Pontiac provincial riding request will be made tonight

Pontiac will keep its name on the electoral map of Quebec if the meeting held at the County Building last Thursday night has anything to do with it. The citizens who attended the public meeting to plan for the new electoral boundaries of the County were almost unanimous in their decisions.

Three proposals were made. One was to add Maniwaki to the Pontiac, one was to keep the riding as it now is, and the third was to keep only the south part of Temiscamingue and add enough rural municipalities to the east to make up the required number of electors. The first proposal was made in the form of a motion but nobody would second that motion. The second proposal was also rejected, and the third proposal became a motion by Hector Soucie which carried. Acceptance of this alternative was mainly influenced by the resolution of County Council which had requested that Pontiac riding remain entirely rural. Shawville Council had also sent a resolution to the Commission requesting that Pontiac remain rural, and also that Pontiac County be not divided for electoral purposes.

Further discussion revealed that as a second option, if the Commission could not accept the first choice, the Pontiac would choose to annex Aylmer, but would still maintain the name of Pontiac and an identity as such.

A committee of three was chosen at the meeting to represent the citizens of Pontiac at the hearing in Hull on Wednesday, February 27th at 7:00 p.m. They are Contractor Ernie Laporte of Mansfield, Mayor Hector Soucie of Fort Coulonge, and Mrs David Dickson of Shawville. Representatives will also be present from all the surrounding electoral districts, each of which has an interest in annexing all or parts of the Pontiac to bring their own ridings up to the required numbers. The hearing will be at Auberge Chaudière and will be open to the public.

The Quebec Government had taken out full page advertisements in a number of newspapers, both daily and weekly, inviting the population to take part in hearings to determine new electoral boundaries throughout the Province.

Since this official invitation to the public was not issued to our Pontiac citizens through their own County paper, THE EQUITY, we published the information free, as a service to the community.

Concerned that the Pontiac should be heard at these hearings, Mayor Hector Soucie of Fort-Coulonge initiated and organized an open public meeting in the County Building so that every individual and interested group in the County could participate in the discussion prior to being heard by the Commission.

The Commission de la représentation électoral du Québec meets in Hull today, Wednesday, February 27th. The preparatory meeting for the Pontiac was held at the County Building on Thursday, February 21st, as advertised in THE EQUITY for the two previous weeks. The notice in THE EQUITY, published as a community service, specified that the meeting at the County Building was to prepare a plan for the new electoral boundaries and that all interested people would be welcome, even if they had to arrive late because of previous commitments.

The meeting last Thursday was a working session, as announced, and all suggestions were considered. The plan which was made at that meeting will, as promised, be proposed to the Commission de représentation électorale du Québec, tonight.

"No" voters to convene

"The Canada We Want" is the theme of the 21st congress of the Quebec Liberal party which will convene in Montreal February 29th to March 2nd.

Constitutional reform will be discussed as will the reasons why the Liberal party wants a "no" vote in the referendum which will probably be held in June.

Of importance to a number of delegates will be the position to be taken on the freedom of choice in language of education. The proposal to replace the Senate with a federal council is also to be discussed, along with more than a hundred resolutions from riding associations, but the main topic will be the campaign to assure a strong "no" vote on the coming referendum.

Abortion committee dismembered

Last month a committee of five doctors was set up at the Sacred Heart Hospital in Hull to study therapeutic abortions.

This month the five doctors have all resigned from the committee.

The Board of Directors of the hospital had decided to provide therapeudic abortions for cases deemed necessary for medical, psychological or social reasons but now that the medcial committee in charge of this service has abandoned the project en masse, the hospital can no longer offer this option to pregnant women. The reasons for the resignation from the committee of the five doctors included lack of support of the project by the Council of Doctors and Dentists and also the lack of confidentiality which could seriously endanger the usefulness of the committee of volunteers. They believed that the disclosure of their names to the public was unprecedented in Canada.

So now, if the hospital wants to continue to provide abortions, they must start over again to recruit doctors who might be willing to sit on the committee and the procedure of finding suitable doctors for this chore is now under discussion amidst a campaign of citizens wanting the hospital to drop the service altogether, and a request from the Bishop at Hull that the name "Sacred Heart" be dropped from the hospital's name.

