FRIDAY, SEPTEMBER 5th- Senior Citizens Day at the Shawville Fair. Free admission for senior citizens for the entire day. xtc

No surprises in Pontiac

Middlemiss wins easy victory

Pontiac County gave 5,916 votes to Robert Middlemiss on Monday, 1,634 to Steve Hodgins, 1630 to William Bedwell and 545 to Lucille Hodgins while 3,287 potential voters didn't bother to go to the polls.

And the County's choice was also the choice of the Riding which includes Aylmer where they voted 9,244 for Middlemiss, 3,060 for Bedwell, 161 for Steve Hodgins and 157 for Lucille Hodgins. The strong P.Q. support in Aylmer gave Bedwell second place overall even though he ran only a close third in the County, where the Freedom of Choice came second.

The tremendous support accorded to Robert Middlemiss was evident across the riding. Now he hopes all municipalities will make him aware of their real needs so he can help them achieve their aims wherever possible.

On Tuesday morning Bob Middlemiss was tired from an exhausting campaign but stated that he is not afraid of the challenge of being in opposition and that he would fight for the rights of the Pontiac. He noted that although the popular vote across the Province was almost equal between the PQ and the Liberals, the recent redistribution of ridings resulted in the 82 PQ seats and only 40 Liberal seats.

Bob's main message is that Pontiac is not only him and that the more he learns about the County the better he can do his job.

Shawville R.A. discusses need for recreation director

by Maura Giuliani

The regular monthly meeting of the Shawville & District Recreation Association was held Monday, April 6. Several matters were discussed which could be of interest to local residents, to their children, nephews, nieces, uncles or neighbours. Why not come to the next meeting yourself?

Although the annual summer student programme is not yet a certainty, grants have been applied for and it is hoped that the recreation programme offered in previous years will be an important part of Shawville's vacation plans again. This programme not only provides entertainment and safe past times for young people, but jobs for a few post-secondary students. Applications may be submitted by interested students from Shawville or Clarendon, but it is important that all applicants have first registered with the Canada Manpower Office. Proof of age and proof of registration at university or secondary school in September 1981 will also be asked for.

The real need for a professional recreation director for this area was also discussed, as it has been before. All that is required is the co-operation of several municipalities, as the largest proportion of a director's salary would be paid for by the provincial government. Hopefully such co-ordination can be achieved soon; the whole area would benefit.

Steps are being taken now to get an electrical line and lights in for the new ball park. The access road will be declared municipal property to facilitate this and, with the aid of Hydro-Quebec, the hydro lines will be put in with minimal delay.

A delegation from the Youth Centre were welcome participants in the meeting. Several problems of the Centre were discussed and if some were partially resolved, others remain. Come to the next meeting-- May 4th, 7 p.m. in the library, and help thrash them out.

Pontiac Steam & Gas Association

by Willard E Clarke

The Pontiac Steam and Gas Association held their 65th general meeting on Friday, April 3rd in the Bristol Municipal Hall.

The turnout for this meeting was very good and quite a number of items were discussed. The old hall that was on the Sand Bay road has been moved to the show grounds and the roof repaired.

The heavy equipment was donated by Gil Fraser and many others gave their time and energy to this project.

The August 21-22 steam show program is starting to take shape with most of the committee chairmen chosen along with reports and suggestions being presented. With the building on the show grounds the club hopes to have a better home craft and antique display.

The Club enthusiastically added two new members to its roster and will welcome anyone who is interested in antiques to join. Junior membership starts at age 12 and regular at 18. Application forms are available from any member.

Forest fire season begins

Spring has only just begun and already the "Société de Conservation de l'Outaouais" has had to fight its first forest fires of the 1981 season. The first fire was reported on the 26th of March, destroying an area of 0.4 hectares in a maple forest near St-Jovite in the Laurentians. This is the first time, since the formation of the Société in 1972, that a fire has been fought so early in the season. Another smaller fire was discovered on the 29th of March in the region of Labelle, also in the Laurentians. Four small fires near Wakefield and one a few miles North of Fort Coulonge have also been extinguished by the S.C.O. Without a doubt, the forest fire protection season has truly begun for the Société de Conservation de l'Outaouais.

The Société has experienced relatively calm fire seasons over the last two years. In 1979 106 forest fires which burned only 85 hectares were recorded. Last year was a bit more active with 173 forest fires and 238 hectares destroyed. These were really exceptionally quiet years as on the average the Société copes with over 300 fires on the 80,000 km2 of territory which it protects.

What kind of season can we expect in 1981? No one can tell for sure because of the many factors which influence the condition of the forest and its susceptibility to fire.
One thing is the condition of the forest and its susceptibility to fire. One thing is sure, however, great care is needed to minimize the chance of a major disaster.

Michael O'Leary of the S.C.O. asks everyone to refrain from lighting grass fires which have been the cause of most of this year's forest fires. In most cases the burning of grass is useless and very dangerous, in fact, some municipalities have passed by-laws forbidding it.

The forest environment deserves to be protected and this can be accomplished by the prudent and vigilant use of fire.

Forest fires should be reported to the "Société de Conservation de l'Outaouais" by telephoning toll free to 1-800-567-1206 in Maniwaki; to 1-800-567-1208 in the Wakefield area or to 1-800-567-6742 in St-Jovite.

Did you ever see a house going down the road?

The Austin Community Centre Building was moved from its location at the corner of the Sand Bay and Front Roads to the Pontiac Steam and Gas Association show site near the Bristol Town Line recently. It had been jacked up and set on a pair of Beech and Maple skids. Gil Fraser of Quyon was then engaged to move the building with his large bulldozer. The building will add a good deal of extra room for the many craft exhibitors who attend each Steam Show. The 1981 show dates are August 21 and 22.

Photo by Allison Corrigan

Pontiac council minutes

At the regular meeting of Council held in Luskville at 8 p.m. on Monday 6 April 1981 those being present:

His Worship the Mayor: Marcel Lavigne, Councillors- Ken Bronson, Eddie McCann, Bernard Armitage, Michel Grenier, René Vaillant, Glen Nugent and equally present the Secretary-treasurer.

Agenda- Moved by René Vaillant seconded by Eddie McCann and resolved to accept the agenda with the following additions: Culverts, Quyon wharves, Equity, Cenotaphs, veterans, Legion, Street Cleaning, Ford Truck, Minutes, Equity.

Minutes- Moved by Bernard Armitage seconded by Glen Nugent and resolved to accept the minutes of the last meeting as circulated.

Ratepayers

Mr McGrath - Hotel - Cochrane - River Roads- Mr McGrath asks for a permit to replace the burned out Beechgrove Hotel. He tables the draft of plans. Council notices that set-back distances are not sufficient. Council suggests that they acquire the lot of Mr Ladouceur or redo the plans.

Moved by Ken Bronson seconded by Michel Grenier and resolved to authorize the issuance of a building permit to Kébogarou for the construction of a hotel-convenience- store on the site of the old Beechgrove Hotel lot 27B (Part) Range VI Onslow (South) providing that all by laws of the Municipality and those of other levels of government are abided.

Letter Mr Lyons- In a letter addressed to the Mayor Mr Lyons complains of his neighbour Mrs Hamilton. He claims that a hole is used as a septic system illegally. The municipal inspector will check if municipal by laws are followed and will take the necessary action.

Convention- Secretary-Treasurer- Moved by Ken Bronson seconded by Eddie McCann and resolved to authorize the Secretary Treasurer to attend a convention in Montreal on 12, 13 and 14 August 1981 at the expense of the Municipality; it also resolved to authorize an advance of $400.00.

County Tax Sale - Moved by Ken Bronson seconded by Michel Grenier and resolved to inform the County Council about the disagreement of this Council concerning the cost charged for the sale of property for non-payment of taxes; it also resolved to ask for a letter of explanation that would justify the level of those costs.

Ritchie Curve - Councillor Grenier reports several mortal accidents at that curve and about the request made to the Department of Transport. Councillor Grenier asks that an accident report in the last few years be obtained from the Quebec Provincial Police and that that report be sent to the Department of Transport to support the resolution.

Moved by Michel Grenier seconded by Ken Bronson and resolved to obtain statistics from the Sureté du Québec concerning accidents on Highway 148 at the curve known as 'Ritchie's Curve' and also resolved to send those statistics to the Department of Transport to support the request by this Council to correct the curve at that spot.

Culvert Dubois-148 - Councillor Grenier repeats his request for a culvert. The Mayor reports that he will continue to try to obtain action from the Department.

Public Light - Maple Lane - Lelievre-Dubois - Councillor requests that the follow-up be made to the Council's resolution. Other requestse for public lights must also be checked.

Edward Radey - Sale for Taxes - Letter from County read. Proposed by Eddie McCann seconded by Michel Grenier and resolved to buy back the property sold for taxes to Mr Edward Radey (Lot 4 Part, Range 1 Onslow South) and also resolved to pay the County the sum of $182.31 to complete the transaction.

Culverts- Moved by Glen Nugent seconded by René Vaillant and resolved to invite bids for the supply of 200 feet of 18 inch culverts and 200 feet of 24 inch culverts in galvanized steel and in lengths to be specified by the Superintendant.

Mechanized Work - The offer of the Department of Agriculture is explained to Council. The decision is postponed and the superintendant will check with private contractors.

Gravel - Council is in agreement to continue last year's policy. Moved by Ken Bronson seconded by Bernard Armitage and resolved to continue last year's policy concerning graveling of roads, i.e. the use of our trucks and the purchase of gravel from the old Hilton Mine.

Widening 6th concession- Superintendant reports. The question is postponed.

Culvert - Quyon Wharves- The superintendant presents a verbal report. Moved by Eddie McCann and seconded by Glen Nugent and resolved to request from the appropriate department the installations of culverts at the beginning of both wharves in Quyon to prevent dead water from accumulating down river.

Equity - Minutes are now again being sent to The Equity. The secretary presents his apology for the fact that the procedure had not been followed by error.

Cenotaph- Veterans- Councillor Vaillant requests the installation of a monument to the memory of veterans at the corner of 148 and Hotel de Ville Road in Luskville. Council is in agreement to provide the land and the concrete base if a local organization would take responsibility to collect the necessary funds for the purchase of the cenotaph. Councillor Vaillant will check with the Women's Institute.

Flood Damage - Legion- Councillor McCann reports that the Legion has sustained damages amounting to $1,132.00 in 1980 because of flooding. He asks that the pavement of the old highway NO 8 be removed and the space be used as part of the cenotaph park and that cedar posts be installed to prevent vehicule circulation. He also reads a letter from Quyon Agricultural Society asking for the dyke material presently on Onslow Lane to repair land of the Society. The Superintendant will check the options and the requirements and present a report at the next meeting.

Blue Ford pick-up- Councillor Bronson reports damages from rust to the half ton pickup. Estimates must be obtained and a report presented at the next meeting.

Cleaning up streets in Quyon - Councillor McCann suggests that a machine should be rented. The Superintendant will verify.

Adjournment - Moved by Michel Grenier seconded by Bernard Armitage and resolved to adjourn the meeting at 22:45 hours on Monday 6 April 1981.

CWL St. Alphonsus

by Margaret Duquette

St Alphonsus C.W.L. Chapeau held its monthly meeting on Tuesday, April 7th at 7:30 p.m. at St Joseph's Centre with fourteen members present.

The president Mrs Jean Adam called the meeting to order with Father Guillemette leading the opening prayers recited in unison with the members. Sister Lillian gave the Scripture reading. The hymn to Our Lady of Good Counsel was sung by all.

