Three free rabies clinics scheduled as a result of bat problems in Fort Coulonge

With still more bats making their presence known in and around Fort Coulonge, the Mayor Hector Soucie and his Councillors have been seeking advice and financial help from the Provincial Government Department of the Environment to get rid of these pests. A large number of bats are believed to be living in the old school house and numerous families have had the unpleasant experience of bats moving into their attics and outbuildings.

Involvement of the Provincial Government has been limited to advice. Soucie has been informed that there is no fund available to help his municipality for this purpose, but Alphège Coron of the Quebec Department of the Environment in Hull has offered to publish all necessary information about bat extermination and to work with the Pontiac Environment inspector Eugène Coté on this project. Mr Coron can be reached in Hull at 770-0004.

Meanwhile, the Federal Department of Agriculture, Health of Animals Branch, Hull Division, under Dr. Paul Séguin, has arranged to hold three rabies clinics next week. They will be at the Fire Hall in Fort Coulonge on Tuesday, August 16, then in the Fire Hall at Campbell's Bay on Wednesday, August 17th, and in Shawville at the Agricultural Community Center on Thursday, August 18th. At each place they will immunize dogs and cats brought in by their owners at no charge to the owners. The Federal Government will pay all expenses. The clinics will be held for a couple of hours both morning and afternoon.

Pontiac-Temiscamingue road campaign started in Fort Coulonge

Fifty people gathered at the Municipal Fire Hall at Fort Coulonge Monday night to set in motion a plan for the eventual realization of the long-sought road linking Pontiac and Temiscamingue. Evidence at the meeting proved that surveys of the proposed road and requests for its building have been around for at least 39 years.

Among those present were Jean-Guy Larivière, MNA, Basil Quaile, County Warden and Mayor of Leslie Clapham and Huddersfield, and Mayor Herault of Mansfield, Mayor Carroll of Waltham, Mayor Larivière of Allumette Island West, Mayor Burke of Pontiac Municipality, Mayor Corriveau of Litchfield, Councillor Chouinard of Rapides des Joachims and County Clerk Clifford Robillard.

The meeting was chaired by Jean-Yves Fortin who, with Mr Froment and Mrs McGrath were the instigators of the assembly. Mayor Soucie announced at the outset that the business of the evening would be conducted bilingually since "this County is bilingual and we can work together for the benefit of all."

"For the economy of this County we need a road to Temiscamingue", said Soucie, "in a short time there will be government administration in Hull and we'll be going there instead of to Quebec City. For the people of Temiscamingue and Ville Marie this route will be essential."

He wished it to be put on record that if Pontiac doesn't get the road to Temiscamingue within a very short time, all the new roads will be built to connect Pontiac woodlands with Maniwaki and all this natural resource of Pontiac County will go to feed industries outside the County. The people of Gatineau have been pressing for this since 1972 and are still working towards that end. It was pointed out that considerable government money has already been spent to provide penetration roads into the bush for the Gatineau area and also for roads in the Temiscamingue area. Only the Pontiac woodlands have been left out in this road building.

Alec Webster, Division Forester for Ottawa Division of Consolidated Bathurst, showed the meeting where the present well-built bush roads exist between Pontiac and Temiscamingue, pointing out that with a very few extra miles of roadway there could be complete access between the two. Wood product companies have been building good roads and bridges strong enough for bulldozers to cross, throughout the area. The Commonwealth Plywood Company which recently bought the Pontiac Lumber sawmill in Rapides des Joachims, for instance has completely rebuilt the Sheerway bridge. Also there is a first rate highway from Bearn to a new bridge at Red Pine Chute. Linking these and other lumber roads would provide forest penetration sufficient for the needs of a number of present and future industries in this County, according to Mr. Webster.

Jean-Guy Larivière offered to set up a meeting for three delegates from the County of Pontiac with representatives of the Departments of Roads, Tourism, Industry and Lands and Forests. They will have a map of the area in question showing all the present roads which the lumber companies have built. Although Pontiac pressure for the needed link to Temiscamingue has been on record since January 3rd, 1928, the local group feels that Gatineau pressure since 1972 may have been carrying more weight with the Provincial Government departments. The original road sought was to be a project of the Department of Transport. The present request is for a penetration road through the auspices of the Lands and Forests and Industry departments. However it is considered that wherever the penetration roads are now built the future highway will also be built.

After the situation was explained from various angles for several hours, there appeared to be only one person in the fire hall at Fort Coulonge who still did not understand all its implications. Also the Councillor from Rapides des Joachims was not convinced that the road would bring her village any closer to the rest of this County. But the project is going ahead. The meeting will take place with the Government representatives, and the Fortin-McGrath-Froment committee will continue to press for an early decision on the routing of this road. The delegation to meet with Larivière's joint-departmental committee will include Mr Froment, Mr Soucie and Mr Bernard.

Ina Kilgour Provincial President

Mrs Walter Kilgour, Shawville, has been appointed president of Quebec Women's Institutes Inc. At the present time there are 86 branches of Q.W.I. representing 20 counties and with a membership of 1875. Mrs Kilgour has been Clarendon Branch president, Pontiac County president, Provincial Agriculture Convenor and Vice President of Q.W.I.

Guaranteed Income for Beef

For calves sold under the Quebec Guaranteed income program the average herd weight must be 350 pounds in 1977 and it will be 400 pounds in 1978.

If the average weight of all calves sold from a herd is less than 350 pounds, a minimum weight of 225 pounds is required for a female and 300 pounds for a male.

No compensation will be paid for animals weighing less that these minimum.

MORE THAN A HYPHEN IS NEEDED

For ever and a day we have been using the useless little hyphen to connect Pontiac and Temiscamingue, as in Pontiac-Temiscamingue. Especially during elections we are bombarded with the Pontiac-Temiscamingue fiction. It's unreal. That's why we call it a fiction.

Pontiac-Temiscamingue, in the eyes of anyone who has never been here would seem to be a close-knit area; adjoining territories with easy access back and forth. One man has been supposed to represent us in parliament, be it provincial or federal, changing from time to time as politics dictates. In fact there is no access between the two without going outside the Province. Pontiac and Temiscamingue may as well be the Magdalene Islands and the Gaspe, as far as communication is concerned. In each case you can fly from the one to the other but you can't drive on Quebec roads.

But now at last the annoyance at this situation has taken shape and a committee is in place to take action. It's not just a matter of getting a road from Pontiac to Temiscamingue but also of making sure the connecting roads will provide access to the natural resources of this County to feed present and future industries within this County. The notion that the wood of Pontiac should provide jobs for Pontiac people is finally being expressed officially and our own delegate to the National Assembly supports the idea.

It took three citizens of Fort Coulonge, Jean-Yves Fortin, Irene McGrath and Gilles Froment, to get the ball rolling again but evidence has come to light proving that the need has actually been felt for at least 39 years.

Now that the effort has been renewed, it would help the cause if each Municipal Council and also some of the service and social clubs, would send resolutions to the Quebec Department of Lands and Forests, requesting that forest penetration roads be completed to link Pontiac with Temiscamingue, using the generous 50% grants offered by the Federal Government for just this purpose. The money has been appropriated. It will be used somewhere. Now, we feel, is the time to get more than just a hyphen between Pontiac and Temiscamingue.