Winter Carnival at Shawville

Shawville was popping with excitement during the weekend as the annual Winter Carnival gained momentum. Everyone who took part in any of the events rolled up points for their quarter of town and after all the points were added up the Blues were declared winners by a margin of two points, with a total of 161. Second came the Reds with 159, followed by the Yellows with 104 and the Greens with 96 points.

Item one of the Carnival was the basketball match between the Pontiac Peaches and the Shawville Hockey Old Timers. After that game the Peaches could take on any normal team, and the Old Timers learned a lot about 'no contact' and 'no swearing on the court'. Despite numerous calls against the men, they managed to cream the Peaches. Few spectators took in this game but next year the gym should be packed if those two teams renew the challenge.

As the weekend progressed, more and more people got into the Carnival spirit, enjoying the Lions vs R.A. broomball, and the Old Timers Hockey, and the Lionettes vs the Old Timer Ladies in their outlandish costumes, the children's skating and relays, High School broomball, arm wrestling for men, women and children, the tug of way competitions, the soccer, the snow sculpture, and of course the wonderful entertainment surrounding the talent show and crowning of the Carnival Queen. Sunday afternoon sleigh rides on Ross Stewart's sled drawn by a matched team of fine Belgiums were among the extra attractions, along with log sawing.

The weather was perfect for Shawville's Carnival. Queen Kellie Malone was both beautiful and talented at her flute playing, Princess Kim Lemay charmed everyone with her amusing monologue, all the girls were great that evening and Ottawa radio star Bill Lee tied the Carnival Queen competition together with his usual smooth performance, putting everyone at ease and keeping the whole event moving along.

The happiest people of the Carnival were the five Pontiac citizens who won a thousand dollars each at the final draw, Chuck O'Connor of Norway Bay, Judy Young of Bristol, Claire Lunam of Campbell's Bay, Pierrette Soulière of Eardley, and Jack Clarke of Quyon.

Mayor Allan Black cut the ribbon to open the Carnival and was also present at the close to draw one of the lucky tickets.

R.O.P. elects St-Denis president

A group of government workers, mostly in the social work areas, gathers from time to time during their working day, to discuss matters of mutual interest to their members. This is called the Regroupement des Organismes du Pontiac. The organizations represented are the C.L.S.C. at Fort Coulonge, the adult education office at the Polyvalente Sieur de Coulonge, the Outaouais Social Services, the Commission Scolaire Pontiac, Pavillon du Parc, Comptoir St-Pierre and a Canada Works project called Action Famille 80.

At their January meeting the R.O.P. elected Mr Jocelyn St-Denis president, Francine St-Jean vice president, and Aurèle Dufour secretary.

Their next resolution was to request that funds be provided by the Department of Social Affairs to pay a research officer for the County. Other concerns were with the informing and organizing of the parents of mentally handicapped people and with the solution to the problems of illiteracy. It was proposed that free courses in reading and writing be offered and Mr Serge Cardin, of adult education, was asked to look into the possibility.

Quebec will appeal decision

A request is going forth to the Supreme Court of Canada from the Quebec government asking for some alleviation of the ruling which overturned some sections of the Charter of the French Language.

The main objection to the ruling seems to be the cost involved in translating all decisions of Quebec municipalities, school boards and other government bodies since 1867.

Ladysmith Update

Mrs. Verner Thrun

Deepest sympathy to the family and friends of Mr Christie Orr who passed away suddenly last week. The Orr's have been residents here for a number of years.

A letter was received from friends now holidaying in Florida they report cool weather with unusual north winds and rain.

Our first worthwhile snow storm of the winter came on Feb 24th when about six inches of heavy snow fell making travel difficult before the plows came.

Happy birthday greetings to Mrs Helena Yach of Shawville who celebrates a birthday this week.

Best get well wishes to Mr Francis Wiggins who is recovering in the P.C.H.

WHAT? ABANDON THE TRACKS?

The Canadian Pacific wants to abandon the tracks from Wyman to Waltham and is asking the Department of Transport of Canada for permission to do so. Shawville Council, for one, has sent a resolution to the Federal Government asking that such a ridiculous permission be denied. Council didn't use the word "ridiculous" in their resolution, that is ours.

In a time when mass transportation is more than ever needed because of the high costs and supposed shortages of fuel, why should the railroad company tear up the tracks? In a time when our County is hoping for some renewal of industrial development, and at least to keep what it has, when the railway can be important to the Francon gravel pits, the mills at Davidson and at Waltham; this is no time to abandon the railroad. And at a time when thoughts should be turned towards putting a commuter train on the tracks, and vacation specials, and scenic tours, and when we would all benefit if they'd even just put the mail back on the trains — why would they be thinking of removing any hope of resuming such a great service?