The secretary, Sister Marguerite read the minutes of the last meeting and also the corresponding letters and thank you notes from Mrs Helen McDonal and Mrs Unice Bechamp.

The treasurer Mrs Katie Phelan gave the financial report. $100.00 was donated to Development and Peace from the proceeds of a card party.

Conveners gave their reports of accomplishments of the previous month. Mrs Mary Teresa Kidd gave the account of the success of the card party that was held on March 22.

The business was finished and Mrs Leona Mainville adjourned the meeting.

Mrs Jean Adam gave the nominations results and introduced the new elected executive as folllows: President Mrs J.J. Whelan, 1st Vice President Mrs Mary Nadeau, 3rd Vice President Mrs Yvonne Chassie, Recording Secretary Mrs Edith Loir, Corresponding Secretary Sister Marguerite McDonald, Treasurer Mrs Francis Schryer.

Father Guillemette welcomed the new executive and assured them of his support and also that of all members. He expressed his gratitude and appreciation for the efforts that the C.W.L. is making to promote the good works of the parish. He referred particularly to the promotion of devotions to the Sacred Heart and Blessed Sacrement on the First Friday of each month.

He thanked the out-going President, Mrs Jean Adam, for her good leadership during her term of office and also voiced his appreciation for the co-operation of the members who supported her and asked for prayers and guidance of Our Lady of Good Counsel for continued success of the League and for the new executive.

Otter Lake Post

Schock-Grant

Dorene and Harold Schock of Ladysmith, Quebec, are delighted to announce the engagement of their youngest daughter, Laurel Dale, to Robert Harold Grant, younger son of Margaret and Freeman Grant of Shawville, Quebec. The marriage will take place on June 6th, 1981, at St George's Anglican Church, Thorne Centre, Quebec.

Litchfield council

Minutes of a special meeting of Litchfield Council called by Mayor Simon Corriveau for 7 p.m., Monday, April 6, 1981.

Business of Meeting- Consideration of the purchase of a van for the use of Fire prevention in conjunction with the Municipality of Campbell's Bay - The Campbell's Bay Fire Department and the Municipality of Litchfield.

Present- Mayor Simon Corriveau, Councillors Willard Kluke, Leo O'Brien, Lionel Morin, Cletus Frost and John Clarke.

Fire Chief Athol Smith and Noel Kelly are present to advise on what has been seen re purchase of van 1980- 1 ton, 14 ft box, dual wheels, approx. 38,000 miles, cost $8,700.00.

After discussion it was moved by Willard Kluke and seconded by Lionel Morin that the Municipality of Litchfield will pay one third the cost of the purchase of a van with the understanding that the balance will be paid for by the Municipality of Campbell's Bay and the volunteer fire dept.

The Fire Dept requests the Municipality to apply for a permit to sell alcoholic beverages at a Firemen's Ball to be held at the R.A. Center, June 13th, 1981.

Moved by Leo O'Brien and seconded by Cletus Frost that this application be submitted and Mayor Corriveau be authorized to sign in the name of the municipality.

Moved by Leo O'Brien and seconded by Willard Kluke to adjourn.

Thorne council minutes

At a regular meeting of Corp of Twsp of Thorne held in R.A. Centre on Monday, April 6, at 7:00 pm with Mayor Schrankler and Clrs Hodgins, Schroeder, Schock, Bergeron, Turcotte and Pasch present.

Minutes of March meeting were read to Council. Letter from Carol Narlock, concerning Clark Lake road was omitted in recording March minutes and to be entered in April minutes. Mayor stated that Council has made inspection of work to be carried out. Motion by Clrs Hodgins and Schroeder that minutes as read be adopted and signed.

Mr Vezeau, Van Horne and L Keith met Council concerning road on Range II to their residence. Mayor said that hill would be widened out and other dangerous areas on this road so that Dept of Education school bus may bring children out to school.

Mayor suggested that residents try Mr Lasalle for another source of revenue for road maintenance which perhaps could be made available.

Motion by Clrs Schroeder and Turcotte that letter be written to Mr Real Perrault, environment inspector, for to inspect new garbage disposal site with Mayor, at earliest convenience.

Motion by Clrs Pasch and Hodgins that road names prepared by Mayor Schrankler be adopted and sent to Dept of Transport.

Motion by Clrs Pasch and Turcotte that Secretary send notice by registered mail to Labelle & Labelle, auditors, requesting that Budget and Financial Statement be sent to Municipal Affairs as soon as possible.

Correspondence for month was read to council.

From Comité de consultation de l'Outaouais, acknowledgement of letter concerning boundary of Pontiac County.

Ronald Ethier, Quebec land surveyor, drumming up new business. Letter from Ruth Hitz, President of Women of Thorne concerning the great interest shown by Thorne residents with their regular community newsletter. That it would be a positive step towards Community enjoyment if all organizations could group together to publish a newsletter of local interest and events to be held and sent out on a regular schedule. That Thorne Council is invited to send a representative to assist on Thorne Newsletter Committee, alsol they requested that Thorne Council give some consideration to sharing equally towards the purchase of a community duplicator.

Letter from Clarence Bretzlaff resigning as local Fire Chief. It was moved by Clr Pasch and seconded by Clr Schock that Ebert Turcotte, Jr Tel. 647-3135 be appointed as new fire chief. That a letter of thanks be written C Bretzlaff.

Letter from Grandes Rivières concerning the establishment of a Historical Museum in Hull area, for the region.

Letter from TCRA on meeting held March 19th, requesting that Thorne Council purchase a duplicating or Xerox machine for the TCRA. No action taken.

Letter from Pearl McCleary Shawville Library President requesting a donation of approximately $500.00 towards the purchase of books for public library, which is open to ratepayers of Thorne due to high cost of government sponsored library. Donation of books from private source would be greatly appreciated. The above request to be tabled again at next meeting.

The following bills and bounties were presented to Council. Quebec Workmen's Compensation 259.54, Canadian Cancer Society 25.00, Co of Pontiac 2490.52, Imperial Oil Ltd 321.70, Pontiac Auto Parts 40.79, H Krose and Sons 16.00, Robert Hitz 160.00, Wilson and Lafleur Ltd 64.00, C Bretzlaff 8.00, M Bretzlaff 833.33, C Miller 28.88, Rec Gen. of Canada 140.98, Que. Min. of Rev. 143.61, Hydro Que. 268.06, H Hodgins 30.00, R Bretzlaff 30.00.

Motion by Clrs Schroeder and Bergeron that all bills be paid.

Mayor Schrankler asked Council for their opinion on wolf bounty and Council approved an affirmative vote by Mayor at County Council that wolf bounty be retained during winter season.

Motion by Clrs Hodgins and Schroeder that Mayor Schrankler contact lawyer to get more information of trailer by law.

Motion by Clrs Schock and Turcotte to adjourn to next meeting on Monday, May 4th at 8:00 p.m.

Have your portrait taken during Easter!

EDITORIAL

VICTORIOUS, RESPONSIBLE, ALERT, CONSTRUCTIVE

(A TALL ORDER FOR ONE MAN)

With the victory comes responsibility. That's what the Premier said. We must be alert and constructive. That's what the Leader of the Opposition said. Then we all went to bed and wondered what would become of the Pontiac while those leaders move their election campaigns into the Quebec legislature.

Pontiac could be enroute to oblivion unless a lot of people show a lot more interest in its affairs.

Our Member is Robert Middlemiss, one of the five Liberals who made a clean sweep in West Quebec. No matter which of the five emerges as "Chief of the Outaouais", Bob is still the only one responsible to the Pontiac.

We gave him the victory, resoundingly. Now he has a responsibility to protect our rights as we see them and to act on behalf of the Pontiac, even if it goes against the desires of Hull, the C.R.O. or the Gatineau.

Bob Middlemiss, as an Opposition Member of the Assembly, must also be alert and constructive. He has to know the immediate and long range effects of Quebec legislation on this particular County and he must be constructive with suggestions to make the laws work in our best interest.

This will be difficult in a legislature traditionally oriented to solving the urban problems of Montreal and Quebec at the expense of the rural areas far from the St. Lawrence Valley. Winning the election was a piece of cake compared to the problems Bob faces now in Quebec. His job will be much less difficult if the support he received on Monday continues.

There's no way we can expect Mr. Middlemiss to fulfill his proposed platform as a back bencher in Opposition, but we can expect him to keep the government and his own Party aware of the needs of his constituents.

And while we are expecting our victorious Member to be responsible, alert, and constructive, we would be wise to try on some of the attributes ourselves. No matter who we voted for, Bob's our man now, and without our constant interest he could get swallowed up in Quebec City bureaucracy.

Let's not let that happen because in Quebec City Bob Middlemiss is Mr. Pontiac.

Letters from our readers

TO THE FARMERS OF THE PONTIAC:

Dear friends,

It is my obligation as a farmer to point out the true facts about an organisation called "The Union des producteurs agricoles" U.P.A. Most of us feel that as farmers working individually on our own farms, we need a good and strong union to defend our interests and to act on our behalf. But for the past eight or nine years the U.P.A. has been organising yearly meetings to recruit new members, collect union dues and elect a local executive. This seems to be their utmost motive to visit the region every year.

The last Union meeting held at the Vinton Parish Hall was intended to clarify the misunderstanding of the union's role in our community. The true essence of the meeting was not publicly revealed.

In his opening speech, Mr. Carpentier, president at the regional level, credited the Union for:

— the 40% reimbursement of the municipal taxes; this reduction of the municipal taxes was acknowledged prior to the formation of the U.P.A.

— the green belt or the Agricultural Zonage Bill 90, was introduced by the Quebec government in the fall of 1979 at which point Mr. Couture the provincial president of the Union stated this law to be the best for the farmers. The law was passed without proper consultation with the farmers. At the present time, a farmer wishing to sell a portion of his land to a member of his family can absolutely not, even to his own son. Mr. Carpentier stated that there is nothing the Union can do to revise this law.

— regarding government programs and policies such as: interest rates rebates, stabilization programs, crop insurance, feed lot subsidies, etc., the union seems to claim all the credit for the government's doings. We as tax payers and voters, elect government representatives and pay thousands of civil servants to work within the government, to create programs in order to better the agricultural scene. The Union and the government are to be two different bodies, or aren't they?

— regarding the union dues and the court actions undertaken by the Union to get the farmers to pay their dues was also a matter of vital importance. According to Jacques Lance, former local president of the U.P.A., the court actions were brought against the farmers who do not pay their union dues. The decision to bring only a few farmers to court at one time was made by the local executive, to avoid a general panic.

Many farmers are afraid of court involvement and pay their union dues because of this fact; and not because of their satisfaction with the Union. According to Mr. Phaneuf (speaker for the Union) most farmers have paid their union dues. But the Petition circulating in the Pontiac clearly proves that the farmers are dissatisfied with the union and want to do away with their bureaucratic structure.

— regarding problems solved at the regional level, Mr. Pepin (coordinator for the regional office) could not state them clearly; he then turned to the farmer's producer's card and threatened the farmers to pull away their cards if they do not pay their union dues. In fact, the union has nothing to do with the farmer's producer's card. It is issued by the Quebec government to the farmer, if he produces more that $1000 a year on his farm. Therefore we can see that the Union is trying its utmost to persuade the farmers to pay their union dues.

In closing, I would like to remind all farmers that the government and the U.P.A. are two different bodies and that the Union has an acquired right to collect union dues. But this right can be revoked if the majority of farmers agree.

