Lawson and Elsie Stanely awarding the Stanley Award Plaque to Anne and Jack Clarke.

Don Campbell presented the trophy for Marathon Most Money pledged, to Clayton Young.

Quyon Sno-riders

by Glenna Campbell

Another winter had ended and we the Quyon Sno-Riders would like to say thank you to all those who supported us in every way; property owners, members and all those who sponsored our Marathon. Thank You!

We commenced our year with a kick-off party in November held at The Ranch with a good turn out. December we got together and had a cook-out and built the Quyon River Bridge on the Wyman to Wolf Lake trail. A cold day to remember. In January, twenty-nine snowmobilers journied 106 miles to Jim's Lake, had wonderful weather and a real good trip. February 17th, thirty-nine snowmobilers travelled 110 miles to Gracefield via Lac Cayamant and again the weatherman was on our side. On February 24th the Sweetheart Arama, in conjunction with the Lions Club, 100 Mile Marathon was held Saturday afternoon, followed by supper and a Valentine's dance which again was a big success.

Our Wind-up Party was held April 11, 1981 and we celebrated the end of another successful year. At intermission time the trophies from the Sweetheart Arama were presented by the marathon chairman. The Most Money pledged trophy was presented to Lions President, Clayton Young; the trophy for the most pledges also went to Clayton Young; the oldest participant trophy was presented to Alfred Trudeau (who has never missed a marathon). The youngest participant trophy was accepted by Alfred Trudeau for Jeff Dillian of Pakenham.

A few trophies for seasonal comedies were also presented and prepared by Ruby Hammond- a lovely trophy to Marc Bouvier, Baby Dolls to Sandra Roy ; Gold Clothes Pin trophy to Leo McKenny; Windshield wipers to Glenna Campbell and Umbrella's to Hugh Hammond and Don Campbell.

The feature award of the night was the presentation of the annual Stanley Award Plaque. The most outstanding couple of the year chosen by the past Stanley Award winners were Jack and Anne Clarke.

The year was officially closed at our meeting on April 15th. The results from the Sweetheart Arama were reported and our cheque to the Cancer Society will be presented by our treasurer.

At this meeting we also were made aware of a benefit party on May 2, 1981 for a very good snowmobile friend whom we have often thought of and at this time we have decided this benefit to be a very good challenge. In his way Robbie Wiggins is another Terry Fox and to all the Service Clubs in this area we challenge each and everyone of you to think of the Robbie Wiggins Fund and join us in donating.

Jobs are available through the Canada Employment office

At the Campbell's Bay Canada Employment office there are files listing jobs in every part of Canada and the government has plans to help people move about to investigate these jobs. But most people in this County who are out of work are hoping for a job right her in the Pontiac.

A quick survey of jobs available in this County reveals that there are a number in various categories. The best way to find out about these jobs is to visit the office in Campbell's Bay, but meantime it will interest readers to know that they are looking for nurses, nursing aids, farm workers, stationery engineers and sales people, to name a few categories, all in this County.

Several registered nurses aides are needed for part time work and a registered nurse full time, with wages according to experience and the contract in force. One nurse is needed for a private company for a salary of $1685 per month and 40 hours a week, bilingual if possible.

Farm workers who want to make a career of farming are needed to start at $4.00 an hour and work nine months a year.

There is always a need for stationery engineers class 3. The employment office is trying to work out a possibility for training on the job in this trade but the need for a fully trained and qualified class 3 is everpresent.

Sales people for agricultural machinery in the County are needed to earn $200 or more per week with a possibility of commission later.

And that's just a few jobs available right now. More can be found by visiting the office at Campbell's Bay or calling them for an interview.

Tuesday, May 5th at Chapeau CLSC 1:30 to 3:30.

Wednesday, May 13th Calumet Island school annex 10:30 to 11:30.

Wednesday, May 13th Bryson CLSC 1:30 to 3.

Thursday, May 7th Otter Lake CLSC 10:30 to 11:30.

Thursday, May 7th, Campbell's Bay St John's School 1:30 to 2:30.

Thursday, April 23rd Portage du Fort School, 11 to 11:30.

Thursday, April 23rd, Shawville McDowell School, 1:30 to 3 p.m.

POLICE REPORT

Last Thursday night at about ten o'clock, Gaston Gagné of Repentigny, near Montreal, was instantly killed in a head on collision on highway 148 at Vinton. Gagné, 36, was a welder employed by Canadian Erectors working at the Consolidated Bathurst Mill. He was staying at the Oasis Motel in Bryson and on his way to Fort Coulonge alone in a pick-up truck when the accident occurred. The other car was driven by Robert Filion, 35, whose passengers were his wife Carole, 27, and children Mélanie 5 and Martin 3. All four are in the Pontiac Community Hospital, the children with minor injuries, Carole and Robert in more serious conditions, the latter having suffered a skull fracture, rib cage damage and several broken limbs.

Investigating is Constable Boutin and the Coroner Donald Lavallée.

On Friday afternoon in Fort Coulonge a man who has been separated from his wife stabbed her present common law husband six times in the chest and was apprehended within twelve hours in Bramalea, Ontario by the Ontario Police on an arrest warrant from Quebec. He is now being held in Hull and has been remanded to plea on Wednesday before the Provincial Court in Campbell's Bay. He is charged with attempted murder.

During the weekend radar traps were set to discourage speeding on the Pontiac roads and only nine motorists were caught speeding. With the normal officers from the Campbell's Bay office on duty, augmented by an extra force from Hull on Saturday night, a special drive was made to cut down on impaired driving. Despite all the warnings over radio and TV and the extra force visible on the highway, thirteen impaired driving charges have been laid between Thursday midnight and Monday midnight. Five accidents were also reported during that time, none causing injuries, only damage to vehicles.

Minor thefts continue to engage the attention of Corporal Claude Bouchard and his 25 man, 2 woman force, with the rate of juvenile cases on the increase. Cpl Bouchard says he is receiving more cooperation from the public since the rise in juvenile crime but he also states that he needs still more to solve the problem.

A word to the wise from Cpl Bouchard is to send in your renewal for your driver's licence as soon as you receive it because it takes seven weeks to process. He also suggests you send a certified check or money order because an uncertified check takes another three weeks to clear.

Elementary schools to join Regional Board

"We intend to get a dollar and twenty cents value for each tax dollar collected" stated Hugh MacDonald, the new director general of the Protestant Regional School Board of West Quebec. He was speaking to about fifty parents, teachers, and local school board members about the restructuring of the administration of the elementary schools which will take place July 1, this year.

With the changes, the Elementary Protestant Schools in Pontiac will be managed in the same way as the high school in Shawville now is. It is expected that this will help each school provide better services for students without requiring an increase in taxes.

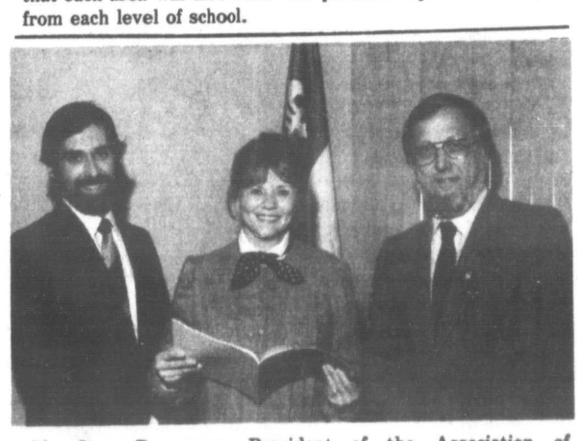
Another advantage claimed for the regionalization is an improvement in the transition between the elementary grades and high school. By having control over the entire curriculum from grades one to eleven, the restructured board hopes to ensure that the children in the lower grades are adequately prepared for high school.

The main reason for the change is the concern of the three West Quebec school boards, Pontiac, Greater Hull, and North-West that declining enrollment might lead to a serious deterioration of educational services. All school boards, both Catholic and Protestant, are feeling the pinch resulting from the reduced birth rate of the past decade, but in this area, the English speaking school population has been also diminished by families moving out of Quebec into areas where the use of English is not restricted.

There will be quite a few changes at the administrative level of the school boards, but, according to MacDonald, the individual students will not be affected.

Clyde MacTavish, the director of personnel of the P.R.S.B.W.Q., commented on some of the changes affecting teachers. This had also been the subject of a meeting held earlier in the day. The teachers' contracts will be with the regional board in the future not with the local boards as is now the case. If teachers are declared surplus because of declining enrollment they will now be able to have access to more schools where their services may be utilized. This will make it easier for the school board to comply with changes in the Provincial support for surplus teachers. Only fifty percent of their salary is being paid by Quebec now, the rest is to be paid by the school board out of money that would otherwise have been spent on supply teachers.