POLICE NEWS

Quebec Police have abandoned the search for a body which was allegedly seen by a swimmer about ten feet under water at Bryson beach. Either the current had moved the body away or some other unforseen factor was involved. The police have no reason to discredit the witness and in fact have commended her for her prompt action in alerting them last week.

Meanwhile Constable Richard Poirier is investigating the theft of a white 1976 Renegade Jeep from the Ladysmith area. The $8000 vehicle is the property of Brian McGrath of Toronto. Constable Poirier would appreciate the help of the public in retrieving this expensive car. It is fully equipped with CB radio, mag wheels 12 inch wide tires, four wheel drive, convertible, black top, and carries an Ontario 1977 licence KVW566. The police are positive it has not left the County and hope someone will locate it in the bush somewhere. The current theory is that it was taken by joy riders and abandoned nearby.

Most other police activity over the weekend related to minor accidents. The police would appreciate all the help possible from the public in reporting hoodlum type driving at night.

Letters from our readers

It is my privilege to have organized a course in Log House Construction to be taught by the well-known Canadian log builder, B. Allan Mackie at Norway Bay, Quebec.

The course consists of two parts; the full-time practical course which is now filled and the part time auditor course which includes four lectures and is open to everyone, to the capacity of the Centennial Hall in Norway Bay.

This venture is voluntary on my part and all course fees are to pay Mr Mackie. I would like to ask that you share this information with the people of Pontiac County so that they may attend this wonderful seminar if they so desire.

The lectures at the Centennial Hall are on Sunday night and Monday night, Sept. 4th and 5th, and Friday night, Sept. 9th, from 7:00 to 9:00 p.m. The fourth gathering will be on Saturday, Sept. 10th, noon till 2:00 pm at the construction site on Bay Ave.

The fee for this entire course is twenty dollars, payable in advance or at the door on the first night. Additional information can be obtained by writing to Carl Beck, 2920 Heatherington Cr., Apt 504, Ottawa, Ont.

Thank you for your consideration.

Yours truly,
Carl Beck.

"P.Q. government preoccupied with language and separating"

says Jean-Guy Lariviere to national assembly

Mr chairman, I feel that the governement is very irresponsable by spending the last three months on the language bill instead of tackling the real problem that exist in the Province. In three months, this assembly could have done a lot in passing economic legislation that would have helped hundreds of thousands to get jobs. Bill 101 Mr Chairman, was not necessary, Bill 22 went plenty far in promoting the french language. The problem that existed in the education chapter could have been amended easily, but it seems to me that the government is preoccupied only in language and separation. Gentlemen, you were not elected on that banner. You promised all Quebeckers a good responsible government, but in the last eight months, you went against all these principles. Bill 101 is tramping on the rights of millions of Quebeckers, that was said in many briefs presented in the Parliamentary Commission by some very important groups, but you failed to listen to them, you seem to pay more attention to half truths, reference out of context quotations, and expressions of out of the ordinary situations.

It is important to recognize that there are fundamental rights, both individual and collective, which precede any constitution and which no majority may legitimately infringe; that is the case, in particular, for the freedoms inherent in the human person or the natural right of nations or peoples to self-determination.

This proposal does not in any way prejudge the division of powers and responsabilities between the two areas of government with respect to protection and enjoyment of these fundamental rights. It simply establishes the principle that constitutions are made for men and not men for constitutions.

It is even fair to say that constitutions exist primarily for the protection of individuals and minorities. Majorites have other means of protecting themselves and may be tempted to abuse their power. An injustice does not become a just act merely because it has been approved by a majority. Thus, there are moral rules and natural limits which majorities cannot set aside without becoming tyrannical. One of the principal objectives of any law is to establish the rules and limits within which governments must act in order to make legality coincide as much as possible with legitimacy.

Equality is an ideal to be striven for in every way possible. Be they French-or-English- speaking and wherever they may live, all Canadians must be full citizens, having in principle the same rights, the same responsibilities and the same opportunities for self-fulfilment.

However, if we are to achieve equality, we must go beyond mathematical formulas or rigorous legal provisions, for we shall not do so by extending the same measure of assistance to all; on the contrary, those who most need help must be given more. Just as economic equality can be brought about only by the fairest possible equalization of wealth between states and between regions within each state, so the more imperilled of our two national cultures must receive greater support if cultural equality is to be attained.

The secret of relations within any country is the good will and tolerance of its population. No set of rules can be the life blood of a nation. We of Quebec, today, have a reputation second to none in the nations of the world. We have proved outselves in peace and war.

There are no obstacles which human wisdom cannot overcome. All that is needed to triumph is a strong will and a noble ambition.

Bill 101

Charter of the French language

73. The persons designated by the Minister of Education under section 71 may verify the eligibility of children to receive their elementary instruction in English even if they are already receiving or are about to receive their instruction in French.

Children whose eligibility has been confirmed in accordance with the preceding paragraph are deemed to receive their instruction in English for the purposes of section 69.

74. A certificate of eligibility obtained fraudulently or on the basis of a false representation is void.

75. The Minister of Education may revoke a certificate of eligibility issued in error.

76. A school body not already giving instruction in English is not required to introduce it, and shall not introduce it without express and prior authorization of the Minister of Education, who shall grant it if of opinion that it is warranted by the number of pupils in its jurisdiction who are eligible for instruction in English under section 69.

77. The Government may, by regulation, prescribe the procedure to be followed where parents invoke section 69, and the elements of proof they must furnish in support of their request.

78. An appeal lies from the decisions of the school bodies and the persons designated by the Minister of Education dealing with the application of section 69, and from the decisions of the Minister of Education taken under section 75.

79. An appeal under section 78 is brought before an appeals committee formed for that purpose by the Government, following the procedure established by the latter.

80. No secondary school leaving certificate may be issued to a student who does not have the speaking and writing knowledge of French required by the curricula of the Department of Education.

81. The Government, by regulation, may determine the conditions on which certain persons or categories of persons staying in Québec temporarily, or their children, may be exempted from the application of this chapter.

82. Nothing in this act prevents the use of an Amerindic language in providing instruction to the Amerinds.

83. Notwithstanding sections 68 to 81, in territories under the jurisdiction of the Cree School Board and the Kativik School Board, respectively, according to the Education Act, the languages of instruction shall be Cree and Inutituut, respectively, and the other languages of instruction in use in the Cree and Inuit communities in the said territories on the date of the signing of the Agreement indicated in section 1 of the Act approving the Agreement concerning James Bay and Northern Québec (1976, chapter 46), namely, 11 November 1975.

The Cree School Board and the Kativik School Board shall pursue as an objective the use of French as a language of instruction so that pupils graduating from their schools will in future be capable of continuing their studies in a French school, college or university elsewhere in Québec, if they so desire.

After consultation with the school committees, in the case of the Crees, and with the parents' committees, in the case of the Inuit, the commissioners shall determine the rate of introduction of French and English as languages of instruction.

With the assistance of the Minister of Education, the Cree School Board and the Kativik School Board shall take the necessary measures to have sections 68 and 81 apply to children whose parents do not qualify for benefit under the Agreement.

This section, with the necessary adaptations, applies also to the Naskapis.

CHAPTER IX

MISCELLANEOUS

84. The use of any language other than that prescribed in this act remains allowable except where this act requires the use of the official language exclusively.

85. Subject to section 10, anything that, by prescription of an act of Québec or an act of the British Parliament having application to Québec in a field of provincial jurisdiction, or of a regulation or an order, must be published in French and English, may be published in French alone.