Yours truly, Theo Dufault

Dear Mr Dickson.

St Alphonsus C.W.L. Chapeau would like to express publicly their sincere thanks to you and your staff for your kind co-operation in publishing the monthly reports of the meetings in The Equity. It was great appreciated.

Sincerely,
Mrs Margaret Duquette
Convenor Com. and Pub. Relations
St Alphonsus C.W.L. Chapeau

To the Editor:

A sincere thank you from the Ottawa Civic Hospital to the people of Shawville and area.

The success of the CJOH Telethon '81 was your success as was the success of the Redevelopment Campaign which raised $8,225,000.

Construction at the Civic is moving at a fast pace with the new Parking Garage, Intensive Care Unit and the Ambulatory Care Unit now completed. Our goal is to have a hospital for the 80's, a hospital to better serve you.

A special thank you to the volunteers of your area, who gave of their time and facilities and passed on to us your special words of support and goodwill.

Yours very sincerely,
Peter R Carruthers
Executive Director

Dear Editor:

I strongly object to the wording of the proposed new constitution arranged by Prime Minister Pierre Trudeau in which he states there would be 5 judges selected from the Province of Quebec, 4 for balance of Provinces.

It would be calamitous. It would not be fair, just or honest to the other provinces.

Mrs W.D. Brown,
Bryson, Quebec

Grist and miscellaneous items

The Level 4 students of Dr S.E. McDowell Elementary School have "Given One Hour" of their time this past week to collect donations to help the 186,000 mentally retarded persons in Quebec. Thanks to the response of this community a cheque for $1,217.00 will be sent off to the Quebec Association for the Mentally Retarded.

Everyone whose children are or will be attending the Protestant Elementary and high schools should understand the proposed changes about to take place in the school board of Western Quebec. There will be a public meeting at the high school, Thursday evening at 8:00 p.m. to explain the amalgamation and regionalization of the administration of both levels of education.

Complete copies of the booklet about Pontiac Municipalities are now available to replace the few incomplete ones that were issued. Anyone who received a copy missing a description of Ile du Grand Calumet may exchange it. The government grant supporting this project also allowed Stella Sullivan and her assistants to collect and partially catalogue a vast amount of historical material which is now stored in the County Building in Campbell's Bay.

Someone who obviously doesn't read this paper has decided to complain because he or she says we only publish news about old people. They want us to write something about teenagers and especially about one who went to Alberta and got a job. Well of course it's interesting that another young Pontiac boy has found work out west but the way to get this bit of news into THE EQUITY is just to write it down and sign it. Anonymous notes are no use at all here, and especially when they start out with an unfounded insult.

Continuous consultation

Now here's a great suggestion for recreation in Shawville which has come in on the regular form published weekly in THE EQUITY. The proposal is for a horse-shoe pitch and lawn bowling green.

This citizen notes that both these pastimes are particularly suitable for the not-so-young. They could be situated where the people in the Home on the Hill could watch, be entertained by the activity, and join in if they wished to.

Now that reader's two cents' worth seems like a dandy!

The question this week is: Have you a suggestion to improve the Shawville Fair?

Knit and Chat

by May E MacLean

It is interesting when tracing the history of quilts, to note that the materials varied greatly in different parts of Europe. Silks and damasks were popular in France and Italy, although records show that fine cotton was sometimes used.

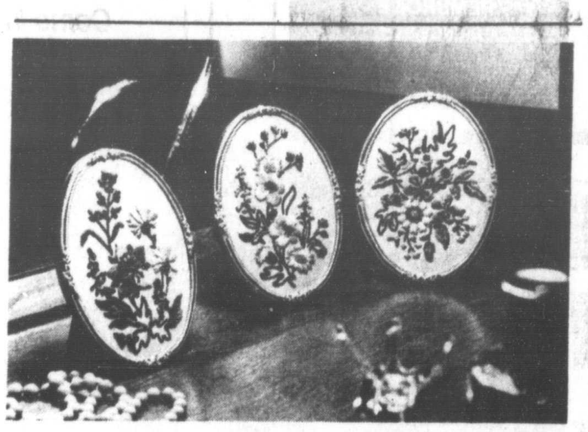
Spanish quilters used heavier brocades and velvets, and most of their work was found on church vestments of tradional patterns. Quilting in Italy was concentrated on the island of Sicily, though the climate of the Mediterranean delayed the peak of popularity until the seventeenth century.

The special quilting stitch known as Sicilain (or Italian) cable stitch, was first developed in southern Italy, and is to be found chiefly in spreads and quilts of that region. This stitch has cordings inserted beneath the fabric covers to emphasize and outline the design.

Mary Stuart, Queen of Scots, learned to quilt while she lived at the court of Catherine de Medici; and there is among the old records of the French Revolution the description of a quilt that formed part of Marie Antoinette's wedding finery— This quilt was made of satin and heavily appliqued with patterns of flowers, doves and cupids, and skillfully quilted by hand by the ladies at the court of Maria Theresa of Austria.

The records related, to the detriment of the young French Queen that this quilt had been eight years in the making and the extravagance was criticized by the French Revolutionary tribunal!

I have another quilt pattern which I am unable to show, as I do not have a photograph, this is Suffolk Puffs as it is known in England No. 7402. The same design is shown in many American books as the yo Yo quilt. This leaflet can be obtained from the address at the end of the column, the price is 75 cents. This particular design is extremely simple for a beginner, and can be made from small scraps of left-over fabric.



I am purposely offering quilt patterns at this time of year, as I feel that this is when you will have more time to begin a larger project, and also there have been many many requests for more quilt patterns.

The "Basket of Flowers" quilt is another popular pattern with several variations. I saw quite an old quilt of this pattern just recently and it had a handle embroidered onto the basket, either way it is a very attractive quilt. This pattern is on Leaflet No 7365.

This week's patern are three charming flower designs to embroider with Anchor Stranded cotton. Full size drawings and complete instructions for colours and stitches are on Leaflet No 7707. Designs can be traced onto linen or canvas with the aid of dressmaker's tracing paper, or if you would prefer, I have had iron-on transfers made of the three designs which together with the instruction sheet can be obtained by sending $1.50 to the address at the end of the column. The instruction sheet alone is 75 cents, or extra transfers can be had at 75 cents a sheet for the three.

The frames illustrated are not included but can be bought at a reasonable price from any dime store.

To order Leaflet No 7707 the Three Flower Designs with transfers, send $1.50. All orders must be accompanied with a stamped self addressed return envelope, long one if possible. If you do not have a stamp or envelope, please enclose an extra 25 cents to cover the costs of handling and print your name and address. Send to:- May E MacLean, "Knit & Chat", 486 Montford Drive, Dollard des Ormeaux, P.Q., H9G 1M6.

Please be sure to state pattern numbers correctly when ordering and to enclose your stamped return envelope for faster service.

Cake decorating school graduate

Essie Schwartz of Ladysmith, Quebec, graduated from the Wilton Cake Decorating School in an Advanced Cake Decorating course with Honors on March 19, 1981. For her final project she had to make a wedding cake to be judged in order to receive her diploma. She won first place and received a ribbon and a plaque. The wedding cake was four tiers decorated with red wild roses and lattice hearts. It was also trimmed with miniature stars and half-moon rope scallops. The cake stood three feet high. Essie is now a fully qualified cake decorator and decorates cakes for weddings and all other occasions.

The whole truth about prices

It is completely normal that you know the exact price of goods and services when purchasing. It is for this reason that the Consumer Protection Act makes it illegal for all merchants, manufacturers or publicists to do the following:

Emphasize the price of one piece of a suit in a more obvious manner than that of the price of the whole suit. For example, by stressing the price of the vest in relation to the price of the whole suit.

Mention only the amount of the periodic payments to be made for the purchase of the good or service without clearly stating the total price. For example, by advertising that a snowmobile costs only $50 a month without indicating its total price in a clear manner.

Charge a higher price than that advertised. For example, by advertising a dryer at $199 whereas the price in the store is really $299.

Falsely offer a price reduction. For example, by offering dresses on sale with the claim "Save $50 whereas the regular price does not exceed by $50 the advertised price.

Falsely mention a regular price or any other price for a good or service. For example, by putting skirts on sale with the claim "regular price $60.00 - sale price $40.00", whereas in reality the regular price is $50.00.

Make consumers believe that the price of the good or service is to their advantage. For example, by proposing a good "that is a Winter Special" or "at miracle prices", whereas the good is in fact sold at the regular market price.!

Enjoy the forest...

Be careful with those cooking fires!

P.P.H.S. senior drama festival

Students of Pontiac Protestant High School presented their annual senior drama festival on April 7th, 8th and 9th.

The School Trophy for best production was presented to the cast of "The Patchwork Quilt". Tracey Underwood who performed as old Mrs Willis in the Patchwork Quilt was awarded with the Mackenzie trophy for best female lead.

"Not my cup of tea" was judged as the best comedy production. In this play a domineering old maid persuades her silly spinster sister to join her in a plot to murder their mother for her house and money.

Best actor, Geoffrey Musgrove, of the play Santa sees a shrink was awarded the Campbell Trophy for his performance. In this play, Santa (Geoff Musgrove) finally 'throws in the towel'. The demands of his job have brought him to the point of a nervous collapse.

Best supporting actress and actor were Pattie Horner of "Not my cup of tea" and Murray Carson of "Broadway Hit".

In the French section of the drama festival, "Le Professeur de Phonétique was awarded the best production trophy.

Kathrine Horner, as Mlle, Christiane Ramel of the play "Un villa en lotterie" was judged as best actress and Koushi Mahesan of the same play as best supporting actress. Best supporting actor was Paul Emmerson of "Le Professeur de Phonétique.

The Junior division of the drama festival will start April 14th and conclude this evening in the p.p.h.s. Theatre. Curtain time is 8:00 p.m.

Sheen, Esher & Malakoff

by Eldon Jennings

Present were Mayor Raymond Gleason, Councillors Lorne Meehan, Leo Downey, Mike Sullivan, Raymond Morris, Myrtle Sullivan and George Carroll. Also in attendance were Cecil and Willis Venasse and Fred Lemire.

Motion to accept the minutes of the March meeting as circulated, by Lorne Meehan and Myrtle Sullivan.

Following a discussion of the Fire Department, Raymond Morris suggested that a fire drill be held on April 14, at 6 p.m. at the fire hall.

A letter is to be sent to the Department of Transport in Hull, Campbell's Bay and Waltham with the following motions: Motion by George Carroll that we request the grader put on the roads in Sheen immediately.- that the hill on Sara's Line and that Karl's Hill on Meehan's Line be repaired, and that culverts be replaced- 4 on Sheenboro Road, 2 on Sullivan Road and 3 on Fort William Road between the town line and the intersection with Meehan Line. This section also needs to be ditched, seconded by Leo Downey.

Motion by Lorne Meehan, seconded by Myrtle Sullivan that the roads be oiled this year and that the oiling begin at this upper end of Pontiac.

Moved by Raymond Morris that M Kidd & Sons be hired to grade all the roads that need grading, seconded by George Carroll. Mayor is to contact Mr Kidd.

Motion by Myrtle Sullivan that council meetings commence at 8 p.m., beginning in May, seconded by Leo Downey.

Secretary reported on a meeting he and Mr Gleason had with Mr D Lavallee regarding unknown lots. Mr Lavallee advised that the lots be put into the Land Sale.