Representation on the Regional School Board will be nine commissioners from Pontiac, nine from Northwest and eleven from Greater Hull Protestant School Boards. It is expected that each area will also send two parent's representatives, one from each level of school.



Mr Jean Brousseau, President of the Association of Volunteer Bureau of Quebec, Mrs Janette Bertrand, Honorary President of Volunteer Week and Mr Denis Lazure, Minister of Social Affairs announce Volunteer Wek from April 26th to May 2nd under the theme: "Volunteering: people in action".

Volunteer week

(See also Page 3)

Volunteer week in Quebec will be held from April 26 to May 2 this year. The 1981 theme is "Volunteering: People in Action", chosen to illustrate the dynamism and community involvement of the thousands of Quebecers who do volunteer work in their spare time.

The areas of activity, which benefit from the hours and skills freely contributed by the volunteers, are wide ranging.

In our changing society, with its constant questioning of some of our traditional values, innovative solutions are needed to meet new problems. Volunteering is no longer confined to dispensing services to the "underprivileged". Volunteers are often agents of social change, who utilize all their creative abilities to meet new challenges.

The local contact for Pontiac County is George Beauchamp at the C.L.S.C. in Chapeau, where a meeting is being held Sunday, April 26, to name a Pontiac "Volunteer of the Year".

New York, New York for Pontiac High history students

The annual four-day pilgrimmage to New York City for the senior History Class at Pontiac High School in Shawville will take place from Thursday, April 30th to Sunday, May 3rd. The trip to New York has become part of the regular History course at the school, and the city, which is rich in historic values, never fails to excite and inform those who visit. This year, 25 students will make the voyage accompanied by the head of the History Department. Their tours will centre on the United Nations, but sights such as the Metropolitan Museum, Rockefeller Center, and Staten Island will not be overlooked. Most of the funding for the trip is raised by the students themselves through a series of bottle drives, sales, and dances at the school.

Sixty 9th grade History students at Pontiac will be leaving on April 30th as well for their annual tour of Québec City. The students will spend three days visiting such historic sights as the Plains of Abraham, The Citadel, and Place Royale.

Western Quebec students in forum for Young Canadians

Three students from Western Québec schools have been chosen to participate in The Forum For Young Canadians (FFYC) this year. The FFYC, sponsored by the Secretary of State, brings students together for informative seminars on Canadian government and politics.

The program includes visits to Parliament and meetings with Senators, Cabinet Ministers, and government officials. Four FFYC sessions are held each year - spring through summer. Janet Mackenzie, a secondary V student from Pontiac High School in Shawville, and Richard Kallio (also secondary V) from Noranda High School attended workshops in Ottawa last month. Wynet Smith (secondary V) from Philemon Wright High School in Hull will attend the session in June.

The whole idea of the Forum For Young Canadians is to give high school students a first-hand look at how government actually operates on a day-to-day basis. Meeting and talking with politicians is an excellent opportunity for students to direct questions to the people who are elected to run government, such as a FFYC workshop 2 years ago when Val d'Or student Eddie Fortin met Progressive Conservative leader Joe Clark.

Volunteer Week

Each year, the last week in April is dedicated to Volunteers. The Association originated this week which was celebrated in 1974 for the first time. Its aim is to recognize all volunteers and to give the general public an opportunity to become acquainted with the remarkable work achieved by volunteers.

The Association will support requests made by volunteer bureaus to obtain funds from various organizations but does not itself finance the bureaus. However, whenever the Association receives any grants, it shares them with the bureaus by organizing training sessions and paying for as many expenses as possible.

The Association is administered by an elected executive committee. It receives a grant from the ministry of Social Affairs which permits it to maintain a permanent office and to employ a director and a secretary.

During Volunteer Week Quebecers are asked to show their appreciation to the more than half a million fellow Quebecers who are volunteer workers. The volunteers are good citizens who have chosen to demonstrate their involvement in their communities through positive action.

Those who wish to do something special during Volunteer Week to show in a concrete way what volunteering means in their own communities should contact the Association of Volunteer Bureaus of Quebec - (514) 677-3491.

The Association of Volunteer Bureaus of Quebec is a provincial non profit organization which groups together volunteer bureaus throughout the Province.

Volunteer bureaus are scattered throughout the province and are quite isolated. It was to alleviate this situation that the provincial Association was founded in 1972. A permanent office was opened in 1977.

The aims of the Association of Volunteer Bureaus of Quebec are to support the growth and development of volunteer services at the local, regional and provincial level, to assist when necessary in the establishment of volunteer bureaus and the activities they promote, to help in the promotion and establishment of new volunteer bureaus, to help in the promotion of programmes and activities which are of interest to the members of the Association, to support bureaus which are struggling to become established, and to work closely with other volunteer provincial organizations and consult with them when necessary.

All organizations which operate on a volunteer basis can apply for membership within the Association. If they meet the requirements established by the Association, they are welcomed as full members.

An annual membership fee of $25.00 is required from all members to help to pay postal expenses, telephone calls, stationary, information material, travel expenses when visits to bureaus are necessary, resource people and speakers.

The Association provides a link between the individual volunteer bureaus and publishes a monthly newsletter, offering moral and technical support.

It attempts to benefit all volunteer bureaus by providing good documentation and pertinent reference material, and acts as spokesman to the ministry of Social Affairs.

However all volunteer bureaus are autonomous. They answer only to their individual boards of directors. The AVBQ has no authority over the volunteer bureaus and therefore there is no risk of losing autonomy.

Three Association meetings are planned each year. A workshop is held in the autumn for all directors of volunteer bureaus, members of the boards of directors and organizers of prospective bureaus.

A second event is planned in the spring for directors of established bureaus only. The annual meeting is the third encounter and is usually held in May.

The aims of these meetings are to encourage an exchange of ideas and views among the bureaus, to discuss problems common to all, to encourage a renewed commitment by organizing workshops which meet the needs expressed by the bureaus, and to encourage improvement in performance by providing valuable resource people and speakers.

EDITORIAL

THANK A VOLUNTEER

Next week is Volunteer Week throughout the Province and even though Pontiac County has not yet established a local branch of the province-wide volunteer association, we feel the movement is worthy of some consideration.

Hospitals and old folks' homes come first to mind when we think of volunteers. Usually, with the cooperation of the management and the regular staff, a responsible corps of volunteers can be useful in both these environments. But there are other places too.

Supervision of certain street crossings during hours when children are rushing to and from school, looking after youngsters in their leisure hours in scouts, guides and other youth organizations, helping keep the public areas beautiful are just a few of the ways people can volunteer to help improve the quality of life in their neighborhoods.

Working on projects for the various service clubs is another way that people can volunteer, and of course most councillors and most teachers also volunteer time for their communities far beyond the remuneration they receive.

The principle of volunteering is to give freely of your own time and energy without thought of recompense for a cause that benefits others. Some people do so much of this for their own families that there just isn't time to volunteer beyond their own homes. These people make a considerable contribution to society by producing families of good solid responsible citizens.

But next week is specially set aside to give credit to the ones who also manage to volunteer in the larger community, and to think of ways the volunteer spirit can be used in more fields of activity. Volunteering sometimes takes a lot of ingenuity. One thing volunteers usually get little of is praise. In fact it is more usual for them to get criticism and complaints and even ridicule. But next week let's reverse the trend and give some encouragement to the volunteers, whereever they are.

Volunteers are the last ones to be seeking praise, but let's surprise them. Thank a volunteer next week. You never know; it might become a habit!

Jesus Christ Superstar Rock Opera

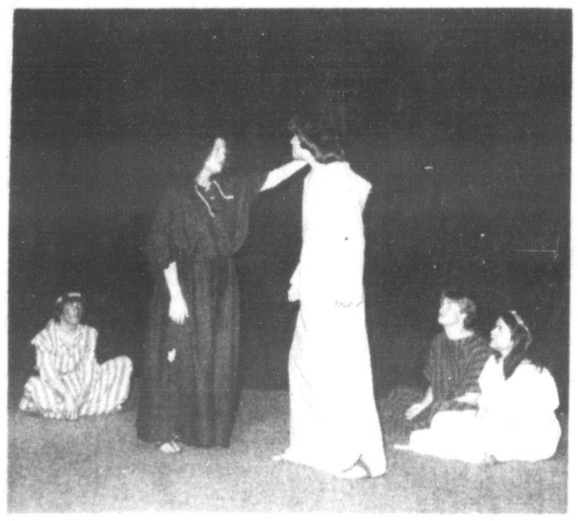
Good Friday, at 3:00 o'clock, St Paul's Anglican Church Youth Group presented a dramatic interpretation of the original sound track of Jesus Christ Superstar.