Similarly, anything that, by prescription of an act, a regulation or an order, must be published in a French newspaper and in an English newspaper, may be published in a French newspaper alone.

86. Where this act authorizes the drafting of documents both in French and in one or more other languages, the French version must be displayed at least as prominently as every other language.

87. Nothing prevents the use of a language in derogation of this act by international organizations designated by the Government or where international usage requires it.

88. In addition to its other regulation making powers under this act, the Government may make regulations to facilitate the administration of the act, including regulations specifying the scope of the terms and expressions used in the act.

89. The regulations of the Office de la langue française or of the Government made under this act come into force from their publication in the *Gazette officielle du Québec* together with a notice of the date of their approval or adoption by the Government, whichever applies.

The Government, before adopting or approving a regulation under this act, must publish the draft regulation in the *Gazette officielle du Québec* at least sixty days previously, except regulations tabled in the National Assembly before the coming into force of this act.

If a regulation of the Office de la langue française or of the Government is amended, the amended text comes into force on its publication in full in the *Gazette officielle du Québec*.

Regulations ascribed by this act to the Office de la langue française, approved and tabled before the coming into force of this act, are deemed regulations of the Office de la langue française.

90. The following persons and bodies have the right to use Cree and Inutituut and are exempt from the application of this act, except sections 82, 83 and 91:

(*a*) persons qualified for benefit under the Agreement indicated in section 1 of the Act approving the Agreement concerning James Bay and Northern Québec (1976, chapter 46), in the territories envisaged by the said Agreement;

(*b*) bodies to be created under the said Agreement;

(*c*) bodies of which the members or stockholders are in the majority persons referred to in subparagraph *a*.

This section, with the necessary adaptations, applies also to the Naskapis.

91. Bodies referred to in subparagraphs *b* and *c* of section 90 have as an objective the gradual introduction of French into their administration to facilitate communication with the rest of Québec. The Office de la langue française will assist these bodies in pursuing this objective.

This section, with the necessary adaptations, applies also to the Naskapis.

92. The Indian reserves are not subject to this act.

93. The various agencies of the civil administration, and the health services and social services, the public utility firms and the professional corporations referred to in this act are listed in the Schedule.

TITLE II

THE OFFICE DE LA LANGUE FRANÇAISE AND FRANCIZATION

CHAPTER I

INTERPRETATION

94. In this title,

(*a*) "Commission" means the Commission de toponymie established by this title;

(*b*) "Minister" means the Minister responsible for the application of this act;

(*c*) "Office" means the Office de la langue française established by this title.

CHAPTER II

THE OFFICE DE LA LANGUE FRANÇAISE

95. An Office de la langue française is established to define and conduct Québec policy on linguistics research and terminology and to see that the French language becomes, as soon as possible, the language of communication and work in the civil administration and business firms.

96. The Office is composed of five members, including a president, appointed by the Government for not more than five years.

[[**97.** The staff of the Office shall be appointed and remunerated under the Civil Service Act (1965, 1st session, chapter 14).]]

98. The president shall exercise in regard to the members of the staff of the Office the powers vested by the Civil Service Act in the deputy-heads of departments.

[[**99.** The Government shall fix the fees, allowances or salary of the president and of the other members of the Office or, as the case may be, their additional salary.]]

100. The duties of president of the Office are incompatible with any other duties.

101. If the president is unable to act, he shall be replaced by another member appointed by the Government.

102. No member of the Office shall participate in the discussion of a question in which he has a personal interest.

The Office shall decide if he has a personal interest. The member concerned shall not participate in that decision.

103. Three members shall constitute a quorum of the Office. In case of a tie vote, the president shall have a casting vote.

104. At the expiry of their term, the president and the other members of the Office shall remain in office until they are reappointed or replaced.

105. The seat of the Office shall be in the City of Québec or in the City of Montreal, as the Government may decide.

The Office shall have an office in both cities.

The Office may hold its sittings at any place in Québec.

106. The minutes of the sittings approved by the Office and certified by the president or the secretary are authentic. The same applies to documents or copies emanating from the Office or forming part of its records when they are signed by the president or the secretary of the Office.

107. The members and staff of the Office cannot be prosecuted by reason of official acts done in good faith by them in the performance of their duties.

SHAWVILLE FAIR - SEPTEMBER 1, 2, 3, 4

An agent from Job Creation Branch of Canada Manpower will be in the office at Campbell's Bay every Thursday from 9 am to 4 pm. Anyone wishing to meet him may phone Dan Ryan for an interview at 648-2146.

Nobody applied for the six month jobs to investigate communications in the Pontiac, so there were no interviews last week to choose four candidates. Now the men who are in charge of the project will have to find somebody from among those first few applicants or abandon the project altogether.

Due to a technicality, the meeting to decide on raises for the councillors of Clarendon was postponed. The whole thing will have to be reintroduced at council and go! the full course again before these men can claim their adjusted salaries. Oh well, as they say, nothing worthwhile is ever simple.

$100,000 has been offered by a group called Americans United to Combat Fluoridation, to the first individual who can provide one copy of any controlled experiments with the U.S.P.H.S. recommended fluorides and water that shows that poisonous fluorides are safe, beneficial and will cause no future body harms. The group includes 25 doctors, several ministers, politicians and other concerned people. For more information contact Dr Robert J.H. Mick, 915 Stone Road, Laurel Springs, New Jersey.

Tickets will be available for the opening banquet of Shawville Fair, Miss Shawville Fair Competition, on August 31, 1977 at 7 pm. Those interested contact Ann Rogers, Leona Eades or Sec. Everett McDowell before August 18, 1977.

Yes, we know how to spell "Rabid". Now we know. Last week for some reason we got it with two b's. We should have stuck to the medical term "hydrophobia", or even to the French term for rabies which is "la rage". Hopefully, rabies won't be back in the news soon, but whenever it does come into style again we'll surely have learned how to spell "rabid".

Contrary to information provided in the Directory of Services for Pontiac County, the office of the Secretary-Treasurer of the Municipality of Shawville is open from 9:00 to 12:00 and 1:00 to 5:00 , Monday through Friday.

Everyone interested in finding out more about a beef producers co-operative is invited to the County Building at Campbell's Bay on Wednesday evening, August 17th at which time some experts on co-operatives will be present to answer questions. If the proposed co-op is to become a reality there must be a good number of beef producers on hand at this meeting.

Senior Cadet D. Montgomery of Chapeau is a supervisor this summer at the Cadet Training School, Canadian Forces Base, Borden, Ontario. He has been promoted to an acting rank as a member of the Canadian Forces Primary Reserve, with a specialty in electronics. Along with 80 other college and university students from across Canada, Montgomery has completed a non-commissioned officers training course including leadership, first aid, fire safety, weapons and explosives safety, drill and military law, protocol and history, and is working with the reserve and regular force personnel who train about 500 cadets in electronics, aeroengines, airframes, photography, music, driving, radio communications, vehicle maintenance, athletic leadership, scuba diving and rifle marksmen coaching.

"The Twelfth"

The Orange Lodge Commemoration was celebrated in Cobden on July 16. A large crowd of Orangemen from Lodges in Toronto, North Bay, Shawville, Ladysmith, Renfrew County, Pontiac County, formed a parade led by the Renfrew Highland Pipe Band and Ladysmith float, followed by many decorated cars. Ball games and speeches were followed by a delicious dinner.