Secretary asked council to hire someone who knows the area to accompany the valuators when they are in the area. Some property must be reached by boat. Motion by Raymond Morris to hire Leo Downey to accompany the valuators when needed, seconded by Lorne Meehan.

The United Six Fund committee is to be notified that requests for financial support should be made prior to preparation of the budget.

Correspondence was read by the secretary and by Mr Lemire.

Motion by Mike Sullivan, seconded by George Carroll that $25 be donated to the Cancer Society.

The bill sent by Michael and Earl Brazeau, for road work will not be paid as they were never hired for said work.

Motion by Leo Downey, seconded by Mike Sullivan that the Municipal Corporation of Sheen, Esher & Malakoff support the efforts of La Societe du Musee des Grandes Rivieres in its efforts to establish a museum in Hull.

Secretary reported the receipt of the grant of $7000 for payment of road work done last fall.

Moved by Raymond Morris, seconded by Leo Downey, that outstanding bills in the amount of $9043.94 be paid.

Motion to adjourn by Myrtle Sullivan and George Carroll.

Jesus Christ rock opera

The dramatic interpretation of the Jesus Christ Rock Opera will be presented in the St Paul's Anglican Church Hall on Good Friday, April 17th at 3:00 p.m. by the Anglican Church Youth Group of St Paul's.

This moving play is the culmination of a week-long celebration of Holy Week, with approximately twenty interdenominational teenagers performing, under the direction of Father Brian Allen. Admission is free and everyone is welcome.

Good News Dept.

Everything Will Be Ok

At this very moment you may be extremely worried, depressed, and your spirit may even be broken. But don't give up. God will not forsake you.

The Lord promises to you that He will work all things out for your good and you can be absolutely sure He will keep His promise. But He does things in His own time and in His own way. Because of His perfect knowledge, the Lord always knows best when things should be accomplished.

"When the Lord proclaims that all things work together for good to those who love Him," the Rev. Wallace Schulz said on a recent Lutheran Hour broadcast, "this does not mean that if you trust in God, you will never experience any problems or difficulties."

"If you trust in Him as your Creator and gracious Redeemer," the Rev. Schulz said, "He will use all things, even the disappointments in your life for your benefit. He has the power to turn even the greatest tragedies into blessings."

Mainstream Canada

Rent controls: a dicey issue

By W. Roger Worth

Rent controls are fast becoming a major issue in Canada and governments are having a great deal of difficulty dealing with the politically contentious problem.

The reason: a great number of Canadians believe landlords would dramatically raise rents if they were left to their own devices.

Naturally, politicians are particularly sensitive about an issue that affects so many voters.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

That's one side of the coin.

The people who develop and invest in rental properties have an entirely different point of view. Many of them argue they are not receiving a fair return on their investments, particularly at a time when the payout on ordinary investments such as Canada Savings Bonds is 12% - 14% or more.

As a result of the low rate of return on property investment, together with high interest rates, construction of new apartment dwellings has slowed to a crawl in many areas of the country.

The evidence: apartment vacancy rates in many cities are extremely low, producing what is becoming a mad scramble for available housing.

In addition, many landlords are cutting back maintenance spending in efforts to remain solvent.

Already two jurisdictions in Canada have recognized the difficulty by scrapping the rent controls that were introduced in the 1970s in conjunction with wage and price controls. Other provinces are considering either dropping or phasing out rent controls over a period of time.

Pee Wee All Stars win upper Ottawa valley play-offs

In a hard fought play-off series which ended last Monday Night, the Shawville Pee Wees tied the first game and won the next two against Arnprior to capture the Upper Ottawa Valley Finals.

In the first game, played in the Arnprior arena, the Shawville team got off with a two goal lead on two goals by Todd Wrinn, one assisted by Cory Smart and one unassisted. The Arnprior team bounced back and scored the next four goals to take a two goal lead. Finally in the last few minutes of the game, the Shawville squad rallied, scoring two goals for a tied game. Marcel Berard and Brian Lepack were goal scorers with assists going to T Wrinn, C Wrinn and C Smart.

A most exciting second game was played in Shawville when Shawville once again got the jump on the Arnprior team with three first period goals. Chevrier, Ireland and S meisner were the goal scorers with Young and Lepack getting two assists and K Meisner and Keon each picking up a single point. Ferrigan shut out the Arnprior team.

For the third and deciding game the teams returned to Arnprior. A fast skating, hard checking, Shawville team kept the Arnprior team off the scoreboard while they managed to net one in each period. Cory Smart, assisted by Chris Wrinn, scored the first goal of the game in the last minute of play in the first period. Mid-way through the second, Scott Young, assisted by Todd Wrinn, slipped in the second. Late in the third, Young, assisted by Chevrier, scored once again to give the elated Shawville team a 3-0 victory and the Upper Ottawa Valley Championship.

Pee Wee All Stars champs at Canterbury tournament

The Pee Wee All-Stars rounded off their season by winning the "A" championship at the Canterbury Tournament on Sunday. For the first game the team faced off against Leitrim. The boys were confident, played well and had an easy 6-1 victory.

The second game was played against the much favoured Osgoode-Rideau team. This proved to be the game of the tournament. Both teams played well and although there were many shots on both goalies, the first period went scoreless. It was late in the second period before anyone made the scoreboard and that was the Osgoode-Rideau team taking 1-0 lead. The Shawville boys continued to play well and before two minutes of the third were played, Cory Smart, assisted by Brian Lepack, tied it up. Shortly after, Scott Young, assisted by Stephen Meisner scored the winning goal for a 2-1, well-earned victory.

The boys returned to Ottawa Sunday for their final game against Alta Vista. Although the Alta Vista team played well, they could not handle the eager Shawville squad who defeated them 5-1. Cory Smart and Todd Wrinn each scored a pair with Stephen Meisner netting a single.

A very exciting way to end a successful season for the Pee Wee All Stars and their coaches.

Shawville Tykes "B" champs at Alta Vista and Canterbury tournaments

On April 4th Shawville Tykes played two games in the Alta Vista Tournament.

They met Brockville in their first game and came out on the short end of a 4-2 score.

Marc Rodgers scored both Shawville goals with assists going to Chris MacIntyre and Rick Atkinson.

In the second game they played Pinecrest coming out with a 4-0 win allowing them to advance to the "B" Final on Thursday, April 9.

Marc Rodgers scored three Shawville goals all unassisted and Rick Atkinson picked up the other marker on a penalty shot.

Marc Rodgers was voted M.V.P. for Shawville.

In the final on Thursday the local boys took Alta Vista 3-0. Scoring for Shawville were Marc Rodgers with two unassisted goals and Chris MacIntyre assisted by Jody Lance. Rick Atkinson was voted M.V.P. for Shawville.

On April 5th they were entered in the Canterbury Tournament and were defeated in a hard fought first contest by Brockville 2-1. Shawville's lone goal was scored by Grant Hodgins assisted by Chris MacIntyre and Marc Rodgers.

In the second game of the day they met Alta Vista and were 5-2 winners which put them in the B final on Sunday, April 12th. Shawville marksmen were Marc Rodgers with three, Chris MacIntyre and Rick Atkinson with one each. Assists were awarded to Joel Elliott, Marc Rodgers, Garth Yach, Jody Lance, Marc Asselin and Grant Hodgins with one each.

In the B final they defeated their opponents Blackburn Hamelin by a 4-1 score. Marc Rodgers scored all four goals for Shawville with assists going to Marc Asselin (3), Garth Yach and Rick Atkinson with one each.

Shawville received outstanding goaltending from Christian Meilleur in both of these tournaments.

The season ends for the Tykes on Easter weekend as they are entered in the Riverside tournament at Ottawa.

"Keep up the fine work boys"

Shawville Atoms win championship in Canterbury tournament

The Shawville Atom All Stars played their first game in the Canterbury Tournament on Saturday, April 4. Shawville won that game 3-0 with goals made by Danny Desabrais 1 and Craig Hamelin 2. Dan Egan, Corey MacIntyre and Todd Smith each got one assist in the game. Goaltenders for Shawville were Tim Graham and Dan Egan.

On Saturday, April 12th Shawville played Cyrville and took the game witha 6-5 score. Craig Hamelin got 4 of the goals and Danny Desabrais got 2. Getting assists for Shawville were Bruce Hodgins 1, Scott Fenton 1, Jean St-Denis 1, Corey MacIntyre 2, Craig Hamelin 1 and Danny Desabrais 1.

Tim Graham and Dan Egan were Shawville's goalies.

Scoring for Cyrville were Serge Casault 1, Alain Casault 2, Gordon Medynski 1 and John Cutler 1. Assists were made by Alain Casault 1, Serge Casault 2, John Cutler 2, and Mark Brennan 1. Cyrville's goalie was Mark Tetrault.

The championship game was played on April 12th. After being behind 3-0 in the first period Shawville went ahead to beat Osgoode-Rideau 6-3. Richard Francoeur got the first goal for Shawville and after that the momentum picked-up. Danny Desabrais got 3 goals while Corey MacIntyre and Jim Young each picked up 1. Getting assists were Jim Young 1, Corey MacIntyre 4, Craig Hamelin 2, and Danny Desabrais 1. Tim Graham and Dan Egan were Shawville's goalies.

Scoring for Osgoode were Trevor Alguire 1 and James Robinson 2. Assists for Osgoode were by William Hannaford 1, James Robinson 1, and Trevor Alguire 1. Brian Huff was Osgoode's goalie.

This was a good way to end this season's hockey and a word of appreciation should be given to the Atoms Coach Fern Hamelin, manager, Murray Graham and assistant coach Les Smart for the time and energy they put into making this a good year for the boys.

From May 1, 1981 there will be a new procedure to apply for a **CHIP** home insulation grant

If you are considering insulating your home you should check if you are eligible for a grant. Then send CHIP a request card for your personalized application form which will indicate that grant money has been set aside for you for 90 days.

ARE YOU ELIGIBLE?	YES	NO
1. Is it a principal residence or non-profit hostel?	☐	☐
2. Is it a house or apartment of 3 storeys or less?	☐	☐
3. Was it built before January 1, 1961 in any province* or before September 1, 1977 in the Yukon, Northwest Territories or Newfoundland?	☐	☐

If you have answered "YES" to all the questions you can obtain your personalized application form for a grant by sending us a completed CHIP request card. This card is available from most insulation material retail outlets, insulation contractors or from your provincial CHIP office.

Quilt making by young ladies

Miss Sonya St Aubin of Aylmer, centre, spends her summer holidays with her grandparents Mr and Mrs Dick St. Aubin in Otter Lake. Last summer she made herself an old fashioned quilt. On quilting day she invited her two friends to help her quilt. On the left is Miss Melody Lepack and on the right is Miss Francoise Beaudoin. These girls worked a full day to finish this quilt but were very proud of the lovely quilt they had made all by themselves.

A new retail business

The owner of a proposed new retail venture, having analyzed the market, chosen a product line, and settled on a location, now moves on to his most crucial exercise in planning the start-up of his store: What it is going to cost.

A qualified accountant can help determine financial needs as well as plan the setting up of a practical accounting system which will enable the proprietor to keep track of how the business is doing.

The first step, however, is to determine starting costs for the new venture, which fall into five general classifications:

Capital expenditures include painting and decorating, partitions, electrical and plumbing work, lighting fixtures, counters and shelves, a sign and such equipment as a cash register.

Opening costs involve a lease deposit, licences, utilities, taxes, other deposits, accounting and legal fees, business and accounting forms, stationery and office supplies, advertising and publicity, insurance and wrapping materials for goods sold.