Drawing on interdenominational talent, the cast consisted of fourteen students: Beth Bretzlaff as Judas, Ruth Smiley as Peter, Mary Rowat as Jesus, Lynne Morrison as Mary Magdalene, Susan Beeb as Pilot, Kendra Preston as Herod, Koushi Mahesan as Ciaphas, Pearl Hodgins as Annas, Priests-Elizabeth Musgrove, Monica Beeb, Angela Langford, Apostles-Wally Leger, Suzanne Gregory. Roxanne Rooney, Maid by the Fire and Colleen Davis as Soldier.

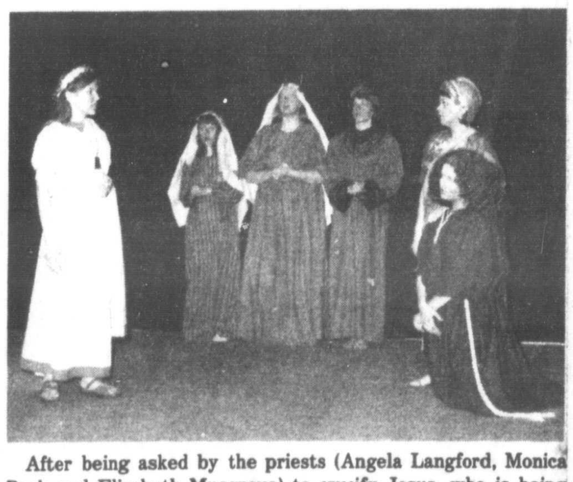
Lighting was done by Dawn Munroe and Debbie Tubman and the music supplied by Greg Binder.

Due to the large number of people who filled the Parish Hall, a generous amount of donations were taken in to help the Youth Group promote further activities.

The Youth Group extends sincere appreciation to all who helped make this play a success and especially to the director, Father Brian Allan.



Watched by three apostles James (Wally Leger), Peter (Ruth Smiley) and John (Suzanne Gregory), Jesus (Mary Rowat) rebukes Judas (elizabeth Bretzlaff) for his betrayal. EQUITY PHOTO



After being asked by the priests (Angela Langford, Monica Beeb and Elizabeth Musgrove) to crucify Jesus, who is being guarded by soldier Coleen Davis, Pilate (Susan Beeb) demands that Jesus defend himself. EQUITY PHOTO

APRIL 25TH RALLY FOR A SAFE ENERGY FUTURE AND NUCLEAR DISARMAMENT

Dear Sir:

April 25, 1981 is a National day of protest against nuclear power and nuclear weapons and for a safe energy future based on conservation and renewable resources. A series of actions will take place in many parts of Canada on this day in opposition to the nuclear industry.

The citizens of Pontiac County are invited to join PANAC in demonstrating against the operation of the Rolphton Demonstration Power Plant. This plant located by the Ottawa River near Des Joahims was built by Atomic Energy of Canada Ltd and started up in 1962. Its one reactor has a 22 megawatt capacity. The $33 million plant has been operated to provide power for Rolphton as a demonstrator to train technicians. The Candu reactor used at Rolphon, later at Hydro's other nuclear plants, employs a Canadian design using heavy water to absorb heat from natural uranium.

Although the Rolphton plant is the smallest of the Canadian reactors, it leads in failures. By 1978 there were 18 shutdowns- three of them planned and 15 necessitated by leaks or breakdowns. One of its most serious shut downs occurred only a few months after it began operating. A heavy water leak set off the plant's emergency cooling spray system. On one occasion seventy-five tons of heavy water escaped from the head of the fueling machine in two days placing the cooling system under stress.

The plant has been kept open by the Government when a Select Committee of Hydro recommended that it be closed. It has been kept open when it has broken AECB's safety standards. AECB reports show that the emergency cooling system was totally inadequate.

We in Pontiac County are naturally concerned because we drink the water that flows down the Ottawa River from the Rolphton power plant and breathe the air that has been polluted by the leaks from the plant. There are many reports that indicate that the incidence of cancer is higher than normal along the Ottawa River. Join with us and demonstrate your feelings on Saturday, April 25.

A van will leave Charteris at 10:30 a.m., stop at Campbell's Bay at 11:00 am, and plan to arrive at the Rolphton Power Plant by 1:00 p.m. After a picnic lunch we will travel back to the Deep River Shopping Centre where we will pass out literature. All those interested in joining our demonstration should contact:

Pearl McCleary 647-2810
or Venetia Crawford 648-5668.

Grist and miscellaneous items

On May 2 and 3 the sixty thousand member Catholic Parents Association of Quebec will celebrate its 15th anniversary. Entertainment will be by the MRC choir from the Place des Arts and workshops will include sex education, Christian education and private education. The event will be held in Montreal and the address for further information is A.P.C.O. 3675 Saint-Hubert St., Montreal, Que. H2L 3Z9.

From the Quebec Department of Fish and Game we are told that in the Verendrye Park there are still reservations available for 776 fishermen at the lodge as well as 282 overnights, and 289 fishing reservations in the cottages. The contact for La Verendrye is Louis-Philippe Poirier at 435-2511.

The grand official opening of Radio Pontiac, CHIP-FM, will take place on Saturday, May 2nd in the Parish Hall beside St Peter's church in Fort Coulonge. The ceremony will be followed by tours of the studio and a buffet supper and dance. Admission will be free for all members of Radio Pontiac and will be $5.00 for non-members. Memberships will be on sale at the door.

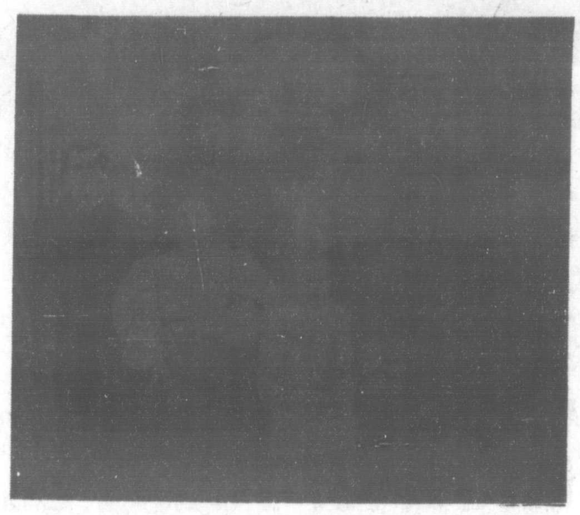
The Canadian Federation of Independent Business continues to battle against the payroll taxes that create hardship for small and medium-sized firms, including unemployment insurance (recently increased by one-third), the Canada and Quebec Pension Plans with significant increases on the horizon, Workmen's Compensation, hospital and health payments (recently doubled by Quebec). Other government tax reduction to small businesses are being offset by these payroll deductions and the paperwork entailes further expense to the small business operator. But looking on the bright side, Quebec has proposed cutting the small business tax rate by nine percentage points on July 1st to an effective 8%. This will make it the lowest rate in Canada. At present the rate is 12%, among the highest.

With income tax deadline approaching, don't forget that people operating unincorporated firms can deduct salaries paid to spouses for tax purposes.

One more small business note: Small companies in Canada pay two to three times as much for telephone service as residential customers. In most countries there is no rate differential. And Bell proposes a 40% increase!

The Robbie Wiggins fund at Quyon will see a big boost on Saturday, May 2nd at Gavan's in Quyon and all service clubs have been challenged to make a donation by the Quyon Sno-Riders who have counted Robbie as a good member for a number of years. The Sno-Riders are not a service club but in this instance they have decided to take on that role.

Sunday, May 10th will be Open House for three of Ottawa's National Museums because that day is International Museums Day. So from 10 a.m. to 5 p.m. the National Gallery, the Museum of Man and the Museum of Natural Sciences will be conducting tours to show the public behind the scenes, including puppet shows, films, identification of special gems, minerals and precious stones (bring along your own and see what they really are), authentication of Inuit sculptures and prints, tours of the restoration and conservation laboratories. Transportation between the museums will be free by "Dinobus" and free balloons will be available for children. Call 996-3107 for further information.



Do you recognize your ancestors?