The reason of course is that this particular line up the Pontiac doesn't make money for Canadian Pacific. However, if there is any possibility that resuming railway service for the Pontiac could help the local economy, the Department of Transport should make it their business to assure that the tracks are not abandoned.

If CP is adamant about abandoning tracks, let them abandon them in other parts of the country but not in the Pontiac. They owe this County years of promised service already. When the line was originally built, with a great contribution from everyone in this County, the promise was that it would connect, through Pembroke, with a transcontinental system. That's why they called it the Pontiac and Pacific Junction. Paying for this false promise set the County back fifty years in its development at the beginning of this century. Now that we are approaching the close of the century, we don't want to be clobbered again by the railway company. Nothing short of a commitment to improve rail service should be contemplated now. And abandoning the track is unacceptable.

LET PONTIAC LOOK OUT FOR ITSELF!

Pontiac County is being wooed from all directions. Maniwaki wants to join the Pontiac to form a Provincial electoral riding. The near end of Temiscamingue wants to stay with the Pontiac, and also Aylmer would like to have Pontiac for a partner in their new electoral delineation.

Each of these adjacent areas has a good reason, no doubt for joining Pontiac. Surely Maniwaki would be better served as part of an eventual Pontiac riding than they would be if they became the outskirts of a riding centered in Mont Laurier, which seems to be the only alternative for Maniwaki at present. As for the south-eastern part of Temiscamingue, they would prefer to stay with Pontiac than to go with the rest of Temiscamingue to the Abitibi, forming a distant outpost for Rouyn-Noranda. Aylmer too, faced with the possibility of becoming the edge of a large metro area including Hull and probably Buckingham, Gatineau, and so forth, would prefer to take on dear old Pontiac to get the magic number of 26,000 voters to form a riding.

Each is looking out for themselves, of course. Let the Pontiac look out for the Pontiac. Fair enough. So a public meeting was held in Campbell's Bay at the County Building last week for Pontiac to look out for itself.

Those who attended the meeting were aware of the possibilities and also realized that it was the wish of County Council that the new riding of Pontiac County should remain 100% rural. Also one of the Municipal Councils, the Shawville Council, had resolved that the Pontiac should remain together and not be divided in the new electoral map.

Bearing in mind these official views already expressed to the Commission, the meeting last Thursday decided to request of the Commission that Pontiac should remain together and strictly rural, without the addition of any urban center. If they were to be refused this request, they will ask, as an alternative but not as a first option, that Aylmer be included with the Pontiac to make up the required number of electors.

THE SECOND OPTION — NOT ALL THAT BAD

Not as a first choice, but as an alternative if the first choice is not possible, the Pontiac would accept to be joined to Aylmer to form their Provincial electoral riding.

At first glance this would seem to be allowing our County to be taken over by the big city of Aylmer. At second glance it doesn't seem to be all bad.

Consider that Aylmer does not include a large network of highways and that the one in which they are mainly interested is the same old 148 which serves the Pontiac. Grants would not have to be spread over miles and miles of roads, as they would in an entirely rural riding which would have to include parts of Gatineau, Labelle and even Papineau to make up the required electorate. This would apply to other grants as well. The various Departments of Government would have Aylmer and the Pontiac to consider in this riding, and that would be all.

Geographically, Aylmer would be a more convenient addenda to the Pontiac than any other area. One Member of the National Assembly could get to all points in such a riding quite easily. Our present delegate, for instance, has to pass through Aylmer on his way to Quebec each week. This easy access would mean that all parts of the riding would get more service when it was needed. The Member would never be far away, except when he was actually in Quebec City.

Demographically, Aylmer is close to the Pontiac. That is to say that there are close social ties between the residents of Aylmer and on up the Pontiac. They know who we are and we know who they are. If proximity and similar interests count. Aylmer is obviously the most acceptable alternative.

Dear Sir:

For the last few weeks I haven't been getting my EQUITY until it is a week or more old. I was getting it on Saturday which was not too bad but getting it on a Wednesday or Thursday a week after isn't so good. Hope this letter will speed up the paper.