Inventory is the initial stock of products and a reorder reserve.

Contingencies involve the unplanned expenses that always arise and 10-20 per cent of planned expenses should be set aside.

Reserve fund is two to three months' minimum of overhead costs and salaries to cover a possible lack of profitability during the initial period.

Other factors would be purchase of a location if that was done; leasing instead of buying of equipment; and the possibility that suppliers might insist on a C.O.D. or deposit basis for all purchases of inventory.

To make the compilation of starting costs meaningful, a forecast must be prepared, usually for the first year of operation of a new business. This will test the viability of the venture and show up any weaknesses or shortcomings. Foreseeing problems and adjusting for them is far wiser than suddenly being forced to react when alternatives or capital may be limited.

A new business must make realistic estimates of sales, expenses and profit. Errors, if any, should be on the conservative side since it is better to be under when estimating sales and over when estimating expenses.

A sales forecast depends on pricing strategy, which normally will be influenced by what the competition is charging for the same or a similar product. It also will include such factors as cost plus mark-up, market demand, psychological pricing, and units required to break even. Cost of sales must be figured.

Operating expenses are those incurred in the daily running of the business.

The difference in estimates between sales on the one hand and cost of sales and operating expenses on the other will be the profit expected.

One further step should be preparation of a cash flow chart to show, on a month-by-month basis, estimates of money to be received and paid out and when there will cash surpluses or shortages. Qualified assistance in preparing this budget is recommended.

After the proposed proprietor of a new retail business determines financial needs, the next step is to find the money. Sources include personal savings, loans from family or friends, partner's investment or share-capital if incorporated, loans from financial institutions, and trade credit from suppliers.

Careful planning - knowledge of financial limitations and realistic goals - is necessary. Careful presentation based on realistic research when seeking outside financial assistance is equally necessary to prove that the venture is viable.

Bryson News

Mrs. Donald Ostrom

Spending the weekend with Mr and Mrs Peter Kluke and Perry were Mr and Mrs Denis Newberry and daughter Alissa of Ottawa.

Visiting with Mr and Mrs Wilfred Riebertz and Janice last Sunday were Mr and Mrs Tony Zwiers of Brockville.

Belated birthday wishes to Mrs Jack Poole who had a birthday last week.

Miss Colleen Bigelow of Ottawa visited last week with her parents Mr and Mrs Cecil Bigelow and Cathy.

Visiting with Mrs Margaret Saunders over the weekend were her son Mr and Mrs John Saunders of Hanmer, and Miss Linda Saunders of Ottawa.

Visiting Mrs James Ostrom on Sunday was her daughter Mrs Curry Oates of Renfrew.

Get well wishes to Mrs Rudolphe Gauthier who has returned home from Pontiac Community Hospital.

Visiting with Mr and Mrs Ray Grier, Debbie and Todd, this past weekend were Mr Roland Poisson of Ottawa, Mr and Mrs Bernard Poisson of Vanier, Mrs Yvonne Poisson and son Patrick of Orleans, Mr Allan McNab of Hull, Mr and Mrs Dwight Coates of Ottawa.

Last Monday evening in the basement of the Immaculate Conception Church, a lovely bridal shower was held in honour of the bride to be, Miss Lynn Robinson. She was taken completely by surprise. Mrs Cathy Ostrom pinned the corsage on Lynn. Several games of bingo were played throughout the evening. Lynn was presented with several useful gifts and a purse of money. The bride-to-be then thanked the ladies with a few well chosen words. Grandmother of the bride, Mrs W.D. Brown, read a poem which was enjoyed by all present. A delicious lunch was served by the ladies.

Visiting Mr and Mrs Donald Ostrom on Sunday were Mr and Mrs Patrick Helferty of Renfrew.

After the Bible, Cervantes' "Don Quixote" has been more widely translated than any other book in the world.

The end doesn't justify the means

The Consumer Protection Act now has a certain control over advertising. It aims to eliminate certain advertising techniques which boast of advantages which don't really exist, create false hopes, lead into error or even doctor up the truth. The Act makes it illegal not only for publicits but also for merchants and manufacturers to use such tactics to incite consumers to buy.

The Consumer Protection Act notably stipulates:

That in an advertisement the meaning of certain information, opinions or testimony cannot be distorted.

For example, a theatre owner cannot advertise a film by quoting favourable passages from a review when in fact it was on the whole unfavourable towards the film.

That a merchant cannot falsely pretend to be certified, recommended, sponsored or approved by a thir person, a public organization for example, or that a product is likewise.

That a merchant does not have the right to base advertising on data or on any analysis presented as being scientific if in fact the study is not carried out or has no scientific value.

Also, it is forbidden by the Act to mention in any advertisement that cheques or other means of payment issued by the Government of Quebec or of Canada or by a Municipal Corporation may be exchanged or accepted as payment. And remember, there is no charge for having this kind of cheque cashed.

Finally, note that merchant can no longer omit to mention his or her name and occupation in an advertisement.

DOWNTOWN PEMBROKE

Quyon notes

by Ada Daley

A parade of Spring Fashions was exhibited in beautiful style on Friday, April 10th in Onslow Elementary School, presented by Arret '79, Mariel Boutique and J.R. Shop. A great selection of children's and ladies' attire was modelled, in the new spring colors and fashions.

Urban and Margaret Curley, as well as Maureen and her Aunt, Mrs Kay Stanton, all went to the Art Centre to hear Marty Robbins and his group entertain. "They were really good" says Maureen.

Quyon was booming with activities Saturday evening, April 11th. Yes! The snow riders had their banquet at Fairbanks and the hockey club had their banquet and trophies presented at the Ranch. While at Gavan's the fine Howard Hayes entertained.

We had word from the girls in Fort Lauderdale. They aren't scorched yet! Audrey had a frustrating experience, but all is well now. She had her purse snatched but hopefully will get her travellers cheques. Safe flying girls!

Get well wishes to Francis Muldoon who is a patient in Sudbury General Hospital.

Steve Muldoon, Detroit Michigan receives and reads THE EQUITY every week. Steve is the only member left of the Thomas Edward Muldoon clan. Anyone with knowledge of his dad's name, we'd appreciate hearing. We are starting a family tree. P.S. If anyone wants to know Steve's age, write to the Aylmer Academy of Schools.

Happy holidaying to Margaret and Martin Dowe who are going to Edmonton to attend Beth's graduation in May.

Sympathy is expressed to the relatives of Mary Daley, whose burial was from St Mary's Parish, Quyon, on April 2nd. She is survived by her brother Martin who lives in Sudbury, and nephews and nieces from Aylmer and other parts.

Sympathy goes out to the Gibbons family. Joe Gibbons died in Ottawa and was buried from St Basil's Church. Interment was in North Onslow Cemetery. He is survived by his wife Ethel and daughters Marian, Shirley, Carmel and a son John.

Get well wishes to John McMillan who is a patient in the Children's Hospital, Riverside Drive.

Get well wishes to Lawrence Stanton who has been sick for some time.

Brian Muldoon, Mrs Danny Foran and Leona Muldoon motored to Oakville last weekend to visit brother and son Tommie, and their sister and daughter Linda. Now Living in Toronto.

A bunch of hockey fans motored to Sudbury to watch their favorite group play and get beat.

Bon Voyage to Audrey McCann, JoAnne Daley, Barbara Thomas and Julie Fraser. The girls are gone to Fort Lauderdale, Florida.

We are happy to see Mrs Mary Greer home from the hospital again. She was a patient in the Pontiac Community Hospital for two weeks.

Cal and Teressa Cummings, Ivy and Jim Steward went to Elaine's to hear Harry Hibbs and his Nufé band last Sunday. It was a good day.

The Civitan Telethon last Saturday evening was over the top by one o'clock. It was a credit to all who donated and the Pontiac deserves a hand!

Low Notes

Mrs. Robert Lalonde

Congratulations to Janet and Wally Brownrigg of Venosta, Quebec, on the birth of their first child, born March 28th.

Congratulations to Reg and June Gleason of Windsor and Venosta who celebrated their 11th wedding anniversary on April 10th.

Congratulations to Mr and Mrs Brian Cahill of Low who celebrated their 12th wedding anniversary on April 12th.

Congraultations to Terry and Bill Wilson who celebrated their wedding anniversary on April 14th.

Congratulations to Mr and Mrs Frankie Monnett of Brennan's Hill who will celebrate their 2nd wedding anniversary on April 16th.

Congratulations to Gearld and Gail Lacelle of Ottawa and Low who will celebrate their 3rd wedding anniversary on April 18th.

Congratulations to Mr and Mrs Jack Foster of Kazabazua who will celebrate their 52nd wedding anniversary on April 22nd.

Happy birthday to Irvine Leslie of Low who celebrated his birthday on April 7th.

Happy birthday to Mrs Gertrude McCaffrey (née Sloan) who celebrated her 91st birthday on April 9th.

The shoestring was invented in England in 1790.

Making a fortune the easy way?

Have you already had the opportunity to making a fortune the easy way proposed to you? Many people have regretted believing such nonsense.

To make sure other consumers do not lose their money... and their illusions in risky business operations, the Consumer Protection Act now makes it illegal for all merchants, manufacturers or publicists to lead you to believe that a fantastic business offer will allow you to make a fortune rapidly and without any effort. For example, they cannot falsely claim that a part time job will enable you to double your weekly income with little effort or that by simply buying a pair of chinchillas you will be able to begin raising these animals and soon become a millionnaire.

The Act also forbids anyone to offer a price reduction or any other gift in money or other nature if on the one hand, you buy or rent a good or service and on the other hand, you favour the conclusion of a similar contract by giving the name of a person you know to the merchant.

In addition, no merchant, manufacturer or publicist can falsely attribute a quality or characteristic to a good or service. For example, it is illegal to pretend that a saw can cut anything at all when in reality it cannot cut through steel.

Finally, it is illegal to falsely maintain that a consumer will save money by purchasing a good or service. For example, it is forbidden to declare that savings can be made with a gas-saver when in effect the aparatus is useless.

It takes half an ounce of gas to start the average car.

The amethyst was worn by the ancient Romans who believed it would prevent intoxication.

Advertising and children

The Consumer Protection Act makes it illegal for merchants and publicists to direct commercial advertising at persons under thirteen years of age. The legislator has judged this type of advertising must be directed at those with the buying power, that is to say the parents.

The only publicity authorized.

The Consumer Protection Act does however call for certain exceptions. Therefore, advertising directed at children is allowed in the following cases:

If it is question of educative advertising which is meant to inform children about subjects such as traffic safety, the importance of a well-balanced diet, etc...

If the advertisement is contained in a children's magazine, insert or other publications destined for children and which are publichsed at intervals of not more than 3 months.

If the advertisement is meant to announce a children's program or show.

If the advertising is found in a store window, or a display, on a container, wrapping or label.

However, in the last three cases pointed out, certain clauses contained in the Consumer Protection Act must be respected. The advertisment must not, for example, use a superlative to describe the characteristics of goods or services or a diminutive to indicate its cost; it must not exagerate the nature characteristics, performance or duration of goods or services, etc.

Réunion des directeurs de l'UPA

Les directeurs suivants sont présens à la réunion des directeurs de l'U.P.A. au Restaurant Smith, Shawville, le 23 mars, 1981: Chris Judd, président, Dave Lalonde, Clayton Cumming, Roland Vallières, Lee Hodgins, James Stewart, Jacques Lance, Byron Barr, Roy Perreault, Barry Stitt, Basil Orr, Pat Hynes. De même que Neil Dittburner représentant des producteurs de boeuf et Claude Phaneuf informateur de la Fédération.

