe gowns with attached capes and matching flowers in their hair. They carried bouquets of butterscotch mums, yellow carnations and babys breath.

The groom and his attendants wore tuxedos of beige trimmed with brown. Garry Thompson, cousin of the groom was best man, and the ushers were David Thompson, brother of the groom, and David Draper, friend of the bride and groom.

The mother of the bride wore a gown of pink polyester with sheer sleeves and a corsage of white roses.

The groom's mother wore a gown of powder blue polyester and a corsage of yellow roses.

The reception was held at the home of the bride's parents with a buffet dinner and dancing to music supplied by friends and relatives. The guests, which numbered about 130, ranged in age from 10 months to 84 years old. The youngest member was Shawn Daley, cousin of the bride and the oldest member was Vertel Smiley, grandfather of the groom.

For their honeymoon, the couple toured Southern Ontario.

You will read of the Knox reunion at Montrose, So. Dak, on July 19th. So sorry this is so late but as we were away we didn't receive it until August 26th.

In my letter from Beryl Kosboth, she was so glad to receive her first copy of our paper, three days before the reunion. She says "What fun it was to take it and tell everyone that our reunion was written up in the Shawville paper by a descendant of Henry and Hannah Knox. I used it when it was my turn to tell what I could remember of our grandparents.

Wish we descendants here in Pontiac could have been there for the reunion as well, Hermonie, Knox (Smith) Sharpe.