The Editor,
THE EQUITY

Gentlemen:

On Tuesday, February 19th at 7:30 p.m. at the Beaconsfield Municipal Court, the legal challenge of the constitutionality of the Montreal Urbain Community's unilingual traffic ticket will be held. This challenge is vital to establish whether or not Section 133 of the British North American Act really guarantees language rights to the English speaking citizens of the province of Quebec.

A traffic ticket is a notice of the courts advising the recipient of the fact that he or she has violated the traffic laws. It is not only the advise of the offense, but it also tells the recipient of his rights and obligations concerning the violation. As such, it should be in both of Canada's official languages so that the recipient can understand clearly what offense he or she has committed, and what he or she must do to comply with the law. A unilingual French ticket, such as is and has been circulated by the MUC police, thereby is a denial of a fundamental constitutional right of the English speaking Quebecer.

I felt that when the Supreme Court decision was delivered in December, the problem would be resolved. However, the lawyers for the city of Montreal still contend that Section 133 is not binding on their level of government. Thus, it is even more important to proceed with this court challenge.

When we announced our plans to challenge the unilingual ticket, we had many offers of financial support to meet the legal costs involved in this challenge. We refused them as I felt that the federal government, as the senior level of government in Canada, had the responsibility to accept these costs. They had financed the legal costs of the Georges Forest challenge in Manitoba right to the Supreme Court of Canada. I felt that they had the responsibility to support this challenge of a franco-Manitoban and they had an equal responsibility to pay the costs involved in the challenge by an anglophone Quebecer. My communications with the Secretary of State's department were positive, even to the extent where I spoke personally with David MacDonald in Quebec City and he assured me verbally that the funding was forthcoming. However, last week, Mr Tony Gray of the Secretary of State's office, told us verbally that all such expenditures were frozen, he said, by cabinet decision. Typically, as a civil servant, he has refused to confirm this in writing.

Nevertheless, we must proceed with this challenge, and we must now ask for financial support from the community. This is the time for each Quebecer who believes that there are legitimate constitutional language rights for English speaking Quebecers to match his or her concern with a financial contribution so that this court challenge can be properly executed. We have opened a Trust Account for the purpose and we seek your support.

This court challenge is vital to establish the constitutional rights of the English speaking Quebecer. It's only the beginning of many challenges as well. Show your concern by helping me make it a success.

You become a Rotarian by having a classification. Anyone who does something has a classification, manager, farmer, salesman, etc, this should not be a problem for any active member of the community. There are now 20 members in our club, but we would welcome additional members.

we would appreciate it if prospective members would contact us for information about Rotary. We can offer good fellowship, community involvement as well as national and international participation.

Grist and miscellaneous items

Someone in Quebec City has come up with the news that the Municipality of Thorne, along with Low, Wright, Kazabazua and half a dozen others, can't prove their existence since all records of their incorporation were burned up in a fire in 1875. By an amendment to the Municipal code in Quebec, all these places could be made legal entities, but in the 105 years since the fire the Quebec Government has never found the time to do this. This, according to a Quebec correspondent for Le Droit.

A number of people have informed us that they received the English copy of their license renewal application. If the next person who receives one in English would bring it to the Printshop, we could put the essential translations in the paper for the benefit of those who are still struggling with the French version.

André Benoit, who was the Progressive Conservative candidate in Pontiac for the recent general federal election, told Wallace McDonald on the night of the election that he was already getting organized for the next one. His defeat by Tom Lefebvre didn't discourage him. Benoit won almost 17% of the riding's vote, getting a majority in Shawville and in Clarendon and one poll of Bristol. Between now and the next vote he says he will concentrate on the Maniwaki and Mont-Laurier parts of the riding.

St Paul's Anglican Church, which includes Caldwell, Parkman, Radford and Shawville will be hosting a special service "Year of Renewal" for all couples married in this parish. Rev Bowkett hopes to have the past five former ministers in attendance to partake in the service which is to be held May 18th. Couples should send their names and address to Rev Bowkett.

The Ladysmith Broomball team played on Monday night and the score was a 1-1 tie. Rolande Letang scored the goal for A Team and Sylvie Chartrand scored the goal for the B Team.

Bell Telephone is asking the CRTC for permission to increase phone rates on May 1st and then again, by a larger amount, on September 1st.