Au sujet de l'Assurance-récolte, Jacques Lance fait rapport d'une communication de M. Bussières, directeur du bureau de Hull: Tenant compte que le zone déterminée pour l'assurance collective est de l'Ile du Grand Calumet à Quyon inclusivement, et que seulement une partie de cette zone à subi des dommages considérables dans le foin (Partie ouest de Shawville et Ile du Grand Calumet) Le moyenne générale de la zone ne montre pas de réductions de production suffisante pour que l'assurance débourse dans cette production.

M. Bussières mentionne aussi que pour obtenir une bonne assurance collective, cela prends un minimum de 3 ans et cela ne fait que 2 ans que nous sommes assurés de cette façon.

au sujet de l'assurance-stabilisation des parcs d'engraissement — vu que: les délais considerables encourus par les producteurs lors des emprunts, et vu que: le retard à se procurer le nombre d'unité animales, il est proposé par James Stewart, secondé par Basil Orr, approuvé à l'unanimité: de demander à la régie des assurances-récoltes d'admettre maintenant pour une durée de 5 ans, les producteurs qui n'avaient pu le faire avant le 1er décembre 1980, et que le syndicat local appuie la demande des producteurs suivants: Ron Armitage, Gordon Dittburner, Hughes Hammond, Patrick Hynes, Keith Mohr, Fred Mohr, Ray Robinson.

Au sujet des publications d'André Charbonneau sur les différents aspects de l'agriculture, deux possibilitées ont été discutées. 1. Que les articles soient publiées un à la fois à la demande des membres. 2. Payer une annonce dans l'Equity. A décider à la prochaine assemblée.

Au sujet des immatriculations à Chapeau: 1. La perception de la taxe de vente est la responsabilité d'un vendeur autorisé. Certains vendeurs ontarians sont enregistrés au ministère du revenu du Québec sans frais. Se vous achetez d'un autre particulier, il y a 2 genres d'exemption: PV60 disponible à la Caisse Pop. Elle peut être complétée avant la vente si vous détenez les informations - no. de serie et prix, et devez la poster à Hull. pvéi à Hull seulement. Plaques d'immatriculations temporaires remboursable l'année suivante.

3. Plaques d'immatriculations temporaires - remboursable l'année suivante.

Au sujet de l'assemblée annuelle de la Fédération qui aura lieu au Chateau Montebello le 26 mars, aux directeurs de s'organiser ou contacter Chris Judd.

Proposé par Dave Lalonde, appuyé par Lee Hodgins résolu à l'unanimité que le procès verbal soie publié dans l'Equity dans les deux langues.

Batir son cadre de vie l'environnement, ca compte

Pour la troisième année consécutive, Environnement-Québec organise, au cours du mois de mai, le mois de l'environnement, sous le thème général de "Bâtir son cadre de vie" et ayant comme slogan "L'environnement, ça compte dans l'Outaouais", cette période propice à la participation active des groupes et des individus au processus de sensibilisation de leur milieu de vie sera sous la présidence de monsieur Guy Demers, directeur régional d'Environnement-Québec dans l'Outaouais.

Les grands objectifs du mois de l'environnement 81 seront de développer la conscience des droits et responsabilités de chacun en matière d'environnement en suscitant des comportements propres à assurer la préservation ou l'amélioration de notre milieu de vie. La direction régionale de l'Outaouais entend appuyer l'action des groupes engagés dans la protection de l'environnement en diffusant le plus largement possible le concept global de la protection du milieu et en leur offrant du matériel d'information et de promotion et de la publicité.

Les succès du mois de l'environnement repose sur la participation active des associations et organismes impliqués en matière d'environnement. Ils sont donc invités à faire connaître, d'ici au 21 avril, le genre d'activités qu'ils entendent tenir au cours du mois de mai, en communiquant avec le coordonnateur du Mois de l'Environnement, monsieur Pierre Lafleur, au bureau régional d'Environnement-Québec, 170 Hôtel de ville, 8e étage, Hull.

Le mois de l'environnement vise à refléter le dynamisme des groupes impliqués en matière d'environnement afin d'établir un dialogue productif et éducatif entre eux et la population. L'an dernier, une quarantaine d'organismes ont participé au Mois de l'Environnement dans la région de l'Outaouais et on est en droit de s'attendre à une participatation accrue des groupes et associations de la région administrative 07. "L'environnement ça compte au Québec et dans l'Outaouais", on saura démontrer durant le mois de mai comment "Bâtir son cadre de vie".

Source: Pierre Lafleur, Coordonnateur

Augmentation du montant prête par la Société du Crédit Agricole

Depuis le 1er avril 1980, la Société du Crédit Agricole a consenti des prêts totalisant $2,596,800.00 aux agriculteurs des comtés de Gatineau, Papineau et Pontiac. Ceci représente une augmentation de 84% par rapport à l'année précédente. Le montant moyen se situe à $117,250 comparé à $100,960 pour l'année dernière.

Cette année, les producteurs laitiers de la région ont bénéficié de $1,379,000 de crédit, les producteurs de boeuf $1,049,300, et $268,500 a été consenti pour d'autres productions. La demande de la part des producteurs de bovins de boucherie a été très forte cette année due aux programmes de subvention du gouvernement provincial.

Les fonds prêtés au cours de cette période ont servi aux fins suivantes: $247,000 pour l'achat de fermes, $470,570 pour la construction de bâtisses, $338,000 pour l'achat d'animaux, outillage et quota, $1,509,970 pour le remboursement de dettes existantes et $31,260 pour d'autres fins.

La Société du Crédit Agricole est un organisme fédéral qui consent des prêts hypothécaires aux agriculteurs et aux aspirants-agriculteurs. Le conseiller en crédit affecté à la région est à son bureau au 569 Boul. St-Joseph à Hull tous les lundis pour rencontrer les personnes intéressées.

Rencontre sur les dangers d'inondation à Fort Coulonge

Jeudi le 2 avril lieu une réunion au bureau de Mansfield pour essayer de trouver des solutions afin de prévenir les futures inondations dans la région de Fort-Coulonge et Mansfield.

Parmi les personnes présentes étaient messieurs Guy Demers et François Thériault du bureau du ministère de l'Invironnement à Hull et Gilles Plante du même ministère à Québec, monsieur Robert Armstrong de la Coulonge and Crow river Boom Company et messieurs Janveaux et Landry de la Compagnie E.B. Eddy à Davidson. Participaient également les maires et des conseillers des municipalités de Fort-Coulonge et de Mansfield ainsi que les membres du Comité des inondations.

Les buts de ce Comité sont de protéger la population des futures inondations et d'obtenir justice pour ceux qui ont subi des dommages à cause des inondations passées. Le Comité n'a pas comme but d'arrêter la drave sur la rivière Coulonge ainsi, que certains veulent le laisser croire mais de faire imposer par les authorités publiques des normes et de véritables contrôles sur la drave afin de limiter au maximum les possibilités d'innodations.

Les responsables des compagnies ont déclaré que leur politique est de sortir les billots de la rivière avant l'arrivée de l'hiver. Cet hiver, ils n'ont pu le faire à temps à cause de problèmes avec leurs machines et à cause du manque de temps. Ils imputent ce manque de temps au contrôle du ministère de l'Environement qui limite les heures de travail du "log take-out" à 18 heures par jour, à cause de la pollution du bruit. La compagnie a déclaré ne jamais avoir reçu de plainte des résidents de Davidson près du moulin. Cependant, M Demers a déclaré que le ministère de l'Environnement, lui avait reçu des plaintes.

Le Comité a demandé que les compagnies signent une entente ayant pour objet de promettre de sortir les billots de la rivière avant l'hiver mais ces derniers ont refusé.

les responsables du ministère de l'Environnement ont répété que les lois et règlements actuels régis par leur Ministère ne leur permettent pas d'imposer de contrôles ou des normes sur les pratiques de drave. Pourtant, les individus qui subissent des dommages causés par la drave peuvent poursuivre les compagnies responsables. Des rapports des inspecteurs du ministère déclarent que les compagnies sont au moins partiellement responsables pour les inondations et les dommages subis dans la région en 1972: ainsi on encourage ces individus à poursuivre les actions légales entreprises jusqu'au bout.

De plus, le Comité des inondations demande que le Ministère de l'Environnement tienne une enquête publique sur les pratiques de drave sur la rivière Coulonge et qu'il se dote de lois et règlements pour être en mesure d'imposer des normes et des contrôles sur ces pratiques.

Selon les représentants du ministère, le Pont-Rouge est également en partie responsable pur les inondations du passé. Il existe une solution possible à ce problème. Le ministère des Transports étudie la possibilité de faire poser des installations sur le pont qui permettraient aux billots de passer sous le pont au lieu d'y rester accrochés. Le Comité des inondations demandera à la municipalité de Mansfield de faire une demande à ce ministère en ce sens.

La population peut communiquer avec le Comité, soit au CLSC à Fort-Coulonge (683-3000) ou avec les membres du Comité qui sont: Pierre Chénier, président, Lilas Durocher, Secrétaire, Lucien Ladouceur, Lucienne Roy, René Morrissette, Roland Whelan et Jérôme Amyotte.

by Klaas Bylsma

Nouveau code civil

Le ministre de la Justice, Me Marc-André Bédard, annonce la mise en vigueur à compter du 2 avril 1991, d'un certain nombre de dispositions de la Loi instituant un nouveau Code civil et portant réforme du droit de la famille, adoptée à l'unanimité de l'Assemblée nationale le 19décembre dernier.

"Cette loi marque la première étape de la refonte complète du Code civil qui vise à mettre à jour le cadre juridique le plus fondamental de notre société, source dynamique de notre culture et de notre identité. Tout en ajustant les institutions familiales à une réalité contemporaine qui reflète l'évolution de la société québécoise, les dispositions de la nouvelle loi mettent l'emphase sur le respect des droits fondamentaux des personnes". C'est en ces termes que s'est exprimé monsieur Bédard en annonçant la mise en vigueur d'une première série d'articles du nouveau Code civil du Québec portant sur la réfvorme du droit de la famille.

"Deux grands principes ont inspiré les modifications apportées en droit familial: l'égalité de l'homme et de la femme entre eux et devant la loi, et la liberté des personnes dans la façon d'organiser leurs relations familiales", a rappelé Me Bédard. C'est ainsi que les dispositions portant entre autres sur la responsabilité conjointe des époux dans la direction morale et matérielle de la famille, sur la protection de la résidence familiale ou encore celles qui abolissent les distinctions entre les types de filiation sont de droit nouveau, et s'inspirent des principes d'égalité et de liberté.

Les dispositions qui entreront en vigueur le 2 avril prochain feront que les époux auront les mêmes droits et obligations, assurant conjointement la direction morale et matérielle de la famille et assumant les tâches qui en découlent. Chque époux conservera, en mariage et dans l'excercise de ses droits civils, ses non et prénom.

De concert, ils choisiront la résidence familiale à l'égard de laquelle est prévue une protection qui vise tant les meubles affectés à l'usage du ménage que la résidence principale elle-mêmes, et ce, indépendamment du régime matrimonial qui régit les époux. Essentiellement la règle est à l'effet que le consentement du conjoint est nécessaire pour tout acte de disposition des meubles et de la résidence familiale, qu'il s'agisse d'une preopriété ou d'un lieu loué, sous peine de nullité de l'acte. Il est essentiel cependant qu'une déclaration de résidence, dans le cas, soit faite par les époux ou l'un deux. Ces dispositions consacrent un autre aspect du principe de l'égalité des époux et de la notion de direction conjointe de la famille.