Sixtieth Anniversary

Minnie and Carl Zimmerling at their wedding in 1917 and today at their home near otter Lake after the party celebrating their sixtieth wedding anniversary.

Sixtieth Anniversary

Sixty years ago, on December 20, 1917, Carl and Minnie Zimmerling were married in Montreal by Rev. Jessinski of the Lutheran Church. Carl who orginally came from Ladysmith, and Minnie from Leslie now live near Otter Lake.

On July 30, their neighbour, Gustav Bretzlaff, held a party for the couple to celebrate their sixtieth anniversary. Their daughters Ester of Otter Lake and Magdelene of Vancouver their adopted son Peter Gratton of Ottawa and over 200 friends attended, dancing to the music of Alex Cobb's orchestra until early in the morning. An addition to Bretzlaff's garage floor, especially for the occasion provided dancing room for six squares. Memories of old-time barn dances were rekindled and everyone hoped that more would be held.

Women's Institute Meeting

The July meeting was held in the form of a picnic around Ruby Hammonds swimming pool. Nine members and two guests answered the roll call "Why I am a member of the Women's Institute, Violet Poole wrote a poem to express her feelings.

Why I am an Institute Member

Many, many years ago in 1939
I joined the Women's Institute
And found it simply fine
With business, work and pleasure too,
But when we went to dine
Each hostess had outshone herself
With salads and cakes devine.

With Hazel's ingenuity and Eva's pleasant smile
And Nettie at the pi-an-o.
Sing-songs could be heard a mile.
But then alas! the war came on
And members came and went.
New tasks, new roles, new duties too.
The Institue was spent.

It died, and for some years remained
Asleep or gone to rest.
Until another group arose with vigor, vim and zest.
So they in turn did take the reins
And they have done their best
To increase and stir up membership
Their efforts have been blessed.

I was not one of this ardent band
But joined in 65
And now in 77 I find this Institute quite alive.
We work and talk and play sometimes just as they used to do.
To Home and Country and ourselves
May we forever remain true.

Ditty bags were handed in.

The children took part in swimming contests and won prizes for their efforts. The afternoon was topped off with hot dogs, small cakes and ice cream cones.

Pontiac Runners do well at Quebec Regional games

Six athletes arrived at Maniwaki at 8:30 a.m. on Sunday, August 7th to attend the Quebec Games. There were 5 male and 1 female runners.

The top medallist from Shawville was Ronnie Beattie with 1 gold, 2 silver, and 1 bronze medal. The gold was won in the 800 metres run in 2 minutes 9 seconds, the silvers were in the 1500 metres and the 5000 metres. The bronze was won in a relay

Another medal winning Shawville athlete was Joe Richardson. He won a silver in the 3000 metres and a bronze in the 1500 metres.

Nancy Wilson, our female runner, acquired a gold for her performance in the 1000 metres. Her time was about 4 minutes.

Ron Lance also came home with medals. He won a silver in the 800 metres and a bronze in the 3000 metres.

Darwin Smith, although not a medal winner, showed an outstanding effort by coming second in his heat and missing the finals by one place. He, along with everyone else, made Shawville proud of their athletes.

Special thanks to Mr Clifford Force who supplied the transportation on such short notice and helped make this trip possible.

Pontiac Holstein breeders fare well at spring shows

by Ken Kilgour

The Pontiac Holstein Club in their first venture to the Spring shows at Ormstown, Quebec, and Maxville, Ontario, came home with a big share of the hardware and a feeling of satisfaction that "team-work" pays dividends.

Dot Does It All -

"Drumlee Reflection Dot" owned by Alex Drummond and Sons continued her undefeated ways, as she was named Grand Champion Female at both Ormstown and Maxville. To add further to her laurels, Dot was also named Inter-Breed Best Udder at both shows. It might be noted that Dot brought honour to our county, last fall, when she won the Grand Champion award at Ottawa Winter Fair.

Ormstown –

Dot's winnings at Ormstown were only two of the four red ribbons brought home by the Pontiac String.

"Northleeds Marquette" owned by George Coles won the very strong class of Three Year Olds and was named Honourable Mention in the championship class.

To add further to the Pontiac dominance of the show, Pontiac placed, first and third in the Dry Cow Class. Sunny Cresent Pabst Rita Ana owned by George Pirie and Son led the way and Stanhow Reflection Judy owned by Archie Stanley and Sons was third.

J. Donald Duff and Son placed fourth in the Four Year Class and Kenneth L. Kilgour and Sons drew a fifth placing in the heifer calf class.

Maxville –

As at Ormstown, Drumlee Reflection Dot repeated her winnings.

The Pirie's Dry Cow could not make the trip, as she had just given birth to a bouncing baby heifer calf but "Stanhow" Reflection Judy placed fifth in the Dry Class, she owned by Archie Stanley and Sons.

Mountholm Jenny owned by J Donald Duff and Son also placed fifth in the Four Year old Class.

Kenaudia Impress Typhanie owned by Kenneth L. Kilgour and Sons, improved her standing from Ormstown, by winning the class of 29 heifer calves, and went on to be named Reserve Junior Champion Female.

All in all, a strong effort to put Pontiac on the Showstring Map.

The members of the Pontiac Holstein Club and their families decided after such a successful venture at Ormstown and Maxville, that a little relaxation was in the offering.

Everyone gathered at the Oddfellow and Rebecca Hall in Shawville and a good time was had by all.

It was also an opportune time to send "best wishes" to some of the Club Members.

To Edgar and Jean Russell and family, who were moving to the West. British Columbia's gain is our loss and our "luck" goes with the Russell's.

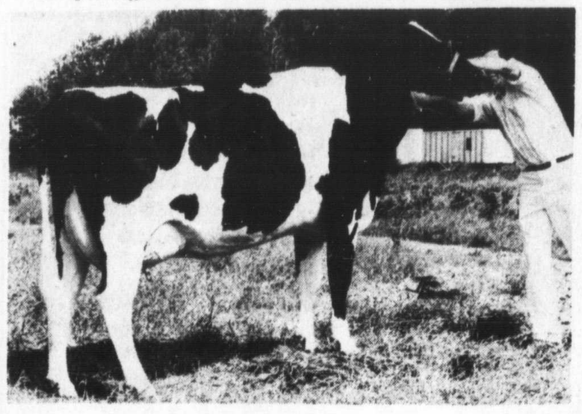
To a surprised Club President, George Coles and his bride-to-be Jean Eckford, who were presented with gifts from the Club.

And to Brian Drummond and his "Drumlee Reflection Dot" who, as a team, have been bringing home the hardware for our County. The Drummond family were presented with a beautiful colour portrait of "Dot" and Brian taken at Ottawa Winter Fair.

It was noted that in the portrait, Brian was wearing his "famous" engineers cap, so to add to the fun of the evening, that "cap" was put up for auction. Ken Eckford, Foresters Falls, came out of retirement for a few minutes to do the selling. Successful bidders were Terry and Ron Knox who put the "cap" back up for further bidding and eventual owners were the syndicate of Jones, Stark, Kilgour and Kilgour, who announced that the "cap" would return to the tanbark in the Fall.

The evening ended with delicious refreshments prepared by the Club Ladies.