This photo was found by Mrs Frank Lacourse in a piece of furniture from an antique store. The photographer's name on the back of the photo is "W. Coulter, Photo Artist, Shawville, Que." so presumably the pictured family was from here. Does anybody recognize their ancestors?

Schools

First the question about schools and how could they be improved. This brought a reply from a parent who would like to see the hot lunch menu at the McDowell School reviewed. His daughter refuses to eat hot lunch and when this parent looked at the scheduled meals he says he couldn't blame her. That seems like a simple and straight forward problem to solve.

Another reply about the schools came on two extra sheets of paper because it was too long for the "two cents worth" form. It is written by two parents, who feel that the question is a rhetorical exercise since, under the existing system they feel there is virtually no way to improve the schools and like the weather, many people complain about the schools but no one can do anything about them.

In spite of this feeling, a group of interested parents have submitted several ideas as follows:

First Curriculum: the present over-emphasis (74%) on academics is not only unnecessary but detrimental. Children who may excel in all other areas nevertheless develop a negative self concept if they can't make it academically. Children to whom academic subjects come easily find school extremely boring. A varied educational program will provide an opportunity for the child to discover what it is that he or she really enjoys doing and thus can excel at. Practical, artistic, physical and social endeavours are of equal importance in the child's development.

Secondly, we would like to see parents welcomed an encouraged to be in the classroom as part of the daily routine. Everyone has something to offer, and with proper organization and co-ordination, parents could contribute without involving or distracting the teacher. Besides broadening the educational experience for the children, parent participation provides a continuity between school and family, helping the child to perceive his life as a unified whole.

Social skills are almost totally ignored in today's schools. We all pick them up as we go along, out of necessity. We would like to see a time set aside in the schools every day during which the children sit down together for the expressed purpose of relating to one another in an open and honest manner. Learning to talk to others and how to be nice is a useful skill no matter what the future may bring.

One other improvement we would like to make is mixing the ages of the children in the classroom. This will give older children the opportunity to assist and encourage the younger ones while providing the younger ones with a developmental role model to which they can relate. It would be another chance to create a comfortable family-like situation which the children are used to at home. Grouping children of the same age, while appearing more efficient, leads to unfair comparisons. No two children, even of the same age, are alike, and by comparing them, we force them to compete with each other. Thus they become motivated by the desire for a reward or for a chance to outrank the others.

The need for self-motivation cannot be overemphasized. As parents we have all seen the natural curiousity of our preschoolers. Our job as educators must be to encourage this drive, providing the children with the chance to pursue the academic, practical, and artistic activities which interest them. We must also respect the children's need for independence by giving them as much responsibility and autonomy over their own lives as they can handle. We need to renew our faith in children. They are eager to learn and, as we all know, will not learn when forced. You can lead a horse to water . . . .

We could really improve our schools by reorienting them to focus on the actual and immediate needs of the children. Maybe then they'd even like to go to school!

As the song goes, "You say you've got a real solution. Well, you know, we'd all love to see the plan." If anyone is interested in the plan proposed by this particular group of parents they can get further information from Ron Canty at 648-2803. They are moving in the direction of starting an Alternative School next fall.

and the Shawville Fair

On this topic one reply asked for three things: keep it small, just Shawville and Clarendon, quit having it on Sunday, and keep beer out. Of all the replies we have received to all questions since this feature started, this is the only one that came in unsigned. However, even though this person is afraid to sign his, or her, opinion, it goes on to say "our poor unfortunate children have too many temptations without that".

Another Shawville resident feels we need a grandstand in the worse way at the fair grounds "as us elderly people can't stand up all day."

Yet another person suggests posting the schedule of events at key places around the fair grounds "so people would be able to tell when the where they should be".

The Fair Board is still interested in suggestions, and especially some good ideas for extra activities and exhibits.

This week's question is:

Next week is Volunteer Week. Can you suggest where volunteers are needed most?

Shawville council minutes

by E.F. Dale, Sec.-treas.

Shawville Council met on April 14, the meeting having been postponed from April 13, 1981. Present were: Mayor Black and Councillors Campbell, Arthurs, Richardson, Dickson, and Armstrong.

The minutes of the previous meeting were adopted on a motion by Rosaleen Dickson and Everett Arthurs.

Mr Koshy was present with the audited financial statement for the year 1980. It was moved by Royce Richardson and seconded by Rosaleen Dickson that the audit be accepted, as presented by Mr Koshy.

Messrs Dalton Smith and Richard Sparling were present to ask council to consider extending Bristol Street westward. Owner of the property in question is to be contacted.

Transfers of property were recorded.

One RRAP application was approved to be forwarded to CMHC.

Declaration of Daylight Saving Time, to begin at midnight, Saturday, April 25, 1981, was made by the Mayor.

It was moved by Rosaleen Dickson and seconded by Albert Armstrong that the week of May 25 to May 31, 1981 be proclaimed "Post Office Employees Week" and all citizens are hereby invited to participate.

Ross Dickson was present and reported on meeting with Clarendon Council. The recreation committees of Thorne, Clarendon and Shawville will meet on Tuesday, april 21, 1981, in the Clarendon Council Hall.

Moved by Royce Richardson and seconded by Robert Campbell that heavy garbage be picked up on Thursday, April 23 and Friday, April 24.

It was moved by Everett Arthurs and seconded by Robert Campbell that Plan No. 81-356-01E of the Quebec Liquor Commission, to erect a lighted sign be approved.

A request from Val des Bois to submit a resolution to the Quebec Liquor Permit Control Commission, as their municipalities has done.

It was proposed by Rosaleen Dickson and seconded by Royce Richardson that:

Request be made to the Quebec Liquor Control Commission that a regional office be established at Hull in order to better serve the people of the Outaouais, to facilitate the distribution of "Permits to sell" and "Permits to serve."

The name of Bill Atkinson was submitted by the firemen to act on the fire department. Moved by Robert Campbell and seconded by Everett Arthurs that he be accepted.

Messrs Brian Judd and Neil Sharpe visited the meeting requesting the arena for auction sale, to be sponsored by the Kinsmen Club on May 23.

There was some discussion about the safety of children on the streets. It was suggested by Rosaleen Dickson that some "Children at Play" signs be erected.

Accounts totalling $39,945.57 were presented for approval for payment.

It was moved by Bob Campbell and seconded by Royce Richardson that these accounts be paid.

Ten or eleven of our firemen plan to participate in the Firemen's Course offered by CEGEP at the Victoria Avenue School. Clarendon Council is to be asked if they will share the cost of $35.00 per fireman.

Paint and a pair of drapes are to be supplied for the Fire Hall Building.

Whereas hydro and other expenses have increased considerably for the Community Centre, the following rates of rental for the arena, during the summer, were suggested by the Committee: $15.00 per hour, $200.00 for 24 consecutive hours.

It was moved by Royce Richardson and seconded by Albert Armstrong that these rates be accepted.

The Kinsmen Club are to be notified that the arena is available May 23 and the Pontiac Holstein club that the arena and grouns will be available for the First Ottawa Valley Spring Show, May 28 to 30.

There was a request to purchase some trees from the dump property. It was decided not to dispose of any trees at this time.

It was moved by Rosaleen Dickson and seconded by Robert Campbell that the plans for renovations, submitted by the Bank of Montreal, be accepted.

Adjournment was moved by Bob Campbell at 11:50 p.m.

Pontiac Agricultural Societies

The directors and chairmen of Pontiac Agricultural Societies met in the Community Centre with 19 in attendance.

President Kenneth Kilgour called the meeting to order and in his remarks expressed the enthusiasm that is being shown in preparing for this years fair. He said that the Bristol Ball Club is helping with the taking down of the old Poultry Building. Clive Smart, chairman of the Grounds Committee is overseeing the levelling and cleaning of the grounds. Mr Harvey Smith and the Municipal Grader have both been helping.

The minutes of the meeting of March 25 were read and approved on motion of Allan Ludlow and Llewelyn Hodgins.

The various chairmen gave their reports.

After discussion, motion Clive Smart and Harry Dale that Keith Harris be appointed to fill one of the vacancies.

Ross Dickson was present and discussed the printing of this year's prize list.

Elwyn Lang, chairman of Special Events, reported on the Spring Dance. An excellent orchestra has been hired, the tickets are now available from the directors or at several outlets.

The Carleton Show band will be here on June 19th.

Motion John Grant and Elwyn Brownlee that the tickets be $6.00 per person.

The plans for the new Poultry Building were discussed at length, and a favourable report given.

John Langford had prepared a map of the Fair Grounds. Several suggestions were made as to the locations of various displays.