L'abolition de toute distinction sur la base de la filiation (légitime, naturelle ou adoptive) confirme encore là l'égalité des membres d'une même famille et entre les familles. C'est dire que tous les enfants auront les mêmes droits et obligations, qu'il s'agisse de droits alimentaires, successoraux ou autres.

"La mise en vigueur de ces dispositions vient concrétiser notre volonté de doter le Québec d'un véritable code de la famille qui traduit l'importance accordée à cette cellule fondamentale de la société", de commenter monsieur Bédard.

La portée et le contenu la Loi 89 nécessitent sa mise en vigueur par étapes. Ainsi d'autres articles seront mis en vigueur dès que le Code de procédure civile et la Loi sur l'adoption seront amendés en conséquence. Par ailleurs, la mise en vigueur des dispositions portant sur les conditions pour contracter mariage, les nullités de mariage et le divorce, demeure sujette au transfert de la compétence aux provinces en matière familiale à la suite des discussions constitutionnelles fédérales-provinciales.

by Jean-Robert Nadeau

Le poisson:

En cette décennie inflationniste, le poisson devrait être l'aliment-vedette à votre table. En effet, il est encore plus économique de manger du poisson, plutôt que de la viande, surtout si vous achetez des espèces moins connues telles le maquereau, le turbot, la merluche blanche, la goberge, etc.

Mais il n'y a pas que cet argument terre-à-terre pour faire pencher la balance, car le poisson a d'autres vertus. Tout d'abord, il est aussi riche en protéines que la viande. En outre, il fournit moins de gras et de calories que la viande (intéressant pour ceux qui ont la phobie d'engraisser!). Enfin, il est facilement digestible.

LES FORCES ARMÉES CANADIENNES — SI LA VIE T'INTÉRESSE

Régie de loisirs centre du Pontiac

par François Grenier

La semaine dernière je vous promettais de plus amples informations concerenant le programme de films et la Régie en elle-même, voici donc l'information promise.

Ainsi ce sont les 25 et 26 avril quauront lieu les projections de films pour la famille. Le 25, se sera à la salle paroissiale de Vinton et le 26, au local des Lions de Bryson. A 13:00 le film "Bad News Bears in Breaking Training" (En anglais) sera présenté et à 15:00 se sera au tour de "L'extravagant professeur" (en français). Ce dernier est en noir et blanc mais c'est une des meilleures comédies américaines et vous ne regretterez pas de l'avoir vu; le coût n'est que de $1.00 pour les deux films.

En ce qui concerne la Régie en elle-même; elle est l'oeuvre de représentants de 5 municipalités qui grâce à un travail infatigable ont réussi à mettre sur pied un protocole d'entente les liant; ce qui les a par la suite amené à demander une subvention visant l'engagement d'un directeur des loisirs afin de faciliter leur action. Les membres actuels de ce comité sont: Pour Campbell's Bay: Denis Larivière et Phil Gabriel, pour Bryson: J.C. Germain et Raymond Lépine, pour l'île du Calumet: Philippe Lasalle, pour Litchfield: Simon Corriveau et Bertha McGee et pour Portage du Fort: Cécile Essiambre et Roy Dagg.

C'est ainsi qu'au début février, je suis entré en fonction; essayant de connaftre le plus d'organisations de loisir possible (Si je ne vous ai pas rencontré, n'hésitez pas à me téléphoner).

Des demandes de subvention ont été et seront faites afin d'aider la Régie dans ses projets. Le fait que la Régie regroupe 5 municipalités aidera certainement à ce niveau car le gouvernement favorise de tel regroupement.

De par ma fonction, je suis apte à aider les associations à différents niveaux: Ex: permis de boisson, permis de tirage, demande d'incorporation, demande de subvention, renseignements divers concernant le loisir en général (règlements de sports, documentation sur le loisir culturel, moyens de financemant, etc...) N'hésitez pas à me contacter car je suis à votre service.

La Régie est aussi une oreille attentive à vos besoins, car l'un de ses buts est de favoriser le loisir pour tous, dans le plus d'endroits différents possibles afin de rendre un service égal. Ainsi s'il y a d'autres films, ils seront dans des municipalités différentes.

Un autre objectif est la mise en commun d'idées, de personnes et d'équipements afin de permettre des échanges qui ne pourront qu'être profitables pour tous. La publicité et l'information seront très utilisées par la Régie, comme le montre les quelques communiqués ci-dessous.

Le programme de subventions du Ministère des loisirs est publié depuis la fin-mars; si vous avez besoin d'information à ce sujet n'hésitez pas à me contacter.

Pour ceux qui l'ignorent, il y a trois bibliothèques sur notre territoire soit: Campbell's Bay (mardi de 16:00 à 18:00 et vendredi de 19:00 à 21:00) Bryson (jeudi de 18:00 à 20:00) et Ile du Calumet (mardi de 18:30 à 20:30 et samedi de 14:00 à 15:00). De plus, le Centre récréatif de Portage du Fort possède des rayons très biens garnis.

Félicitation aux jeunes de Bryson qui ont maintenant leur propre local au centre récréatif.

Ces appareils peuvent être dangereux

Les radiateurs portatifs

On retrouve actuellement sur le marché des radiateurs portatifs au kérosène qui n'ont pas reçu l'approbation de l'Association canadienne de normalisation (ACNOR) ou de l'Association canadienne de gaz (ACG) et qui peuvent, de ce fait, présenter des risques d'incendie.

La Direction générale de la prévention des incendies recommande aux personnes qui seraient tentées par l'acquisition de tels appareils de chauffage de veiller à n'acheter que des appareils approuvés par l'ACNOR ou l'ACG. De plus, ces personnes devront suivre strictement les instructions du fabricant concernant les modalités d'opération, notamment en ce qui touche le remplissage du kérosène, les dimensions de la pièce dans laquelle l'appareil doit être utilisé et le dégagement entre ce dernier et un matériau combustible.

Les systèmes mixtes

Dans le but d'économiser de l'énergie ou de disposer d'un chauffage d'appoint en cas de panne, de nombreuses personnes sont tentées de faire greffer à leur système chauffage au mazout ou au gaz un appareil leur permettant de chauffer au bois en utilisant les conduits existants pour la distribution de l'air chaud. Ces conduits ne sont pas installés avec les dégagements nécessaires pour le chauffage au bois, et peuvent ainsi présenter des risques d'incendie.

Etant donné que de tels appareils n'ont pas encore reçu l'approbation de l'ACNOR - les normes sont actuellement en préparation - il est préférable d'attendre avant d'acquérir cet appareil de chauffage.

De plus les règlements actuels de la Régie de l'électricité et du gaz interdisent d'annexer un appareil de chauffage au bois à un système fonctionnant au gaz.

Cependant, si l'installation est déjà effectuée, la Direction générale de la prévention des incendies recommande aux utilisateurs de la faire vérifier par leur service d'incendie qui verra à ce que soient éliminés le plus possible les risques d'incendie qu'elle pourrait présenter.

Pontiac Historical Society minutes

by Mary McCagg

The Pontiac Historical Society met in the McDowell School on Monday, March 23 at 8 pm with twenty members and two visitors attending.

The President Annie Gamble welcomed all and expressed her wish for an enjoyable evening.

Minutes of the previous meeting were read and approved.

Correspondence was read and a letter was read from Concordia University accepting our invitation to speak at our April meeting.

Nineteen members and one new member paid fees for 1981.

The food sale was mentioned and will be discussed at the April meeting.

Next meeting is to be held on April 20 at 8 pm in the McDowell School with Mr Decane from Concordia University giving a slide show about English in Quebec.

Motion to adjourn was made by Lloyd Armstrong.

Kay Hodgins showed pictures of her trip to Spain, Portugal and other places of interest.

A social hour followed with lunch served by Ethel Hodgins and Mary McCagg assisted by Amy Paul.

If your car's out of shape you get rid of it, right? What if your body's out of shape?

PRAYER TO ST. JUDE THADDEUS, Apostle and Martyr.
In peitition and Thanksgiving-
O God, the Apostle Saint Jude Thaddeus was a faithful servant and friend of your Son and our Lord, Jesus Christ. His name has been forgotten by many because of the name of a traitor who delivered our beloved Master into the hands of his enemies. But your Church honors him and invokes his intercession universally as the patron of those in difficulty who have found no other help. Grant that through Saint Jude's intercession we may know your will for us, have the strength to do it, and enjoy the consoldation of your Holy Spirit as well as your blessings in time and in eternity. Heavenly Father, may Saint Jude intercede for us in all our necessities, tribulations, and sufferings, particularly (here make your needs known). With him and all the saints may we praise you with your Son and Holy Spirit for ever. Amen.

IN MEMORY

BENOIT — In loving memory of a dear brother, brother-in-law and uncle, Raymond, who passed away April 12, 1974.
Greatly missed along life's way
Quietly remembered every day
No longer here, our lives to share
But in our hearts you are always there.
Ever remembered
Bev, Marie and family
50450B1A15

BENOIT - In loving memory of a dear son, Raymond, who passed away April 12, 1974.
He is gone but not forgotten
And, as dawns another year
In our lonely hours of thinking
Thoughts of him are always near.
Days of sadness will come o'er us.
Many think the wound is healed
But they little know the sorrow
That lies in our hearts concealed.
Always remembered
Mom, Dad and family
50450B1A15

FIEROBIN- In loving memory of our dearest sister, Shirly Fierobin who passed away April 16, 1960.
The month of April now is here
To us the sadest of the year.
God took her home, it was His will
But in our hearts, she liveth still
Ever loved by
Manson, Elsie, Dwayne, and Connie.
50463BA15

HODGINS — In loving memory of a dear wife, Laura, who passed away April 14, 1980.
My lips cannot tell how I miss her,
My heart cannot tell what to say;
God alone knows how I miss her
In a home that is lonesome today.
Always remembered by husband James and family

St. Mary's C.W.L.

Evening mass started off the proceedings of St Mary's Catholic Women's league meeting. Sister Pierrette and Sister Helen carried the gifts while Marie Moyle did the reading.

Correspondence was read by Eleanor Foran. A nice thank you card was received and read from Mrs Ronnie Kennedy. An invitation to the convention on May 30th in Pembroke and also one from the C.W.L. in Thunder Bay, were read.

The President Juliette Trudeau thanked all who worked for the bake sale and the wedding.

Mass in Honour of Our Lady of Good Counsel is on April 26th.

On church life, Mrs Margo Thrasher read an interesting article on "Trust and Confidence".

On Community Life, Margaret Dowe reported Dr Lamarche will have a talk on April 14th for the Drop In Centre Group.

Mrs Lois Derouin won the perfect attendance gift. Eight members also were eligible.

At this point, the President, called on Mrs Ada Daley to announce the new slate of officers for the next term. She thanked them all for their support.

The new president is Mrs Leo Foran, First vice president- Miss Eleanor Foran, Second Vice President- Mrs Margo Thrasher, third vice president - Mrs Juliette Trudeau, Secretary - Mrs Ada Daley, Treasurer - Mrs Stella Scott.

The new executive took their seats up front and continued on with the business part of the meeting. They set the date and place for the annual banquet which is on May 15th at the Institute Building.

The next meeting is May 12th and the membership fees will be due.