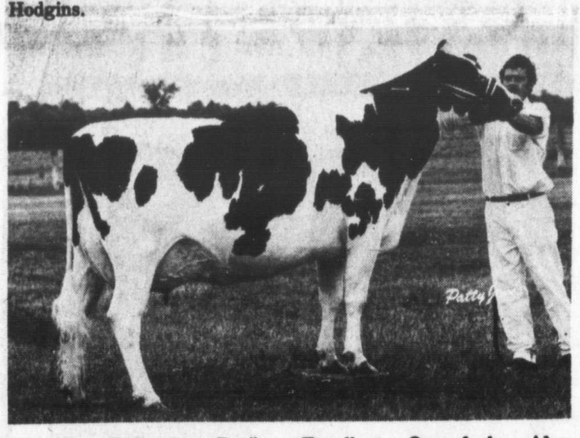
"Kenaudia Impress Typhanie", owned by Kenneth L Kilgour and Sons, Shawville, Quebec, First prize Heifer Calf and Reserve Junior Champion Female, Maxville Spring Show, 1977, fifth Heifer Calf - Ormstown 1977.



North-Leeds Marquette" - Very Good, owned by George Coles of Shawville, Quebec, first prize 3 Year Old at Ormstrown Exhibition 1977 and Runner-up for Reserve Grand Champion Ormstown- 1977.

Left to right: George Coles presenting a going away gift to Jean and Edgar Russell.

Left to Right: George Coles, Jean Eckford, John Tracy who presented gifts on behalf of the Holstein Club, and Dalton Hodgins.



"Drumlee Reflection Dot" - Excellent- Owned by Alex Drummond and Sons, Bristol, Quebec. First Age Cow and Grand Champion Female at Ormstown Exhibition and Maxville Spring Show, 1977. First Inter-Breed Udder Winner at Ormstown Exhibition and Maxville Spring Show.

Guaranteed Income for Potatoe Growers

by Doug MacMillan

The Quebec Department of Agriculture is offering farmers growing a minimum of 5 acres of potatoes a guaranteed income program on the basis of 100 acres of potatoes and 70% of the annual income of a skilled worker. In other words the sales less the expenses plus 70% of the annual income of a skilled worker, using a model farm is the basis for determining if payments will be made. A farmer pays $37.00 per acre and the Quebec Department of agriculture contributes $2.00 for every $1.00 the farmer pays. The charge per acre will fluctuate yearly according to whether payments are made. Farmers not now growing potatoes can start in production next year and be eligible for this program.

Farmers now growing potatoes and wishing to join this program must apply before August 15, 1977. (That's next Monday.)

Potatoes must be sold and bills of sale forwarded to Quebec. Payments if necessary will be made on the basis of potatoes sold before September 1st and after September 1st of each year.

(If this is not entirely clear to you and you wish further clarification, please contact the Agronomist at Shawville.)

Pontiac Historical Society

by Mrs Mary McCagg

The regular monthly meeting of the Pontiac Historical Society was held in the Museum, Monday, July 18, 1977, at 8 p.m. with 19 attending.

Minutes of the June meeting were read and approved. Minutes of an executive meeting were read for information.

Discussion followed about the insurance on the museum, and Clarence Wilson agreed to attend the directors meeting of the Agricultural Society to discuss the insurance.

Mrs Dods and Mr Lloyd Armstrong were asked to meet with Blythe McCleary to draw up a plan for the Electric wiring of the Museum. The museum is open every Saturday 1 - 5 p.m.

A report was given concerning the hinges for the windows and Clarence Wilson was asked to be responsible for the work.

Treasurer's report showed a balance of $1040.79 and $35.98 credit at Morley Hodgins. This report was accepted on motion by Mrs McCleary, seconded by Melvin Armstrong.

Next meeting August 15 at 8 pm at the museum.

Motion to adjourn by Ina Kilgour.

Refreshments were served and a social hour enjoyed.

Obituaries

William Yach

William Yach passed away in Pontiac Community Hospital, Shawville, Quebec, July 20, 1977, after a lengthy illness at the age of 77 years.

He was the son of the late Frank C Yach and Hermina née Mindach. He was born at Ladysmith, Quebec, May 2, 1900.

He was a member of the St John's Lutheran Church into which he was christened and confirmed and in his day was an active member. He attended public school in Thorne. He spent all his life in this district farming in the summer and in his early life he spent the winters in the lumber camp.

In the fall of 1961 he left the farm to retire and moved into Ladysmith where he resided until his death.

He was a member of Forest View O.Y.B.318 and L.O.L. 1516 for over fifty years. He is survived by three sisters, Miss Bertha Yach of Ottawa, Ont., Martha, Mrs Adolph Thoms, Welland, Ont., and Dora H. Yach of Ladysmith, and a half sister Mrs Clara Radant of Ottawa and many nieces and nephews. He was predeceased by two brothers and two sisters.

The funeral was held Saturday, July 23 from The Hayes Funeral Home, Shawville, Quebec, to St John's Lutheran Church, Ladysmith, for a service in the church. Burial was in the adjoining cemetery. A L.O.L. Service was held in the Funeral Home Friday evening.

The honourable pallbearers were Myrland Sparling, Lee Murphy, Clarence Pasch, Earl Stephens, Gerald Meilke and Glen Sparling.

Acting pallbearers were Walter Yach, Eric Pasch, Verner Thrun, Wally Bretzlaff, Richard Dahms, Fred Krose.

Mary Violet Evans

Shawville Council Minutes

Minutes of meeting of Shawville Council, held on August 2, 1977, at which were present Mayor Young and Councillors Campbell, Hobbs, Black, Orr and Richardson.

The minutes of the previous meeting, as written, were adopted on a motion by Bill Orr and Bob Campbell.

Mr Michel Charron was present to explain the plan of the proposed railroad crossing, at Victoria Avenue, as prepared by Barré, Pellerin, Lemoine, Consulting Engineers. Moved by Bill Orr and seconded by Bob Campbell that this plan be accepted in principle and that the consulting engineers be and are hereby authorized to present said plan to the Canadian Transport Commission. No further work will be done on this project without receipt of a letter from the Committee of the Reception Centre, requesting that Victoria Avenue be extended over the railroad to the site of the Home for the Aged.

Messrs Basil Hodgins and Reuben Harris visited the meeting concerning rumours that the ball diamond might be moved to Mil Dam Park. They presented a petition from ratepayers opposing such a move.

Correspondence was read and discussed.

Fire Committee of Council is to meet with the firemen on Thursday, August 4.

Resolution passed that a tax map of the municipality be completed in 1978 and that County Council be so notified.

Notice received that road signs indicating speed limit be converted to Metric. Street committee to investigate which signs need to be replaced.

Moved by Allan Black and seconded by Weldon Hobbs that the office of the secretary-treasurer be closed for vacation from August 22 to September 6.

Request from the Agricultural Society that the municipality replace part of the fence on the East side of Lang Street near the railroad. Moved by Royce Richardson and seconded by Bob Campbell that this be done with assistance for labour from the Agricultural Society.

Request for the use of the Fire Hall for Driving Tests on August 31 and September 1. Request granted.

Accounts amounting to 11,471.67 were approved for payment on a motion by Allan Black, seconded by Bill Orr.

Resolution passed that, if a ratepayer wishes to register a personal complaint, he must do so in person, at a council meeting, or by writing a letter to council.

Letter to be written to the Outaouais School Commission requesting that they load and unload school buses at the Victoria Avenue School on school property. It is suggested that they open a gateway at the north-east corner of the school property.