One very important item will be supervised parking. Several suggestions also offered as to special entertainment during the day.

There was a discussion re the Flood lights around the ball field.

Motion Allan Ludlow and Elwyn Lang that the Executive meet with the Recreation Club and try to come to a satisfactory agreement.

Several suggestions were offered as to what might take place in the Main Hall. Some suggestions could be cooking demonstrations or what might be of interest to the ladies.

Motion Francis McDermott and Pat Corrigall that the President and the Secretary be authorized to apply for the liquor licenses that are needed for special events.

Accounts amounting to $2,838.68 were accepted on motion of Elwood Edey and Doug Thompson.

The Teen Dance was discussed and will be decided at the next meeting.

The next meeting will be held on May 20.

Motion George Coles and Elwood Edey to adjourn.

Waltham

Sympathy is extended to the relatives of Salome Lavoie who died during the past week and was buried in Our Lady of Perpetual Help Cemetery following the funeral mass by Rev P Tait on April 11th.

Mrs E Labelle accompanied Cecil Vibert and Tracey to Ottawa on Friday to visit Mary Vibert, her daughter at the Grace Hospital.

Resolved by Council to approve of five more RRAP applications.

Motion Crs L Roy and Gilpin that we call for tenders for garbage pickup for Norway Bay, Bristol Village and Pontiac Station area for the summer months.

Tenders for grader operator were opened. Motion Crs Dagg and L Roy that we accept John Gordon's tender at $6.75 per hour.

Motion Cr Stanley to adjourn.

Malcolm Graeme Decarie addresses Historical Society

Monday evening at the Dr S.E. McDowell School, Mr Malcolm Graeme Decarie of the Concordia University History Department presented an interesting program about the Province of Quebec. The occasion was the regular April meeting of the Pontiac Historical Society and in addition to the members of the Society were a number of interested guests.

Business of the Historical Society was first looked after by the president, Miss Annie Gamble, and the secretary, Mrs Mary McCagg, and the treasurer, Mrs Pearl McCleary. Plans were made for a bake sale to be held on May 15th.

Mr Decarie's talk, illustrated with coloured slides, centered on aspects of life in this Province for the English speaking population. His aim is to put various Historical Societies in touch with each other and to inform the anglophones of Quebec about their history in this province.

The speaker described the early days of the non-French population in Quebec who were the workers in fishing, lumbering and ship building, and of the many anglophones who lived in poverty as laborers. To dispel the myth of a generally wealthy and powerful anglophone community, Mr Decarie showed statistics and early photographs depicting the situation as it really was.

Regarding the rebellions in the early 1800's, Mr. Decarie said the rebels were both English and French speaking because the poor were not all French and the rich were not all English. It was a class war, not a language one. He also explained the historical basis of the discord among language groups which exists today. It was because the two groups of poor people were forced to fight eachother for jobs for survival, not a struggle of rich against poor.

Profesor Decarie stated that some of the history books to be used in the schools of Quebec are being revised to include the true story of the anglophone population of Quebec. He also said that to translate the present events in this province into a simple French versus English struggle is futile. The P.Q., he said, are baffled about what has happened to Quebec. The easy thing to do is put the blame on the English, and the easy thing for the English is to be resentful. He said all Quebeckers must come to grips with the real problems and stop treating everything as if it were just a language problem.

Mr Decarie proposed co-operation on a basis of pride in what we are, whatever we are. He blamed some of the misunderstandings on early practices which are still maintained in some areas of importing management and experts from England and the U.S. which would make it seem to francophone workers that only the anglophones were getting the promotions, where as the fact was that nobody was getting promotions. As this reliance on outsiders is replaced by reliance on local workers for promotions. As for the myth that English children were better trained for business, Mr Decarie stated that it just wasn't so. In fact he said that until recently few Canadians of either language received much more than a few years of schooling.

Mr Decarie also explained the traditional taxing system for schools. He said that in the English system members of school boards would set the rates high enough to provide schools which their own children attended for the most part whereas in the French system he said that historically the school board members sent their own children to private classical schools and kept the tax rate as low as possible for the public schools.

After Mr Decarie's talk he answered a number of questions from his interested audience and was presented with a copy of Lloyd Armstrong's book "Clarendon and Shawville". Tea and sandwiches and cake were then served in the library.

House by the Side of the Road

Let me live in my house by
the side of the road,
Where the race of men
go by;
They are good, they are
bad; they are weak,
they are strong,
Wise, foolish,—so am I;

Then why should I sit in
the scorner's seat,
Or hurl the cynic's ban?
Let me live in my house by
the side of the road,
And be a friend to man.

Energy savings in the milking parlor

Dairy farmers can save on energy costs by using waste heat from milk to warm water used in washing and sanitizing equipment.

"Milk has to be cooled from 38 deg.C. to 2 deg. C. for safe storage until it is shipped to the processor," explains Don Marshall, an engineer at Agriculture Canada's Engineering and Statistical Research Institute in Ottawa.

"The heat given off in the cooling process is currently wasted but it could easily be used to heat the water needed to wash and sanitize the milking equipment," Mr Marshall says.

The refrigeration unit used to keep the milk cool is similar to the home refrigerator. A coil within the tank absorbs the heat which is then transferred through the compressor to a second coil outside the tank where it is given off into the air.

"However, this second coil can be submerged in the hot water tank to transfer the heat to the water," Mr Marshall says.

There are units with this feature now available on the market. They are specifically designed for certain milk flow rates and hot water demands. Researchers are currently evaluating these units on farms in Quebec.

Studies carried out at the Engineering and Statistical Research Institute have shown that milk from a herd of 100 dairy cows produces enough heat when it is cooled to warm all the hot water required in the milking parlor.

Mr Marshall does warn, however, that this will vary, depending on daily milk production rates and the quantity of hot water used by the individual farmer.

The researchers are very optimistic about these energy-saving units.

"According to our calculations, in the first year alone the savings in electricity for a large operation can pay back the cost of installing such a unit," Mr Marshall says.

For smaller herds, this pay-back period is longer.

School gynmastic championship at Philemon Wright Saturday

The eleventh regional school gymnastic championship will take place in the Philemon Wright School, Hull, on Saturday, April 25th, hosted by the Regional School Board of Western Quebec.

Mr Archie Smith is convener of the event and expects 125 gymnastis to take part, coming from the regional school boards of Henri-Bourassa, the Outaouais, the Papineau, and the Western Quebec, as well as the local school boards of Aylmer, Outaouais-Hull, Champlain, Gatineau and Seigneurie.

For the third year the primary sector will be taking part, which Mr Smith considers a good sign for the future development of gymnastics in this area. This year there will be 40 more gymnasts taking part over last year's number.

There will be four categories in the program being beginners, novice, intermediate and advanced. The competition will start at ten in the morning and the gold, silver and bronze medals will be presented around 3:30 p.m.

Winners in the novice, intermediate and advanced categories will represent the Outaouais in the provincial championships which take place at Jérôme-Le Royer on May 8, 9 and 10. At last year's provincial contest the Outaouais team came sixth in a field of thirteen.

Shawville Tykes finalists in Riverside Rams tournament

The Shawville Tykes participated in the Riverside Spring Tournament from April 17th through April 19th.

On April 17th they Kanata-Glen Carin in their first game and were 3-2 winners against a very tough good skating team from Ottawa. Marc Rodgers scored two of the Shawville goals and Chris MacIntyre scored the other marker. Assists were awarded to Marc Asselin, Jody Lance and Christian Barbeau with one each.

Christian Meilleur played a super game in nets for the local team.

In the second game of the day they met Brockville Warriors who had defeated the Tykes in two out of three of their previous encounters but the boys were not to be denied on this occasion as they easily defeated Brockville 7-3. Marc Rodgers scored six goals for Shawville and Grant Hodgins accounted for the other goal. Marc Asselin picked up four assists and Chris MacIntyre had one.

The win put the boys in the Championship game on Sunday, April 19th. The Tykes met the host team Riverside Rams in the final and were a much better team than the score indicated which was 8-2 in favour of the Rams. All but for five minutes in the second period where the boys had a let down which allowed the Rams to score five goals the teams played a good hard fought battle. Marc Rodgers scored both Shawville goals with Christian Barbeau picking up one assist.

The boys had a very good year reaching the finals in either the "A" or "B" side in all seven tournaments they participated in.

Bible Facts

In the Bible, James 1:58 *(NIV)* says, "If any of you lacks wisdom he should ask God, who gives generously to all without finding fault, and it will be given to him."