Convenors were chosen for the Orange Lodge banquet on April 25th and the Hollow Glen bowling banquet on May 23rd.

First communion and confirmation will take place on June 7 and June 8th. Arrangements and a motion by Pat Trudeau, seconded by Helena Beattie, to give money to cover this expense.

A motion by Helena Beattie, seconded by Marie Moyle, to give the new officers, power of attorney.

Father Cain expressed thanks to the outgoing executive and welcomed in the new and asked for prayers during Holy Week.

The meeting was adjourned by Juliette Trudeau.

Hostesses Pat Trudeau and Margaret Dowe served a fine luncheon. It was enjoyed by all.

Obituaries

Joseph Yereck

Joseph Yereck, age 79, died at Shawville, Quebec, on Wednesday, April 8, 1981.

He was the beloved husband of Mary Albina Gagnon and dear father of Shirley (Mrs Peter Senack), Victor of Bryson, Quebec, Rosemary, (Mrs Alfred Fleury) and Robert of Otter Lake, Quebec.

He was brother of Mary, Helen and Rose of Ottawa, Ontario.

He was predeceased by a brother Alex and two sisters, Margaret (Mrs Joe Lepack), and Elizabeth (Mrs John Chapeski).

He is lovingly remembered by sixteen grandchildren and two great-grand children.

The body rested at Ringrose Brothers Funeral Home, Campbell's Bay, Quebec. The funeral was on Friday, April 10th to St Charles Church, Otter Lake, Quebec, for mass at 11 a.m.

Interment was in the Parish Cemetery.

Lillian Derwent

Lillian Horner Derwent passed away in Tucson, Arizona, on April 1, 1981 in her 93rd year. She was the widow of Robert Derwent.

She is survived by son George Horner Walters, daughter-in-law Betty and grand daughter Sally.

Five sisters also survive - Mrs Howard Putman (Florence), Johnstown, N.Y., Mrs Elissa Kuhn, Oswego, N.Y., Mrs C.N. Woodley (Iva), Mrs Frank Finnigan (Maisie), Mrs Archie Storey (Ruby) and brother William Lloyd, all of Shawville, Quebec, and also many nieces and nephews.

She was pre-deceased by brothers Arthur, Earle and Bert C.

The body was cremated.

IN MEMORY

BRADLEY - In fond and loving memory, of Myna, who passed away, April 18, 1979.
We will always remember,
The way you looked,
The way you spoke and smiled,
The little things you said and did,
Are with us all the while.
You never said goodbye to us
Perhaps it's just as well.
For we could never have said goodbye,
To the one we loved so well.
Sadly missed by brother Willard, sister-in-law Judy, nieces- Roslyn and Melissa, nephew and god-child Darcy.
50451B1A15

NEWBERRY - In loving memory of a dear wife and mother, Lea, who passed away, April 15, 1980.
We do not need a special day,
To bring you to our mind
For the days we do not think of you,
Are very hard to find.
If all this world were ours to give
We'd give it, yes, and more.
To see the face of wife and mother dear,
Come smiling through the door.
God has you in his keeping
We have you in our hearts.
Sadly missed by
The Family
7804X1A15

NEWBERRY - In loving memory of a dear mother and grandmother, Lea, who passed away April 15, 1980.
Peaceful be thy rest, dear Mother,
It is sweet to breathe thy name;
In life we loved you dearly,
In death we do the same.
Cletus, Joyce, Lisa and Timmy
7792XA15

SLOAN - In loving memory of John Sloan, Allan Donnelly, and Bill Holland who accidently drowned in Campbell's Bay on April 16, 1951.
Ever remembered by sisters, brothers, wives and children.

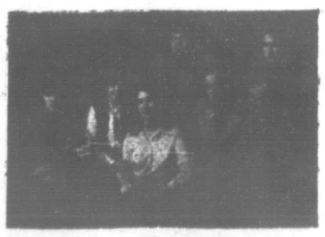
your wedding
will be one of the truly Great Occasions of your life.
And, long after the happy day is but a memory, your wedding photographs will be among your most treasured keepsakes, becoming more precious with every passing year.
Picturing a day so special is too important to trust to anyone but a professional photographer. Because we are specialists, you can depend upon us to capture the true beauty of your formal portrait, the dignity of the ceremony itself, the joy and excitement of the reception, as well as the many memorable-though unexpected-events that are a part of every wedding.
let photographing your wedding be our responsibility!
Now, while you're all at home, before the kids grow up and go off on their own, get the family together for a professional photographic portrait.
Now is family portrait time.



Get them together now.

Waltham gets new fire engine

The township of Waltham has recently purchased a La France fire engine. This vehicle is capable of pumping, from its main pump 840 imperial gallons of water per minute, and is also capable of pressures in excess of 300 pounds per square inch. These capabilities place it in the category of a class "A" pumper. This main pump can be supplied with water from the pumper's own 500 gallon storage tank, or from hydrants, or it can be set up to pump water from an open source such as a lake or river. It can also accept water from a tank truck.

The municipality of Waltham also owns a 1971 International tank truck, which has a water storage capacity of 2000 imperial gallons. This tank truck has been specially modified to suit our needs as a firefighting unit. However, it is capable of pumping water only through a small portable pump which has been mounted on a rear platform, and was used to discharge water to the fire. This pump is not capable of adequate pressure or volume to create the type of water streams which are needed to properly extinguish fires in buildings. Only a class "A" fire engine is capable of this pressure and degree of control. Because Waltham does not have water works and therefore does not have hydrants, it is necessary for us to take our supply of water with us to the scene of the fire.

This is why the tank with its 2,000 gallon supply will now be used to supply the new fire engine in all future fire emergencies. In most cases the total 2500 gallons stored in the pumper and the tank truck should be more than enough to deal with most building fires. However, there is also a back up system available if more water should be needed. A portable system of pumps and hoses are mounted on a light weight trailer, and can be set up to supply water from a remote source to the fire engine if necessary.

It is important to point out that because our fire station is equipped with only a single garage door, that it is impossible to utilize the new fire engine as effectively as it should be at this time. A second door must be build to accommodate ready access to both vehicles. Such a project is planned for the summer assuming that the necessary funds are available.

The Waltham Volunteer Fire Department is quite proud of this addition to its equipment. This should increase its effectiveness in fire protection for the area it covers.

Waltham Review

Mrs. Arthur Labelle

Congratulations to Mrs Tilley Robinson who celebrated her 84th birthday March 31st and to Mrs Florence Fletcher and Viola Robinson who celebrated their birthdays recently, both of these ladies are well over eighty years young.

Mr and Mrs Revel Robinson of Bryson came to celebrate Tillie's birthday and had supper with them. Mr and Mrs Bedford Robinson and three children from Trenton had spent the previous weekend with Mrs Tilley Robinson.

Mr and Mrs Linton Robinson returned to the North after vacationing here and in Florida. Gordon and Betty Popkey and Edith Robinson accompanied them to Ottawa on their return trip.

Mabbie Nadeau of Shawville visited relatives and friends here recently.

Our Lady of Perpetual Help CWL Waltham held its Annual Meeting on April 7th with fifteen members of Director Rev Patrick Tait in attendance. Each convener read her year's report. The longest report presented by Mrs Laurana Dempsey, Church Life Convenor was the highlight. As this involves all church activities in which CWL members take part. All reports showed a fairly active year. Mrs Shirley Lacroix retiring president received a corsage and gift and she, Mrs Lola Boisvert and Mrs Edmund Chassie were awarded small gifts for perfect attendance at the meetings.

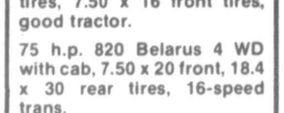
The following members were elected for the 1981-82 year- President, Mrs Steve Masseau, Secretary- Mrs Reina Gagnon, Treasurer- Mrs Micheline Labelle, Vice Presidents Mrs Charles Lapierre, Mrs Lisa Gauthier and Mrs Eileen Labelle, Conveners are Mrs Len Dupuis, Church Life, Mrs Donat Bertrand- Community Life- Mrs Lise Gauthier and Mrs Laurena Dempsey, together for Christian Family Life, Mrs C Lapierre -Cultural Life, Mrs Rita Belanger- Membership, Mrs E Labelle Publicity, Mrs Rex Rehel will collect cancelled stamps for the Missions.

Father Tait invited the members at the request of His Excellency Bishop Windle to attend the Blessing of Holy Oils at the Pembroke Cathedral on Monday evening April 13th.

Installations of Officers will take place at Mass on a date to be set, also a mass will be offered for intention of senior citizens around Easter.

Flowers will be purchased for the Altar and gifts given to the clergy.

Following the business session lunch was served by Mrs Edmund Chassie and a lovely cake in the form of a book with tribute to the retiring president centered the table, made and decorated by Mrs L Dempsey.



Some say sneezing before a journey is a bad sign.

Ladysmith Update

Mrs. Verner Thrun

A St John's Ambulance course sponsored by The Women of Thorne was held at the Ladysmith TCRA on Sunday, April 12th. Agnes Lamorie, the instructor and her assistant Edna Sanschagrin from Arnprior Division, were given a hearty welcome, shown by the success of the eighteen participants for the class and everyone successfully completed the course.

Belated birthday wishes to Mr Walter Yach who celebrated a birthday on the 10th.

Mr and Mrs Edward St John and Paul of Ottawa were weekend guests at the home of Mrs St John's parents, Mr and Mrs Gustave Yach.

With a lot of dry grass and windy days it is the time of year when grass fires can get out of control and cause much damage. Be careful with fire!!!

As many as 50 gallons of maple sap are needed to make a single gallon of maple sugar.

Weirstead Message

June Orr

Birthday wishes go out to Rick Zaine who celebrated a birthday on April 2nd, to Karen Orr and Morna Palmer who celebrated birthdays on April 5th, to Ivan Orr and Brian Tubman who celebrated birthdays on April 7th, to Barbara Sullivan and Linda Orr who celebrated birthdays on April 10th, to Viola Beattie and William Roberts who celebrated birthdays on April 11th, to Gail Orr who celebrates a birthday on April 15th, to Diane Kluke who will celebrate a birthday on April 17th, to Danny Gratton and Lornie Bradley who will celebrate birthdays on April 19th, to Frank McGraw, who will celebrate a birthday on April 23rd, to Marilyn Parent who will celebrate a birthday on April 26th, and to Carl Tubman who will celebrate a birthday on April 27th.

Get well wishes go out to Lornie Bradley and Marlene who are feeling under the weather. Hope you feel better soon.

Brenda Greenshields spent Saturday evening and Sunday visiting with Beverly Orr.

There were a couple of bridal showers for Miss Janet Tanner recently. The first was at the Bell homestead which was put on by Mrs Joan Bell wish had a nice turn out. She received a lot of nice gifts and everyone was served a lovely lunch. The second shower was at Keith Woolsey's home which was arranged by Phyllis and Diane Woolsey. Everyone enjoyed the lovely lunch and Janet received some lovely gifts.

There was also a baby shower for Mrs Louise Adhern on April 6th at Edward Kelly's home. The shower was arranged by Edith Kelly and Nora Findlay. A lot of Louise's friends were there and enjoyed the lovely lunch. Louise received a lot of beautiful gifts from all of her friends.

Get well wishes go out to Mrs Alice Bell who is a patient in the Queensway Carleton Hospital in Ottawa. We all hope you are feeling better soon.

Lisa and Sheri Orr and her Mom attended a tupperware party at Mrs Emily Kluke's on Sunday.