Adjournment moved by Weldon Hobbs at 10:50 p.m.

Thorne Lake

Saturday, the 30th July, our annual picnic and bingo were held. Children came from as far as Toronto, Kingston, Ottawa and British Columbia. The weather was threatening but spirits were high and all had a very, very good time. Louie Hodgins provided his team for a successful Hay ride. There was much enjoyment by all children. While the hay rides were in effect, the adults were entertained by playing Bingo. We had a complete sell-out at the Bingo and people were coming to play even the last game. Mr McGarry, the games co-ordinator kept the children in play until the cook, Pat Killoran and his bull cooks Cliff Chambers, Cliff Boland and Charlie Rowe shouted food ready. The children ate and drank all in site after which gifts were given to chilren 12 and under. Jim Walsh's field was the play-ground. The kite contest was won by Bruce Anderson (boys) and Margaret McGarry (girls).

Thanks should be passed to all supporters and our Property Owners Association for supplying all co-ordination and gifts, food, etc. There are others also that require honourable mention, however, space does not permit.

Our next reporting events will be the pro-am horseshoe tournament and the annual bash at which time I will report accordingly.

Pique-Nique de Fort Coulonge

Plus de cinq cents personnes se sont rendues au pique-nique annuel des chevaliers de Colomb. L'évènement principal était le concour de sciotte. Plus de trente participants se sont enregistrés. Sur la première photo, on voit le représentant d'O'Keefe Pierre Le Gros présenter le trophé et la scie mécanique au gagnant Jean Pelletier. Cette scie mécanique a été le don de Consolidated Bathurst Ltd - J.E. Boycle - Jonsereds - Ozanam Roy-Chevalier de Columb.

Les organisateurs ont clôturés le pique-nique par le tirage du camion Ford gagné par François Romain.

Dans l'autre photo, on apercoit Sylvio Graveline et Ray Marion gagnant du deuxième et troisième prix accompagné de Jean Pelletier au centre.

Regime d'assurance stabilisation pour les producteurs de pommes de terre

Pour être éligible un producteur doit cultivé au moins 5 acres de pommes de terre de variétés assurables.

Il doit faire sa demande sous plis recommandé à la commission avant le 15 août 1977. Si un producteur veut adhérer au régime après le 14 août 1977, il doit faire parvenir sa demande avant le 1er juillet de l'année pour laquelle il veut s'assurer et il s'engage pour cinq ans.

Pour l'annér 1977 la cotisation est de $37.00 l'acre de pommes de terre cultivé. Pour chaque $1.00 qu'un adhérent paie au fond d'assurance le gouvernement contribue $2.00.

La compensation se calcule de la façon suivante; la commission utilise le coût de production établi par le comité MAQ-UPA, à ce coût on ajoute 70% du salaire d'un ouvrier spécialisé. Si les recettes annuelles réalisées sont inférieures à la somme du coût de production plus 70% du salaire, la comission paie la différence.

Pour plus de renseignements veuillez communiquer avec le bureau du Ministère de l'Agriculture du Québec à Shawville.

Lait-Ecole: Le programme de distribution gratuite commencera en septembre

Les préparatifs pour implanter dés septembre prochain un programme de distribution gratuite du lait dans les écoles avancent rapidement grâce au budget de $2,000,000 prévu à cette fin dans les crédits du ministère de l'Agriculture pour l'année en cours.

C'est ce que le ministre québécois de l'Agriculture, monsieur Jean Garon, vient d'annoncer, en même temps que la formation d'un Comité Consultatif que préside son ministère, dans le but d'impliquer tous les intéressés à différents titres, au programme du lait-école.

Ce comité, appelé Comité Lait-Ecole, a pour mandat d'élaborer le programme de distribution gratuite du lait dans certaines écoles, d'en prévoir les modalités de mise en place et de s'assurer de sa juste application, en établissant des critères objectifs de sélection des commissions scolaires participantes.

Partenaires du Ministère: Afin d'assurer l'élaboration et l'application démocratique du programme, le ministére s'est adjoint plusieurs partenaires. Aussi les organismes suivants ont été invitïs à déléguer des représentants au sein du comité consultatif lait-école: la Centrale des Enseignants, du Québec, le Conseil de la Coopération laitière du Québec, le Conseil de l'Industrie Laitière, le Conseil Scolaire de l'Ile de Montréal, la Fédération des Comités de Parents de la Province de Québec, la Fédération des Commissions Scolaires du Québec, la Fédération Québécoise des Producteurs de Lait et les ministères Québécois des Affaires Sociales et de l'Education.

En demandant à ces organismes de participer au programme, a précisé le ministre Garon, nous avons voulu nous assurer qu'il répondra à des besoins véritables que des gens de tous les milieux impliqués auront contribué à identifier.

Nous avons l'intention, a poursuivi monsieur Garon, de privilégier les objectifs socio-économiques de ce programme. Ainsi, il contribuera à améliorer l'état de santé des jeunes Québécois en leur permettant de consommer une quantité minimum de cet aliment essential qu'est le lait. Les qualités nutritives du lait, surtout pour des jeunes en pleine croissance, n'ont pas à être démontrées et le programme sera appliqué de façon à donner aux jeunes le goût d'en boire par eux-mêmes, tout en les mettant en garde contre les dangers d'une sur-consommation de ce produit. Ainsi ce programme rejoint les préoccupations du Gouvernement du Québec quant à la prévetnion dans le secteur le la santé, grâce aux efforts de sensibilisation à une meilleure alimentation qui l'accompagneront.

Clientèle: Tous les élèves du Québec ne pourront bénéficier du lait gratuit au cours de la première année de mise sur pied du programme. En raison de contraintes économiques, a souligné monsieur Garon, nous devons à regret limiter notre clientèle. Le Comité Lait-Ecole a déjà cependant déterminé des critères objectifs de sélection, qui tiennent compte d'une juste répartition géographique, des principales clientèles et bien sûr, des moyens financiers du gouvernement.

Ainsi, les enfants de la maternelle et ceux de niveau élémentaire bénéficieront de la gratuité du lait dans les écoles dés septembre 1977. Ils proviendront de tous les régions de la province, tant des zones rurales qu'urbaines.

Au cours de l'Agriculture, avec l'appui du Comité Lait-Ecole, a l'intention d'exiger des commissions scolaires qu'elles s'approvisionnent auprès des entreprises laitières de leur région et de leur localité, le cas échéant. Cette façon de procéder permettra à un plus grand nombre de producteurs laitiers du Québec de bénéficier des retombées positives qu'engendrera dans leur secteur la distribtuion gratuite du lait dans les écoles.

Excellent Collaboration: Le ministre a finalement souligné la collaboration, qu'il a qualifiée dexceptionnelle, des différents partenaires du ministère dans ce dossier. Monsieur Garon a insisté sur la conscience sociale de tous ces partenaires, sans exception, prouvant ainsi leur intérêt et leur volonté de collaborer avec le gouvernement dans un geste dont les portées économiques, éducatives et sociales ne pourront qu'avoir des retombées positives pour le Québec.

Tenue d'un second colloque sur l'alimentation et la santé de la vache laitiere

Le Comité des bovins laitiers du Conseil des productions animales du Québec (CPAQ) désire informer toutes les personnes intéressées par la production laitière de la tenue d'un second symposium sur l'alimentation et la santé de la vache laitière. Ce symposium traitera tout particulièrement de l'efficacité de cette élevage grâce à une analyse de la situation de la production laitière québécoise.