Wisdom in the biblical sense means *knowing how to live*, writes Dr. William Brownson, Jr., in his book, *Applied Christianity: Studies in the Book of James.* He goes on to explain this wisdom—and how to acquire it. Such helpful words on a number of subjects also can be found in Dr. Brownson's weekly messages on "Words of Hope," an international radio and television ministry of the Reformed Church of America.

Auto Tips

Danger Signals For Car Owners:

- Engines that run hot or are slow to warm up may be indicative of a problem with the cooling system.
- Turned-on headlights that dim considerably when you start the engine could signal battery problems.
- A brake pedal that feels spongy or soft when you step on it, could indicate a leak in the master cylinder.
- A noise or handling problem could signal problems with your car's power steering.
- Harsh up and down shifting should alert you to transmission trouble.

Keeping alert to signs of trouble can lead to early diagnosis and correction of your car's ailments, and possibly prevent more costly repairs later on.

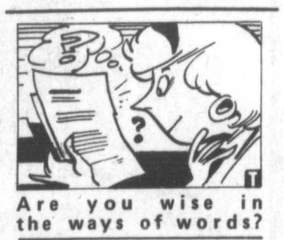
Check Your Battery!

Your car's battery has an important job to do: starting your engine. It behooves you to take good care of it!

To service your battery, remove the cell caps and check the level of the liquid inside. It should be up to the top of the indicator, or half an inch above the top of the vertical plates inside. If it is not, add water to bring the liquid up to the correct level.

Be sure the top of the battery is clean. You can clean it with a solution of 1 teaspoon of baking soda and a pint of water, making sure the solution does not enter the battery. (Use a kitchen baster to apply the solution.) Then, rinse with clean water and dry.

Always use caution around your battery, as it contains a sulfuric acid that can cause severe skin burns. When working near your battery, use safety glasses, and don't smoke; batteries emit hydrogen gas that can be ignited by cigarettes or a spark.



Are you wise in the ways of words?

For instance, did you know that in written English, the most frequently used words are, in order: the, of, and, a, in, that, is, I, it, for, *and* as? The most used in conversation is "I."

A word that's not used very often is the longest: pneumonoultramicroscopic-silicovolcanoconiosis, a miner's lung disease.

Filles d'Isabelle

L'initiation des Filles d'Isabelle à Fort-Coulonge fut un véritable succès.

Le 05 avril dernier a eu lieu l'initiation des Filles d'Isabelle de Fort-Coulonge. La messe fut célébratée en l'Eglise St-Pierre de Fort-Coulonge par Mgr Roland Pilon notre aumônier.

Toutes les Filles d'Isabelle venues de l'extérieur et les candidates se sont rendues en procession à l'Eglise de la salle paroissiale. C'était émouvant et impressionnant de voir ce cortège. Le compte était de 217.

Nous avions l'honneur de recevoir parmi nous:

L'abbé Jacques Robert, de Hull, Notre digne Régente d'Etat: Mme Marguerite Mongeon, Mme Louise Beaulne, de Gatineau, Mme Fernande Simard, de Buckingham, Mme Hélène Proulx, de Gatineau, Mme Huguette Lafleur, de Gatineau, Mme Patricia Beaudry, de Aylmer, Mme Marguerite Cyr, de Pointe Gatineau, Mme Gilberte Drouin, de Ste-Cécile de Masham, Mme Clémence Fortin, de Gracefield, Mme Claire Lacasse, de Hull, Mme Jeanne Gauvreau, de Maniwaki, Mme Louise Beaulieu, de Touraine, Mme Cécile Leroux, de Plaisance.

Nous avons eu le plaisir d'entendre la chorale du cercle de Gatineau. Notre gratitutde à cette chorale qui nous a charmé par leurs voix de rosignol. Elle nous a transporté jusqu'aux nuages.

Après l'initiation, nous avons dû procéder immédiatement à l'élection de l'exécutif des Filles d'Isabelle de Fort-Coulonge.

Elue: ex-régente honoraire: Mme Claire A Benoit, Régente: Mme Bernice Viau, Vice-régente: Mme Aline Rivest, Secrétaire archiviste: Mme Gisèle Beaulieu, Secrétaire trésorière: Mme Raymonde Giguère, Secrétaire financière: Mme Colette Labine, Rédactrice: Mme Claudette Pleau, Chancelière: Mme Mariette Romain, Gardienne: Mme Bibianne Sauriol, lière syndic: Mme Carmelle Romain, 2ième syndic: Mme Germaine Malette, 3ième syndic: Mme Doreen Dufour, Monitrice: Mme Thérèse Romain, 1er guide: Mlle Marjorie Jolicoeur, 2e guide: Mme Lucille Ladéroute, Porte-bannière: Mme Roxanne Gervais, Garde-intérieur: Mme Rolande A Francoeur, Garde-extèrieur: Mme Lise Boisvert, Musicienne: Mme Lucille Ryan.

Sincères félicitations au nouveau Conseil St-Pierre de Fort-Coulonge. L'initiation fut suivie d'un banquet à la salle Paroissiale.

Pour nous, cette belle journée mémorable restera imprègnée dans nos coueurs pour la vie.

La prochaine réunion aura lieu de 29 avril 1981 à la salle paroissiale.

Lettres

Comment ne pas exprimer l'hommage de notre reconnaissance et de notre admiration la plus vive à celles et ceux qui, à tous les niveaux et dans tous les secteurs de notre société, font des Centres de bénévolat du Québec le foyer de di ffusion de la plus grande générosité et du sens civique le plus admirable, à celles et ceux qui, tant par leur dévouement que par l'exemplarité de ce qu'ils accomplissent avec tant de coeur, contribuent si largement à l'épanouissement de notre communauté?

La chaleur de cette intervention si efficace et désintéressée partout où quelqu'un souffre et se sent délaissé symbolise de façon inestimable la qualité humaine dont une société est capable, l'augmentation constante, aussi, de cette qualité par une invitation à tous à plus d'entraide et des solidarité.

Certes, ce "monde qui bouge" qu'est le bénévolat doit entraîner une participation masculine beaucoup plus forte à son action de façon à corriger au plus tôt cette injuste disproportion dans la présence des unes et des autres. De façon à multiplier l'impact de ce geste bénévole des organisations volontaires qui, accompagnant l'action, toujours insuffisante, de l'Etat, lui sert non seulement de complément mais de conscience la plus utile et la plus noble.

A toutes et à l'occasion de la Semaine du Bénévolat qui se déroule cette année du 26 avril au 2 mai, je tiens à adresser ici, avec le témoignage de ma plus cordiale gratitude, mes voeux les plus fervents de dynamisme et de réussite.

Le Premier Ministre
René Lévesque

Conseil de Fort-Coulonge

Le Secrétaire-trésorier M Ken Rose est aussi présent.

Aussi présents à la séance étaient: Messieurs Lorrain Amyotte, Darcy Soucie, Raymond Lafrenière, Robert Soucie et Serge Sauvé.

Proposé par M le Conseiller Ronald Aubrey secondé par M le Conseiller Gilles Beaulieu que les procès-verbaux en date du 2 et 23 mars 1981 soient adoptés, tels que rédigés.

Proposé par M le Conseiller Gilles Beaulieu secondé par M le Conseiller Marcel Marion que le Conseil Municipal du Village de Fort-Coulonge s'occupe de prendre ses responsabilités, lorsque son tour viendra pour faire la surveillance, concernant une demande faite par le Centre des Jeunes.

Proposé par M le Conseiller Jean-Louis Brizard secondé par Mme la Conseillère Lucienne Roy que le Conseil Municipal délègue Monsieur le Conseiller Marcel Marion, pour représenter la municipalité à une rencontre du Comité de l'A.R.I.M. et les représentants de la Municipalité de Mansfield et Pontefract, concernant les possibilités d'engager un directeur de loisirs.

Proposé par M le Conseiller Jean-Louis Brizard secondé par M le Conseiller Gilles Beaulieu (Plan d'urgence municipal déjà en marche depuis le 26 mars 1981). Que le Conseil Municipal du Village de Fort-Coulonge mette en marche le programme de mesures d'urgence municipales, concernant le problème d'inondation des Rivières Coulonge et Outaouais qui commence, pour la protection des citoyens ainsi que les services municipaux d'aqueduc et d'égoûts; et que le Coordonnateur Municipal avise les responsables des postes un à neuf du plan de mesures d'urgence municipales.

Qu'un compte soit ouvert pour les mesures d'urgence, à savoir: matériel, approvisonnement, location de machinerie et équipement, gas, huile, etc.