The Parti Quebecois has its very future at stake in the coming Referendum so it's natural for them to be setting the rules to their advantage. One of the rules is that only one organization can officially oppose the plan for separation from Canada. The one organization recognized for this job is the Provincial Liberal Party of Quebec. Claude Ryan, the elected leader of Quebec Liberals, has said that his committee would provide the incoming Prime Minister Pierre Trudeau with occasions to speak on the issue of national unity during the referendum campaign. Claude Ryan feels that the Liberal landslide in Quebec is an expression of Quebec approval of the federalist option.

The Shawville Figure Skating Club will hold a brown skirt exchange at the arena on Saturday afternoon, March 1st, from noon to four o'clock.

This year the Shawville Agricultural Fair will hold an all-breeds fun dog show, Sunday afternoon in the arena. Anyone interested in helping should contact Heather Dickson at 647-2204 or 647-3137.

Sponsored by the Shawville United Church, a family from Laos has settled into one of the John S. Hodgins apartments. The newcomers are Vilaphong Suyavong and his wife Bounmy, and their children Vannaphone, Kesone, Bounnakhone, Phouthakone and Vatthavone. It will now be ghe responsibility of each family in town to assure that these strangers become happy citizens within the shortest possible time.

The CRDO has reserved two thousand dollars of its budget to come to the aid of a project for a cooperative slaughter house in the Gatineau. The money will pay for a specialist to put together a request for the necessary grants from the Quebec Government. Meanwhile, the Pontiac request for a similar grant seems to have been either lost or outright discarded.

Unclear nuclear prerogative

By Robert Wills

Refrain:
It's such an unclear nuclear prerogative
That takes the people from their natural homes.
It's such an unconscious govern-mental policy
That lets the people bear it all alone.

Alternate refrain:
It's such an uncertain future for Canadians
Because the people bear it all alone.

Oh the businessman, he wants money
The politician wants to make more jobs
The little man-of-the-land needs a pay check
So he can feed his family.

But in a hundred thousand years to come
The mining jobs will all be done,
And then we're left with a mess that no one wants
And no way to take care of it.

Oh the man on the street sees tomorrow
And that new car that he ought to drive
But his children's children will get out of here
(That's if they survive).

And when the money's all gone back to the government
And the U.I.C. runs out,
When the rivers are polluted
And the fish swim upside-down . . .

Keep it out of my yard and my garden.
Keep it out of my lungs and my hair.
If it's so good for you, stuff it in your own shoes
And walk right out of here!

Beech Grove W.I.

The regular meeting of Beech Grove W.I. was held at the home of Ruby Hammond with Mary Merrifield as co-hostess. Nine members and 3 visitors were present.

The meeting opened with the Collect and Ode. The motto "It's what you make of your home, not what your home is made of that counts" was discussed.

The roll call- an item of interest from the Handbook alerted all members to the importance of referring to this handy source of information from time to time.

A motto pin which belonged to Mrs J McKenney, Bernice Bennett's mother, was examined carefully. This pin dates prior to World War I.

Ruby Hammond also showed her mother's Institute Pin which is an Ontario W.I. Pin.

Minutes of the January meeting were read and approved.

A motion by June Emmerson seconded by Lois Martineau, a cheque for $50.00 is to be sent to Cystic Fibrosis Research.

Cookies were brought in for a Valentine box to be taken to the Home of the Hill on Valentine's Day.

A poem on Metric was read by the President which showed that Metric isn't so bad after all.

The programme was a demonstration of the uses of her new Micro-Wave oven by Ruby. She also explained in detail how micro-waves work and gave information about the safety in operation.

The efficiency of modern science is indeed a marvel, when one sees water boiling in a cup in seconds, an apple deliciously cooked, a potato baked in a matter of minutes and a can of juice defrosted while you'd blink your eyes.

Next meeting will be at the home of Beatrice Nugent on Tuesday, March 11th. Don't forget - an Irish poem, story or joke; also bring a suggestion of something you would like to have for programme in 1980. There will be a box, just drop your suggestions in - you don't need to sign your name. Your Entertainment Committee would appreciate knowing your preferences.

Ladysmith Update

Mrs. Verner Thrun

As everyone who was there knows, it was John Misner and the Valley Ramblers who supplied the music for the Valentine's Dane. Sorry John.