Le symposium 1977 se déroulera jeudi, le 6 octobre prochain, dans les salles Belleau et Tessier du Centre municipal des congrès de Québec, au 900 avenue Dufferin. Il fait suite au symposium 1976 qui portait sur le thème "productivité maximale rendement optimal" et qui s'est avéré un franc succès.

Plusieurs conférenciers de marque y prendront la parole afin de traiter des différents problèmes qui secouent actuellement le secteur laitier. Voici d'ailleurs le programme complet du symposium de même que quelques notes explicatives sur chacune des conférences inscrites au programme de la journée.

Autres renseignements utiles

Il convient de souligner tout particulièrement la présence de M. Jean Garon, ministre de l'Agriculture du Québec à ce deuxième symposium sur l'alimentation et la santé de la vache laitière. M. Garon en effet, s'adressera aux participants du symposium à l'occasion d'une causerie qu'il prononcera à l'heure du dîner.

En ce qui concerne les frais d'inscription au symposium, mentionnons qu'ils seront de quinze dollars ($15) et ils incluront l'inscription, le dîner, les pauses-café, le cocktail et la documention. De plus, toutes les personnes intéressées à participer au symposium pourront s'inscrire, avant le 15 septembre 1977, en écrivant au Conseil Des Productions Animales, a-s M. Notre député Jean-Guy Larivière parle pour nous à Québec

Monsieur le President: Comme homme d'affaires plusieurs années avant d'être élu en 1970, aujourd'hui comme député, je trouve regrettable que les dirigeants de notre province portent toute leur attention sur la langue et l'indépendance du Québec. Quant on sait que le chômage a atteint son plus haut niveau dans l'historire du Québec, et en grande partie à cause de ces deux facteurs.

Je pense que comme de bons administrateurs le gouvernement à la place de demander aux différents organismes de présenter des mémoires concernant le bill 1 devenu 101 sur la charte de la langue française alors que nous passons une période aussi difficile au Québec, aurait dû se concentrer sur l'économie, et demander aux hommes d'affaire Québecois de lui présenter des mémoires sur une charte de l'entreprise Québecoise.

Je suis convaincu que ces mémoires auraient pu éclairer le gouvernement, afin qu'ils puissent prendre les mesures appropriées pour remonter l'économie de la Province.

Je sais que le Parti Québecois n'a que peu de connaissance en économie, malgré qu'il comprend de nombreux économistes. Ils semblent que ces derniers ne veulent rien entendre ni rien voir. Ils ne songent qu'à franciser et à rendre la Province indépendante. "On verra ensuite" disent-ils. Ils oublient ou veulent oublier que pour être prospère, il faut réunir les conditions suivantes: un marché, l'accès au matière première, une technologie, des dirigeants et de l'argent.

Si le marché, les matières premières etc., sont anglophones, les dirigeants peuvent-ils vraiment être majoritairement francophones!

Le seul coût de traduction constituerait un handicap presque insurmontable qui obligerait nos entreprises à s'expatrier pour survivre.

D'autre part, ce qui fait la force d'une entreprise, c'est son personnel. Le rapport Gendron a montré. Une étude récente du Montréal Board of Trade a prouvé que le monde des dirigeants d'entreprises francophones ou bilingue a beaucoup augmenté ces dernières années. Dans ces conditions, des mesures incitatrices ne seraientelles pas suffisantes, être-vous absolument obligés d'adopter des mesures coercitives comme prévu dans les projet de loi 101.

Les hauts dirigeants et les administrateurs des entreprises moyennes et grandes sont ordinairement des personnes mûres qui sont difficilement francisables à leur âge.

Si vous étiez obligé d'apprendre une deuxième langue à votre âge, Mesdames, messieurs y parviendrez-vous si facilement?

Peut on leur reprocher de ne pas le faire? A-t-on le droit de mettre les entreprises qu'ils dirigent et dont le quasi totalité du Personnel est francophone, en position d'infériorité au point de vue prix de revient par rapport à leurs concurrents Canadiens ou étrangers?

Seriez vous plus avancé lorsque ces entreprise auront disparu ou auront été obligées de s'expatrier pour survivre et que les Québecois chômeront en françaid faute d'emploueur.

Nous avons devant nous un projet de loi qui comporte des coûts économiques énormes pour le Québec. En préparant son projet de loi est-ce que le ministre responsable a songé sérieusement combien cette loi si elle est adopté coûtera à la Province? Ecoute-t-il attentivement les centaines de chefs de file dans les élites canadiennes françaises, qui lui ont dit: faites attention, nous allons reculer le Québec de 10 à 20 ans avec votre projet de loi sur le Plan économique? Le Ministre a-t-il pensé au malaise que cette loi 101 va causer et celui qu'il cause à l'heure actuelle, avant même d'être adopté, au million de Québecois qui demeurent dans des milieux ou la population est mixte, entre voisin, amis, copain de travail, même dans le ménage d'un mariage mixte, aussi pour des milliers de Québecois qui demeurent près des frontières et travaillent en dehors du Québec, pouvez-vous, vous imaginer les problèmes que vous causez à ces gens-là?

Ce n'est pas les gros et moyen capitalistes que vous semblez vouloir détruire, ce n'est pas eux que la loi 101 va affecter parce qu'ils ont les moyens de paqueter leur valise et d'aller où ils auront la paix et le bonheur. Cela vaut autant pour les francophones que pour les anglophones. On l'a vu depuis le 15 novembre ....

C'est bien aux petits et moyens Québecois que cela fait mal, car eux ils n'ont pas les moyens. Ils ont des maisons à payer, ils sont obligés de s'éloigner du Québec pour trouver du travail et, dans des milliers de cas, ils sont obligés de vendre leur maison avec des pertes considérables à cause de la descente dans le marché de l'immeuble dans plusieurs régions du Québec, causé encore là par votre philosophie de langue et de séparatisme.

Encore là, messieurs, je le répète. Faites attention, c'est à la majorité des travailleurs que vous faites mals. Plusieurs d'entre eux sont sans travail et veulent réellement travailler. Ceux qui ont été affectés par des centaines d'industries qui ont fermé leurs portes dans les derniers huit mois, ces gens nous répètent que fait le gouvernement qui nous avait promis tellement de belles choses avant le 15 novembre. Tout ce dont on entend parler, c'est de séparation et la charte de la langue française. "Moi, cette personne nous dit, je ne peux pas vivre avec cela. Ce que je veux, c'est du travail pour pourvoir supporter ma famille".

Monsieur le président, le projet de loi 101 a aucune raison d'être. Il y a la loi 22 qui allait loin pour la promotion de la langue française. Il y avait des corrections à faire dans le chapitre de l'éducation, et cela aurait pu être reconnu comme les sauveurs de la langue française, "et puis après", il est fort probable que vous allex être reconnu comme les responsables de la tombée de l'économmie Québecoise et cela les Québecois se le rapelleront longtemps.

Monsieur le président, c'est normal pour une personne d'avoir une certaine tendance nationaliste, mais il me semble que les gens d'en face ont le cancer nationalise et veulent rien savoir d'autre. Messieurs, je vous inviterais à écouter ceux des pays qui ont passé à travers de cette épidemie et, après 50 ans en souffrent encore. Les Québecois ont travaillé trop fort pour se rendre où ils sont aujourd'hui pour accepter de passer à travers une telle catastrophe.