Que deux pompes aspiratrices et du boyau soient achetés et tenus en réserve au garage municipal, pour vider les sous-sols.

Proposé par M le Conseiller Gilles Beaulieu secondé par Mme la Conseillère Lucienne Roy que la période du 11 au 16 avril 1981 sera connue comme période de nettoyage (embellissement) du village.

Proposé par M le Conseiller Gilles Beaulieu secondé par Mme la Conseillère Lucienne Roy que durant la semaine du 16 au 23 mai, 1981, la municipalité aura à la disposition des contribuables un camion pour ramasser les rebus (déchets de cour). Et, que cette résolution soit publiée dans l'EQUITY et dans le bulletin de l'église.

Proposé par M le Conseiller Ronald Aubrey secondé par M le Conseiller Jean-Louis Brizard que le Conseil Municipal du Village de Fort Coulonge délègue Monsieur le Conseiller Gilles Beaulieu, pour représenter la municipalité au sein du Comité des inondés.

Proposé par M le Conseiller Jean-Louis Brizard secondé par M le Conseiller Marcel Marion que le Conseil Municipal demande des soumissions par invitation, concernant l'achat des matériaux nécessaires, à savoir:

-pour la maintenance sur les services d'aqueduc et d'égoûts
-pour les raccordements d'aqueduc et d'égoûts
-pour le système de drains pluviaux
-Le Conseil Municipal se réserve le droit d'accepter ou de refuser la plus haute ou la plus basse des soumissions reçues.
-Le Conseil Municipal se réserve aussi le droit de faire l'achat item par item ou en vrac.

Correspondance:(Affaires nouvelles)

Rapport de Monsieur Brian Corriveau, Contrôleur d'animaux.

Contrat d'entretien IBM Canada Ltée, (machine à écrire IBM Selectric II)

Proposé par M le Conseiller Ronald Aubrey secondé par M le Conseiller Jean-Louis Brizard qu'un don au montant de $25.00 soit fait à l'ordre de la Société Canadienne du Cancer, Division du Québec.

Proposé par Mme la Conseillère Lucienne Roy secondé par M le Conseiller Marcel Marion que le Conseil Municipal fasse une assemblée publique, lundi le 11 mai 1981 à 7:30 p.m. à la salle de l'école Poupore, concernant l'information sur le budget 1981.

Proposé par Mme la Conseillère Lucienne Roy secondé par M le Conseiller Ronald Aubrey qu'à la prochaine séance régulière, le Conseil discute sur le rapport du Ministère de l'Environnement daté du 8 janvier 1981, concernant l'installation d'une vanne à clapet sur la rue Baume.

Proposé par M le Conseiller Jean-Louis Brizard secondé par M le Conseiller Ronald Aubrey qu'à la prochaine séance régulière, le Conseil discute sur les possibilités de faire l'achat d'un camion d'incendie.

Proposé par M le Conseiller Ronald Aubrey secondé par Mme la Conseillère Lucienne Roy qu'une demande soit faite au Ministère des Transports, concernant l'installation de quatre enseignes d'arrêt, à l'intersection des rues Baume et Principale, pour les raisons suivantes:

-Considérant que le Ministère a demandé à la municipalité d'enlever deux enseignes d'arrêt à cette dite intersection, dans sa lettre du 13 novembre 1979, plusieurs accidents ont survenu depuis cette date.

Considérant que le Conseil Municipal a reçu plusieurs plaintes concernant les piétons.

Considérant qu'à plusieurs reprises certaines automobiles font des vitesses excessives sur la rue Principale, vu qu'il y a que des enseignes d'arrêt sur la rue Baume.

Considérant que cette intersection donne accès à la Caisse Populaire, la Banque Nouvelle-Ecosse, ainsi que le Bureau de Poste, ce qui occasionne de temps à autre une circulation excessive.

Proposé par M le Conseiller Jean-Louis Brizard secondé par M le Conseiller Ronald Aubrey que les comptes soient payés au montant de $11,029.49.

Proposé par M le Conseiller Gilles Beaulieu secondé par M le Conseiller Jean-Louis Brizard que l'assemblée soit ajournée.

Où sont les travailleurs?

Partout au Canada les gens qui dirigent des entreprises indépendantes se plaignent qu'ils ne peuvent trouver des travailleurs et tout particulièrement des travailleurs spécialisés.

Pourtant, il y a environ 900 000 Canadiens sans emploi.

Pourquoi ce paradoxe?

La raison fondamentale: les programmes coûteux que le gouvernement a mis sur pied pour éduquer les chômeurs se sont soldés par un échec.

Vous n'avez qu'à vous informer auprès des 56 000 membres de la Fédération Canadienne de l'Entreprise indépendante. Ils considèrent le manque de main-d'oeuvre comme un de leurs principaux problèmes.

Au lieu de créer des programmes de formation en cours d'emploi, les gouvernements fédéral et provinciaux ont choisi des programmes 'institutionalisés'. Cela veut dire que les politiciens se contentent de construire des écoles afin de prouver aux votants qu'ils sont bien en vie, et sont prêts à se faire réélire.

Mais ça ne fonctionne pas.

Par conséquent, Ottawa a augmenté les niveaux d'immigration afin de remédier à l'insuffisance de main-d'oeuvre qualifiée, en accueillant des travailleurs d'autres pays où les gens de métier reçoivent une formation en cours d'emploi.

Il est temps que les experts canadiens examinent la situation dans le reste du monde.

Changer le système et développer des programmes efficaces de formation en cours d'emploi prendra du temps, mais l'effort en vaut la peine. En effet, un emploi spécialisé crée cinq emplois non spécialisés.

Les chômeurs canadiens méritent d'obtenir les emplois qui deviennent rapidement disponibles. Importer toujours plus de main-d'oeuvre qualifiée d'autres pays n'est tout simplement pas suffisant.

Starks Corners W.I.

President Bev Elliott opened the meeting and welcomed our visitors. Eighteen members and five visitors answered the roll call of 'Name your favorite vegetable and a recipe for preparing it.

Our Motto for April was Life is like a garden - it bears the fruit you sew".

A letter was received re annual convention May 27th at Macdonald College, County Convention is April 29th at Shawville Curling Club at 10 am.

Last year's books were passed and audited by Isabell Elliott.

Twenty-one thank you letters were received and read from Mrs Jo Campbell's Class for the books donated to the school library.

Convenor reports were given for health and welfare - a poem from Lillian Dean "I'm Fine, Thank-you".

From Home Economics- Winnifred Smart had helpful hints- extra pieces of carpet can be glued to kitchen chair legs to prevent marking and fingernail polish remover for tape marks. From citizenship, Grace Smart read an article on 'Resolutions - just for today". For education we entered into a lengthy discussion regarding the school board centralization with a regional board. We discussed pros and cons and the consequences to us as parents and taxpayers. We then compiled and sent a letter to our present school board requesting an information meeting for all parents and taxpayers before such a change of boards takes place.

Lynn Lang brought in a night gown for the fair display. We looked at coasters made by Lillian Dean.

Convenor of Agriculture was Roxy Bretzlaff. She had a very interesting article on planting and caring for bulbs and finished with a very successful sale of plants and slips.

Next meeting will be at Stark's Corners Church Hall with guests and a pot luck supper starting at 8 p.m.

A delicious lunch was served by Winnifred Smart and Ruby Smart.

Lynn Lang
Publicity Convenor

I'M FINE, THANK YOU"

There is nothing the matter with me,
I'm as healthy as I can be.
I have arthritis in both my knees
And when I walk I walk with a wheeze.
My pulse is weak; my blood is thin,
But I'm awfully well for the shape I'm in.
Arch supports I have for my feet
Or I wouldn't be able to be on the street.
Sleep is denied me night after night
But every morning I find I'm alright.
My memory is failing; my heads in a spin,
But I'm awfully well for the shape I'm in.
Old age is golden, I've heard it said,
But sometimes I wonder as I get out of bed.
With my ears in a drawer, my teeth in a cup,
My eyes on the table, until I wake up.
When I was young, my slippers were red
I could kick my heels right over my head.
When I grew older, my slippers were blue,
But I still could dance the whole night thru.
Now when I'm old, my slippers are black
I walk to the store and puff my way back.
I get up each morning and dust off my wits
Pick up the paper and read the obits;
If my name is still missing, I know I'm not dead,
So I get a good breakfast and go back to bed.

Clarendon Women's Institute

Twenty-four members and three visitors were present at the April 8th meeting held at Mrs Donald Horner's.