On the broomball circuit, February 18th the Panters shut out the Puffers to a score of 4-0. Sandy Pasch 2, Diane Yach 1 and Essie Schwartz 1. On Wednesday night the score was 2-1 for the Aces. Jackson Campbell scored the lone goal for the Rockets and Claude Létang scored both goals for the Aces. In the Junior division the Blue Wings won over the Norstripes 3-1. Pat Richard scored for the Norstripes while Cedric Tubman, Yves Létang and Jimmy Tubman each scored one for the Blue Wings. Friday night the weather was against us to have a game in the Pee Wee division. The Junior were playing hockey Saturday afternoon but it was the ice that took the beating.

Now that we have a few more inches of snow the cross country ski trails will soon shape up. This Sunday we had quite a few skiers out but some were not prepared for the soft snow which needs different wax. We hope conditions will be good for next weekend and that we will see you all out for the sport.

Water Skipping championship

The second annual Canadian water-skipping championship is scheduled for March 2, 1980, on a lake near Low, Quebec, 35 miles north of Hull.

Organizers of the event -- the Low and District Lions Club -- are expecting to top last year's attendance to close to 4,000 people. Many local and area snowmobilers already have entered the championship.

Water-skipping originated in the United States, with the Low and District Lions Club sponsoring the first Canadian championship held last winter. The object of the contest is to travel on open water -- ice having been removed from a lake -- with a snowmobile. More than 600 feet of open water was crossed by competitors last winter. This year's course is laid out in an elongated 'Z' -- each side measuring about 250 feet. Qualifying runs begin with a 250 foot section, second runs negotiate a curve and travel 500 feet, and the final run includes both cures -- the last sharper than the first -- and covers the full 750 feet.

Depth of water varies between four and eight feet.

'It's a thrilling event to watch," says Roddy McCambley, Lions member who organizes the annual water-skipping championship. "Some competitors will end up sinking themselves and their machines, but we have lots of members and equipment on hand to retrieve them immediately."

This year's races start at 12 noon on March 2, and will continue through until dusk.

The lake on which the contest will be held is located on the west side of Highway 105, about 2.5 miles north of Low. Its location is well marked with signs. Admission is $3, with children under 12 being admitted free. There will be lots of parking space, and food and refreshments will be available at the site.

Pee Wee All Stars

The Shawville Pee Wee All Stars accompanied the Atom-All Stars on a trip to Sudbury on February 8th weekend where they played a series of exhibition games. The team played three games, each game consisting of three, 20 minute stop-time periods with ice flooding in between.

The first was played Saturday morning in the Capreol Arena against a Sudbury team with Shawville winning 10—3 . Saturday afternoon the team moved to Valley East and played a most exciting game against a much bigger team. Although they played well the boys lost 6-3. Sunday morning the team played another Sudbury team in the Barrydown Arena. The Shawville squad had another big 19-1 victory. A good time was had by all.

On Sunday, February 17th, the Pee Wee All Stars participated in the Muskrat tournament at Westmeath. The first game saw the Shawville team defeated 4-2 by the hard skating Renfrew squad. The boys met Laroche Park in the second game and came up with an 8-0 victory. The third game against the hometown Muskrat team was a more exciting game with Shawville winning 3-0. The Shawville team won the 'B' Championship.

The Pee Wees are also involved in the Ottawa Valley league play offs. The first place Shawville team met the fourth place in a home and home series. The first game played last Thursday brought out the best in the Shawville squad as they had to work hard to come up with a 3-0 win. Ben MacIntosh, assisted by John Campbell, scored two of the goals, with Brent Wickens, assisted by Ben, netting the other.

The Shawville team then travelled to Arnprior the next night and came up with a big 10-2 victory to finsih off the series.

The boys must wait for the winners of the second and third spots to play off so they can go into the finals.

Winter Carnival at Shawville
The Pontiac Peaches (plus one future star)★

Airline hostesses ahoy!

Trying to locate ex-airline hostesses from Trans-Canada Airlines, now Air Canada, isn't easy. Many of them left their jobs to get married and so their names are changed. They are being sought to be invited to a grand reunion which will be held in Toronto in May. If they would just contact their Air Hostesses Association, everybody would be happy to hear from them.

Wednesday evening the Pontiac Peaches played the Pontiac Old Timers in the basketball challenge of the winter carnival. Peaches team members from left to right are; back row Heather Dickson, Helen Lang, Morag Stevenson and Joyce McCagg; middle row, Helen Routliffe, Diane Stanton, Jean Thompson, Ann Taylor and Bonnie Richardson; front row Heather MacKechnie, Donna Towell, Peggy Cruickshank, Susan McCleary and Marilyn Desabrais. Game mascot and head cheer leader was Leslie Dickson.