En terminant, monsieur le Président, il est inutile de vous dire que je serai contre le projet de loi 101. Personnellement, permettez-moi de vous dire que, d'après mon expérience, je suis contre toute loi linguistique, je suis pour la promotion de langue française au Québec. Je crois qu'il est possible de la faire sans présenter des lois qui va à l'encontre de la liberté de la personne. Il est reconnu qu'un gouvernement qui présente des lois de ce genre qui attaque la liberté de 20% de sa population, pourrait très bien continuer à présenter des lois qui attaqueront la liberté des différents groupes qu'ils soient médecins, avocats ou agriculteurs, etc ... je crois que le député de Papineau pourrait très bien nous parler de ce qui s'est passé dans son pays d'origine Halti. A cet effet, il est à croire que son expérience lui aura donné une leçon laquelle éviterait de plonger les Québecois dans la même misère.

West Quebec (Outaouais) Central Lending Library

The "Bibliotheque Centrale de Prêt de l'Outaouais" has a staff of twenty five serving ninety municipalities and a bookmobile carrying books to 160,000 citizens of the area. About a third of the population in the region covered takes advantage of the free service.

The "BCPO", or as we would say, the Lending Library, distributes books, records, educational games, pictures, films, magazines, best sellers, and even organizes shows and other cultural events.

During the past year they have added thirty three thousand books, almost two thousand records, 347 magazines, 361 educational games, 136 pictures and 48 playes to their collection and despite these new acquisions they still cannot supply the demand.

In a recent interview with the Quebec Minister of Cultural Affairs, the Hon. Louis O'Neill, they asked for financial help to meet their obligations and also for a review of policy towards the distribution of books to the public. The Minister has promised some early legislation in this direction.

SHAWVILLE FAIR - SEPTEMBER 1, 2, 3, 4

The Zion Lutheran Ladies Aid

by Mrs Augusta Krutz

The Zion Lutheran Ladies Aid held their July meeting at the home of Mr and Mrs Gustave Yach in Ladysmith.

Pastor Kappas opened the meeting with a prayer. A psalm was read. The Lord's Prayer was said responsively by all. Two hymns were sung. Pastor Kappas closed with a prayer.

Nine members were present and many visitors.

The President Mrs Walter Yach opened with the business meeting.

Secretary Mrs Minnie Shrankler read the minutes. They were approved as read by Mrs Irwin Gieger seconded by Mrs Gustave Yach.

Treasurer, Mrs Paul Bretzlaff gave her report which was approved as read by Mrs Walter Yach.

Moved by Mrs Augusta Krutz to adjourn the meeting.

The highlights of the evening was celebrating Mrs Paul Bretzlaff's birthday. She received many lovely gifts. Two birthday cakes were baked by Mrs Vernor Thrun and Mrs Anna Beulhar. Also happy birthday wishes to to Mr Roy Bretzlaff who had a birthday on July 14th. Everyone joined in singing Happy Birthday.

A lovely evening was spent and a delicious lunch was served by the ladies.

Council Minutes from Grand Calumet Island

At a regular meeting of the council of the municipality of Grand Calumet held at the usual place on Monday the 4th of July 1977 at 8:00 p.m., present were Mayor Eugen Pigeon, Councillors Florimond Corriveau, Rejean Dumouchel, George Lamothe, Roland Lemaire and Rosaire Ryan.

Moved by Lamothe and seconded by Corriveau that the minutes of the last meeting be accepted as presented.

Thanks

wish to thank Dr Gregory, Father Costello and staff of the male floor for all their kindness while I was in the Pontiac Community Hospital. Also the people who sent cards, flowers and visited. Special thanks to Don and Kathleen who motored my wife to see me so many times.

Thank you all, Omer Berard 21329BA10

WE wish to extend our thanks to our friends for their kindness shown to us at the time of the sudden death of Mrs Margaret Brandum (Nanny) who was very special to us in our home for the past three years. Special thanks to Rev Bond, The Hayes family, Mrs Joy Hodgins, Mrs Earl Fulford and Mrs Joan Thomas and to those who contributed flowers and donations.

Arnott, Arminta Hynes and family. 5527XA10

KEARNAN — The family of the late Mr Joseph Kearnan wish to express our thanks and appreciation to all relatives and friends for their acts of kindness, floral tributes, masses and sympathy cards and donations in the recent loss of our Dear Husband, father and grandfather. Special thanks to Reverend Father's W.M. Egan, Lamer J. Rooney, C Braceland and Sister Kennelly, also special thanks to Dr A.G. Bauchard, his assistants and to all Nurses and attendants in the care of Mr Kearnan during his stay at the Ottawa General Hospital.

Mrs Kearnan and family 21407BA10

ON Friday, July 22 the Pontiac Social Planning Council sponsored a danceathon, in aid of the student fund, which is an interest free loan fund, designed to help send needy students to college or university. Not many students participated, which is unfortunate, as this project was in aid of them. However, we thank those who did participate and we also thank the businesses and individuals who donated to this worthwhile cause. 21386BA10

Many thanks to Gustav Bretzlaff for all his kindness. Many thanks to the gentlemen who gave the drinks for the party. Many thanks to all the ladies who gave the lunch and wedding cake. Many thanks to all for the nice cards and gifts. Your kindness is deeply appreciated. God bless you all. Mr and Mrs Carl Zimmerling. 5453XA10

In Memory

EADES — In loving memory of a dear son, Terrence Eades, who died August 9, 1975.
Today recalls the memory
Of a loved one gone to rest.
And those who think of him today,
Are those who loved him best.
The flowers we lay upon his grave
May wither and decay
But the love for him who lies beneath,
Will never fade away.

Always remembered,
Mother and Arnie

In Memory

CORRIGAN — In loving memory of a loving husband, father and grandfather Wm G Corrigan who passed away August 6, 1976.
Nothing can ever take away
The love a heart holds dear
Fond memories linger every day
Remembrance keeps him near
Wife martha and family

THOMPSON — In loving memory of our mother and father, grandmother and grandfather who were called away - Mother August 1, 1975 and Dad, March 26, 1977.
Beyond life's golden sunset
Lies a city bright and fair
In the land of God's tomorrow
Our loved ones wait us there
Resting where no shadows fall
In perfect peace beloved by all
God will link the broken chain
As one by one, we meet again,
I like to think when life is done
Wherever Heaven may be
That they will be standing at the door
Up there to welcome me,
Fondly loved, sadly missed and always remembered by daughters Noreen, Doris, son-in-law Earl, grandchildren, Kelvin, Lana, Camelia, Desmond. 21408BA10

In Memory

HENDERSON — In loving memory of a dear father Walter Henderson who passed away August 2, 1973
Time passes on, months have gone,
Since death, its gloomy shadow cast,
Upon our home, where all was bright,
And took from us a shining light,
We miss that light and ever will,
His vacant place there's none to fill,
Down here, we mourn, but not in vain,
For up in heaven, we'll meet again.
Always remembered by children Edgar and Betty.

HENDERSON — In loving memory of a dear grandfather Walter Henderson who passed away August 2, 1973.
I do not need a special day,
To bring you to my mind,
For the days I do not think of you,
If all this world were mine to give
I'd give it, yes, and more
To see your face, dear Grandpa of mine,
Come smiling through my door.
Lovingly remembered by grandchildren Ronnie, Barbara, Cathy and Diane.