Mrs Audrey Hodgins welcomed all and read a poem "Make Others Happy". This was a very appropriate reading as the motto was 'A kindly act is a seed well sown'.

The roll call was – give a garden hint and many good suggestions and tips were given.

The Portage Road group and the Shawville group brought in cookies for the hospital.

It was decided that the Clarendon Women's Institute visit the Home on the Hill the first Monday of each month, groups and activities to be decided.

Plans were finalized for the Annual County Meeting to be held on Wednesday, April 29th at the Curling Rink. Mrs Gwenyth Strutt agreed to be a delegate.

Sympathy and get well cards were sent out.

Convenors reports were given. Agriculture- Mrs Gertie Draper -First Aid Hint on Hanging Plants. Education- Mrs Arthur Dagg - Too often Wrong children suffer; Home Economics: Mrs Clarence Wilson - an amusing article 'My Grandmother's Receet"; Health and Welfare: Mrs Jean McNeill - Who's Afraid of Food Additives; Publicity- Mrs Arthur Strutt- Feminist Born Near Frankville, Ont.; Hospital, Cheer and Visiting each gave their reports.

A motion was passed to send a donation to a local cancer victim.

A bring and buy sale followed and refreshments were served by the hostess assisted by Mrs Jas Tracy, Mrs Freida Horner and Mrs Jean McNeill.

Edgar Reside celebrates 80th birthday

In honour of his 80th birthday, the family and grandchildren of Edgar Reside organized a buffet dinner at the home of Lynton and Evelyn Hetherington, 33 Donna St., Nepean, on Sunday, April 12th.

Also celebrating a birthday was Bruce Reside, one of the grandchildren, who was 22 years old.

After the dinner the family presented their Dad with a beautiful Seiko watch. An hour of music and singing followed, led by Mr and Mrs Bert Easy.

Edgar is a life-long resident of Luskville, Quebec, and is the last of the fourth generation of the pioneer, Alexander Reside, who came from Antrim Ireland to Eardley in 1821.

Ladysmith Update

Easter Sunday dinner and supper guests at the home of Mr and Mrs Laynard Pasch were Mr and Mrs Gerald Mielke and Jennifer, Mrs Martha Bretzlaff, Mrs Violet Mielke, Mrs Carolie Pasch and Mr David Pasch.

Over the weekend visitors with the Thrun's were Mrs Gieslia Selkirk, Mr Jeffory Lassenba, Mr Mark Lassenba, Mr Rodger Laframboise, and Mr Todd Laframboise of Ottawa.

A lot of people spent the pleasant Easter weekend at their cottages. But Monday was cold with a light snowfall in some places.

Shawville CGIT will collect for Salvation Army

Again, as last year, the C.G.I.T. will be helping The Salvation Army with its Red Shield Appeal in the town of Shawville. Along with Mrs Dods, their leader, they will try to raise the funds needed to help the Salvation Army give the help to the people of Shawville that is needed. so So when they come to your door give from the heart. April 29th - 4 - 6 pm.

The C.R.D.O. in the 80's

Looking into the future, the Conseil Régional de Dévéloppement de l'Outaouais is going to hold a general meeting at Mont Ste-Marie on May 9th. At this time they plan to undertake an examination in depth of the current position of the organization and have requested the members to provide frank and honest reflections.

This thorough self-examination of the C.R.D.O. by its own members is considered to be of great importance and the secretary of the Board of Directors, M. Gilles Laflamme, will be sending specifics to the members, as well as to the general public. Since the C.R.D.O. is supplied with funds from the public purse, its existence and functions should be of interest to the general public.

The president of the C.R.D.O. is Louis Landry and the Director General is De Sale Gauthier who can be reached for further information at 768 St. Joseph Blvd., Hull or phone 770-2480.

The Regional culture council

On Saturday, May 2nd, in the Polyvalente de l'Ile, at 255 st, Redempteur Street, Hull, the Outaouais Regional Culture Council will hold its annual meeting. The public is invited to join the organizaztion at this meeting and take part. The meeting will be from 8:30 am to 6 pm and will include informative talks about the electronic media and a demonstration of Telidon.

The Outaouais Regional Culture Council has been in existence for four years and is a non-profit organization created by an order in council of the Government of Quebec. This year, recognizing that cultural development is closely related to the role assumed by the electronic media, this has been proposed as the theme of the annual meeting.

Under discussion will be the mission of these media, whether they assume their responsibilities and other timely questions. The afternoon demonstration of Telidon will be undertaken by the Department of Communications. Telidon is the newest development whereby television can become bidirectional, with messages going from the listener to the broadcaster.

IN MEMORY

PIRIE- In loving memory of Sadie Nellie, who passed away, April 27, 1978

We do not need a special day
To bring you to our mind.
For the days we do not think of you
Are very hard to find.

If all this world were ours to give,
We'd give it, yes, and more,
To see the face of mother, dear,
Come smiling through the door.

ever remembered,
The Family
7875X1A22

IN MEMORY

ZIMMERLING- In loving memory of my dear husband, Alfred, who passed away April 21, 1977.
I think of you in silence
And make no outward show.
But I miss you much more.
Than anyone could ever know.
The tears in my eyes I can wipe away,
But the ache in my heart will always stay.
Sadly missed and lovingly remembered by wife Annie.
7891XA22

ZIMMERLING- In fond and loving memory of a dear father, Alfred, who passed away April 21, 1977.
In this world heartaches are many
But to lose my Dad was the greatest of any.
Sadly missed and lovingly remembered by daughter Lillian and Son in law Clarence 7891X1A22

ZIMMERLING- In fond and loving memory of a dear father and grandfather, Alfred, who passed away April 21, 1977.
Four years ago today,
God looked around His garden
And saw an empty place,
He then looked down from Heaven
And saw your tired face.
He put His arms around you,
And took you in His care,
To make up for all you suffered
He wanted you up there.
Sadly missed and always remembered- daughter Beulah, son in law Maurice and grand daughter Shelley.

The buildings are located on certain parcels or tracts of land described as: "Lot 9K, ⅛ Est, Rang V, Canton de Clarendon, measuring approximately 50,000 square feet; Lot 9J-1, Rang V, Canton de Clarendon, measuring approximately 121,000 square feet."

PARCEL 2: Inventory consisting of: framing lumber, sheetrock, cornerbeads and pressure treated pine.

PARCEL 3: Inventory consisting of: shingles, roofing paper, roofing cement, steel roofing, plywood, insluation, pine lumber, oak lumber and garage doors.

PARCEL 4: Inventory consisting of: panelling, doors, windows, kitchen cabinets, vanities and mouldings.

PARCEL 5: Inventory consisting of: paint, stains, wallpaper and carpets.

PARCEL 6: Inventory consisting of: electrical fixtures, wire, fittings; plumbing fittings, pumps, pipes; bathtubs; various hardware items; hand tools; garden tools; power tools; wood stoves and heating apparatus.

PARCEL 7: Equipment and furniture consisting of: shelving, desks, and various other office equipment.

PARCEL 8: (2) Two trucks: (1) one 1978 Ford, ⅛ pick-up (1) 1974 Dodge 5 ton and (1) one 1974 Bullmoose forklift.

PARCEL 9: Four parcels or tracts of land located in the Village of Shawville, Quebec, lot numbers: 251-37, 251-38, 251-39, 251-40. The dimensions being approximately 67 feet by 112 to 143 feet.

Tenders must be accompanied by a certified cheque in favour of Touche Ross Ltd., for 10% of the amount of the tender price as a deposit. The deposit will be returned if the tender is not accepted and forfeited to the undersigned as liquidated damages if the tender is accepted and the sale is not completed by the tenderer. The balance of the tender price will be payable on closing.

Tenders may be made for individual parcels or en bloc, but en bloc tenders must stipulate a separate price for each parcel.

Tenders must be submitted in sealed envelopes clearly marked "Tender - H & S Home Supplies Shawville) Ltd." The highest or any tender will not necessarily be accepted.

The terms and conditions which shall govern the sale of the aforementioned assets or any part thereof, may be obtained from the undersigned and must form part of any tender.

The assets of parcels (1) - (8) are located on Highway 148, Village of Shawville, Quebec, approximately 35 miles from Hull (the store also bears the name WISEWAY). The assets in parcel (9) are located in the Village of Shawville, Quebec.

Appointments for inspection may be arranged by contacting Mr. Daniel A. Rozon, C.A., at (819) 770-9300 or (613) 236-2442.

Dated at Hull, this 16 day of April 1981.