Every Wednesday evening at 7:30, at PPHS, these ladies play in a recreational basketball program and always welcome new participants. EQUITY PHOTO

Waltham Review
Mrs. Arthur Labelle

Our Lady of Perpetual Help Church was the setting for the second anniversary of the Waltham Prayer Group on Monday, February 11th at 8 pm.

Members were welcomed by Mrs Marie Campbell, Mrs Laurette Romain, Mrs Leo Ethier. Each member was given an identification tag in the form of a heart and a small wooden cross.

Several members of the Chapeau Group as well as Waltham members were in attendance.

A candlelight atmosphere lead to several beautiful expressions of Thanksgiving, praise and petition. Speakers were Rev Peter Proulx, Mrs Laurette Romain and Bernard Dupuis. The group joined in the singing of hymns.

The Consecration of the Eucharist was solemnized by Father Proulx, with members seated at a long beautifully arranged table, decorated with lighted tapers and red roses.

All present received Communion under both species, followed by prayers of Thanksgiving. An hour of good fellowship and refreshments rounded off an evening of fulfillment in the Lord.

Monsieur Jean-Guy Lallemand
Sécretaire-Trésorier- Village de Bryson
Bryson, Quebec
JOX 1H0

Lettre ouverte:

Monsieur,

Nous sommes très contents de l'intérêt que votre Conseil municipal manifeste au sujet des conditions de logement dans le village de Bryson. Le C.L.S.C. partage cet intérêt et est prêt à aider, à la fois, les locataires à défendre leurs droits, et les propriétaires-résidents qui voudraient améliorer leurs conditions de logement.

A propos des statistiques sur les conditions de logement qui ont paru dans l'article de l'Equity que vous citez, nous aimerions vous informer que nous les avons obtenues du Recensement Canada 1971; ces statistiques paraissent dans la publication 'Rapport d'études et recommandations" du Conseil Régional de Développement de l'Outaouais du mois de mai 1976.

Ces statistiques réfèrent à tout le comté de Pontiac et pas spécifiquement au village de Bryson. Il se peut bien qu'il n'y ait pas de logements sans eau courante ou toilette intérieure à Bryson; il n'y a pas de statistiques disponibles an niveau de chacune des municipalités du Pontiac.

En espérant que cette explication des statistiques vous satisfait, nous vous prions d'agréer, monsieur, l'expression de nos sentiments les meilleurs.

Wyman Institute

The Wyman W.I. held their regular meeting at the home of Mrs Garth Graham, Thursday afternoon, February 14 with fifteen members and three visitors present.

Mrs Ross opened the meeting with the motto, ode and collect.

The roll call 'Bring a Valentine or a Get well Card for a sick or shut in friend". The verses on the cards were read aloud, then many of the cards were signed by all present. A valentine was sent to a young friend, Troy Dods, in hospital, with a broken leg.

The minutes were read and approved also the treasurer's report.

Correspondence included a list of articles for the Expo-Quebec Handicrafts, and an application form for a request for the Abbie Pritchard throw. A motion that we apply for two throws was carried.

Convenors items- home economics - High Fiber Diet in maintaining general health and preventing disease".

Agriculture- Waste Heat-use in greenhouses- roses grown at Carp, the Origin of Valentine's Day - How it was collected from many countries. Citizenship- annual report, education- honest thoughts of a child on grandmothers.

Mrs Ross appointed Mrs R Trudeau, Mrs J Charbonneau, and Mrs W MacKechnie to the nominating committee, and Mrs A Mayhew, Mrs W Miller, and Mrs E Smith as program committee.

Each member turned in a suggestion for one program and one roll call.

Several members turned in W.I. pins for those who do not have one.

One article was brought in for the sale table at Convention.

Pennies for friendship were collected.

Mrs M Stewart, Health and Welfare convenor, presented the program. She read an article, 'How to keep fit for longer living" suggestions for keeping the heart in good condition. Physical fitness is linked to every faucet of man's well-being. Stree accounts for a great deal of heart trouble. Striding or a briskwalk is much more beneficial than a longer slow stroll.

The quilt made for persons in need is to be given to the family from Laos who have come to live at Norway Bay.

It was decided to serve lunch before the meeting in 1980-81 rather than after as at present.

The March meeting will be pot luck at noon at the home of Mrs S.W. MacKechnie.

Tea was served by Mrs Graham and co-hostess, Mrs J Charbonneau, assisted by Mrs R Trudeau.

Approx. distance to delete 2.4 km. Road 15 Christenson road from route 303 to former residence of D. Christenson. Delete 1.49km. Motion by Clrs. Schock and Bergeron that the above roads be deleted from 1979;80 snowplow 12.9 form, due to residents having moved elsewhere. That Que. Dept. of Transport be notified of above changes.

The following bills were presented to Council for payment. Shawville Minor Hockey Association 12.00, D. Zacharias and D. Bretzlaff 11071.20, Valley Blades Ltd. 108.35, Imperial Oil Ltd. 113.89, C. Miller 27.76, M. Bretzlaff 750.00, 18 cost of notice 4.50 and half share of phone 17.82, Rec. Gen. of Canada 94.43, Que. Min. of Rev. 62.88. Motion by Clrs Hodgins and Pasch that above bills be paid.

Motion by Clrs Schock and Bergeron that tender ad for road foreman and grader operator for Thorne Municipal roads be placed in THE EQUITY ad column week of Feb. 19 and 26. That tenders to be opened at meeting of March 3.

Correspondence for month was reviewed and the only interesting news is that letter from Jean-Guy Larivière MNA stating that road north of Ladysmith is supposed to be started in 1981.

Salary for current year was agreed upon at $750.00 after lengthy discussion. That Council agreed to pay for the extra help to person making out the 1st and 2nd tax notices to go out this year. The first tax notice to go out about March 1st for part of your 1980 taxes. This amount is based on total amount of your 1979 Municipal taxes (let us make it even money) with no valuation to be inscribed on tax notice. The 2nd tax notice to be sent out around July or after rate has been set and valuation corrected, for the balance of your 1980 taxes, to all ratepayers entered on the valuation roll. Property owners who did not receive a tax notice in March will be billed on the second notice.

Motion by Clrs Schock and Hodgins that Thorne Council does not accept the new valuation roll due to too many errors in property description, valuation of property and buildings and a large number of omissions. That the roll to be returned for correction by Michel Legace Inc.

Motion by Clrs Hodgins dna Schroeder to adjourn to next meeting on March 3 at 7 p.m.

Shawville hospital auxiliary

The February meeting of the Shawville Hospital Auxiliary was held at the home of Mrs Gordon Paul with twenty members present.

The President opened the meeting with Prayer, welcomed the members and thanked Mrs Paul for her kind invitation to her home. Get well cards were signed and sent to absent members, who are ill.

Minutes were read by our secretary, Mrs Beck, and approved. Mrs Gordon Paul, our treasurer, gave the financial report. Money from Hospital Showcase received. It was decided to buy Praying Hands pens and refills.

Mrs Hurst Hodgins made a lovely crib quilt, and donated it to the Auxiliary. It was sold at the meeting. There were donations of many lovely articles for the show case and sixteen pot holders for use in the hospital.

Mrs F McCagg donated a mystery parcel which was sold by auction and won by Christine Armour, a very useful tupperware container. Tickets were sold on two valentine boxes and won by Mrs A Dagg and Mrs Ken Smith.

There was a discussion of ways and means of financing. It was decided to have a food sale at a future date. All members to bring an article for sale in the showcase at the next meeting.

We were pleased to have Miss Gavan, our Nursing Administrator, to speak to us on the hospital news and needs.

Meeting closed with delicious refreshments served by Mrs Gordon Paul and Mrs Arthur Dagg.

Our March meeting will be held at the home of Mrs Lennis Barr with Mrs Bowkett assisting.

Obscure latin words and bewildering legal jargon. You come across them in most important documents. Dealing with business, banking, insurance, property, taxation and so on. However, like most people, you're probably hazy about the precise meaning and implications of legal lexicon. Until you find out the hard way—in a court room.

Now there's a much easier way to understand 'legalese'. Via THE CANADIAN LAW DICTIONARY. Canada's first, this dictionary has taken almost three years and as many as five exhaustive revisions to compile under the meticulous scrutiny of the Editorial Advisory Board of Law and Business Publications.
